Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pa'e, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, urally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of the little

bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative;" they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a 50-cent bot-e of "California Syrup of Figs," which has directions for babies, chilwhich has directions for balles, chil-dren of all ages and for grown-ups plainly on the bottle. Beware of coun-terfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

and November 19th. About 3,600 acres of forest land were burned over, with a resulting damage estimated at about \$6,500.

Eleven of the fires were caused by sparks from locomotives, three by careless campers, one by a carelessly conducted lumbering operation, and the causes of five are unknown. The largest single fire burned 850 acres in Williams township May 12th and 13th. Seven of the twenty fires burned over 200 acres each, and six were in Williams township.

While there is still room for improvement, Dauphin's showing for 1916 is much better than for 1915, when 13,500 acres were, burned over, with a loss estimated at more than \$25,000.
