Spring Fashion Exhibit

Plenty of style and dash to "Michaels-Stern" clothes. Young Men's Suits are created by a Young Man's designer.

Whether you're "just starting" or "well on the way" there's an appropriate "Michaels-Stern" model for every period of your life.

THIS SPRING—

We Want To Sell You Your Clothes—

More Than Ever Before, We Want Your Patronage This Spring---

We want to sell you that suit or topcoat on an out and out value basis---on a dollar for dollar comparison with other clothes at other stores. You see---we know. We know how far we can go in making claim for

MICHAELS-STERN CLOTHES

and here's our claim: Never before---in spite of the increased cost of material and of labor, have Michaels-Stern Clothes offered better style, better tailoring, better wools, better workmanship than in this season's line.

\$20—\$25—\$30

See this Spring fashion exhibit at "The Live Store" where most men are buying their clothing---our courteous salesmen are ready to serve you---every fabric---and style are thoroughly represented here.
