HILTON'S FOUL TRIMS STEELTON

Victory For Central Evens the Series With Down River

Tossers

Battling through forty-five minutes of the hardest kind of basketball last night the Central High School five nosed out the Steelton High School quintet by one point and evened up the series between the two teams. The contest was played on the Chestnut Street floor and the final score was 41 to 40.

Street floor and the final score was 41 to 40.

Eight hundred students and friends of the two schools were thrilled every minute of the game, which at times waxed very rough, both teams offending. Fields, of the Central High school five was the big gun for that team, laying one of the strongest defensive and floor games seen here this season. He broke up many passes for the Steelton lads and during the first half threw a long goal which evened up the score.

Dayhoff is Real Star
Captain Dayhoff, of the Steelton quintet, was the real star of the game. The Steelton captain was all over the floor breaking up passes and whenever the opportunity offered was scoring points for his team. He scored 32 points of the 40 scored by the Steelton team. His work from the foul line was brilliant, throwing 20 out of 27. Captain Hilton, of the Central High five, was unable to locate the basket and only scored 25 out of 48 called on the downriver team.

Dayhoff scored the first point of the confilet on a foul toss and a little later Hilton evened the score in the same manner. Central then scored six points before Steelton team, in which Dayhoff featured, put the Steelton lads in the lead at the end of the first period by the score of 18 to 15.

Both Strong in Second

Both teams came back into the contest strong in the second period, and neither could gain a decided advantage, although Steelton led all the way. With a six-point lead and two minutes to play Frank, Martz and Hilton netted three long goals, tleing the score at 36.

36.

Five minutes extra was necessary to decide the battle and in this Steelton led at the start with two fouls and a field goal by Dayhoff. Field goals by Gregory and Hilton evened the score just as the final whistle blew, but Referee Gelsel detected a foul by one of the Steelton lads, and Hilton threw the goal which decided the contest.

In the preliminary game the Central scrubs defeated the Steelton scrubs by the score of 25 to 22. This contest by the score of 25 to 22. This contest was also of the nip and tuck style and at times rough. The summaries: STEELTON S. S. Fd.G. Fl.G. T.P.

A general belief prevailed last night that Referree Geisel was too lenient with some hoodlums in the audience. They persisted in hissing his decisions, According to intercollegiate rules, he had the power to call a foul for every hiss. Such conduct mars a game.
