

DEFENSE PLANS TO BE OUTLINED AT FIRST MEETING

Governor's Committee of Safety Gets Under Way; Acceptance Is General

Governor Brumbaugh to-day planned for the first meeting of the state-wide committee on public safety and defense, which will be held in the reception room of the executive department in the Capitol to-morrow morning at 11.30 o'clock.

Numerous additional acceptances of appointment to the committee were received to-day and it is expected that "virtually every man appointed will be here to-morrow."

Members of the Legislature were in conference with the Governor to-day regarding steps to be taken to provide necessary legislation, which will depend upon developments.

Letters of Acceptance Following are extracts from letters to Governor Brumbaugh accepting membership on the committee:

W. W. Watterson, Philadelphia.—There can be no question in the present circumstances as to the wisdom of immediately putting under way and prosecuting with vigor this most important undertaking; particularly so in the case of Pennsylvania, because of the vital part this commonwealth must play in any well-developed plan of preparedness for the country.

B. Dawson Coleman, Lebanon.—I accept immediately and hold myself subject to call to serve in any capacity I can be used for.

William Donaldson, Harrisburg.—I will be very glad to co-operate with you and the committee in the work as outlined by you.

Lewis S. Sandler, Carlisle.—It is with a great deal of satisfaction that I receive an opportunity to give my time and services in fullest measure to the success of its (the committee) undertakings.

Dr. E. E. Sparks, State College.—I

CURES NEURITIS and RHEUMATISM

Banishes Chest Colds, Coughs, Sore Throat Over Night

For 25 cents you can get a big package of GINGEROLE and druggists will tell you that if it isn't better than any plaster, liniment or poultice you ever used, money back.

There surely is nothing so good on earth for sprains, strains, bruises, bunions, callouses, chilblains or frost-bites. Just rub it on; it will not blister.

GINGEROLE absorbs instantly, is very penetrating, and that's why it only takes a few minutes to get rid of sprains, headache, toothache, backache and neuralgia.

GINGEROLE won't blister; and is always ready. It always satisfies.

Belgian Workman Make Appeal For Assistance

By Associated Press Washington, D. C., March 27.—An appeal from Belgium workmen for organized assistance by neutral Governments and laboring classes in neutral nations was made public at the Belgian Legation to-day. It says 500,000 men have been thrown out of work and kept in forced idleness, which has led the Germans to decree that "either you must sign a contract for work in Germany or you will be taken as slaves."

WAR SECRETARY ENROLLS

By Associated Press Washington, D. C., March 27.—Newton D. Baker, present occupant, Secretary of War, formally enrolled himself to-day as an alumnus of Johns Hopkins University, which is ready to place his personal service at the disposal of the Government in any capacity it may desire.

THIS STOPS HAIR FROM FALLING OUT

Ever try to count the dead hairs in your comb or brush? They are nature's advance warning of future baldness and proof that the dangerous little dandruff germ is busy on your scalp.

It was a famous Paris doctor who first discovered dandruff and falling hair are caused by a microbe. Then came the discovery of the value of the real Parisian Sage (liquid form) in destroying the dandruff germ and preventing the further loss of hair.

In many instances the effect of only three days' use of Parisian Sage is simply marvelous and the American People are now awakening to the fact that dandruff is just as unnecessary as it is unhealthy, and that they can be quickly rid of it and save their hair by using a few ounces of Parisian Sage.

Parisian Sage is sold for not more than 50 cents a large bottle at drug and toilet counters everywhere. It is an ideal dandruff and hair restorer, free from grease and stickiness, and will surely cause hair to grow soft and lustrous, and really seem twice as abundant as nothing to pay. H. C. Kennedy ways has a large supply and guarantees it to you.—Adv.

Claims Economy

In Taking Casca Royal Pills.

Thinks People Spend Dollars Where Dimes Would Do.

A big city physician, with no axe to grind, makes the statement that "too many people spend dollars for medicine and doctors where dimes would readily answer. I mean that nine-tenths of the ills of the human family are due to faulty elimination.

Inactive kidneys and constipated bowels bring on a train of ills that would require a page to enumerate. Headache, neuralgia, rheumatism, biliousness, backache, indigestion, nervousness, insomnia, etc., unless a chronic stage, can be corrected by taking Casca Royal Pills, instead of high-priced stomach medicines, liver tonics, blood purifiers, etc.

Just try a 10c or 25c package and you'll save many dollars and keep your health good too. Any druggist can supply you with this very pleasant, physic, tonic and purifier. Sold by druggists everywhere.

MUST BE REMOVED FROM RIVER WALK

Ice Is Melting Away, but Dirt and Debris Cling to Concrete

\$25.00 REWARD

A reward of \$25.00 will be paid to anyone who will furnish information that will lead to the arrest and conviction of the party or parties guilty of maliciously tearing down sidewalk walls, bridges, benches, etc. at Tulip Springs, Wildwood Park.

E. Z. GROSS, Commissioner.

Park Commissioner Gross will find his hands more than full with the disappearance of the mountains of ice along the "front steps" of Harrisburg.

Along the lower walk thousands of tons of ice forced in during the recent flood is piled high and its removal will be due solely to the hot rays of the sun. As a result of this there will be enormous quantities of debris and dirt that must be removed without delay and this will probably have to be done with the assistance of the Department of Public Safety and the use of fire hose.

It is also understood that Commissioner Gross will give full attention as soon as possible to heavy planting of the slope in order that the erosion from the top of the embankment may be checked. It is said that lines will be marked along the river park between Mackay and Division streets for the filling out of the Park strip beyond the western curb line.

Huge Dump at Boas Street

Much will necessarily have to be done during the Spring to put the park along the river in shape and it is expected plans will be formulated at once by those in authority.

Commissioner Gross and Assistant V. Grant Forrer are making efforts to learn who has been dumping debris, ashes and refuse over the river bank at Boas street. Huge piles of rubbish which have been dumped there must be removed by the Park department, and prosecutions will result if the offenders are caught.

To Arrest Vandals Although the snow was put there with snow from the city streets, Assistant Forrer declared persons have been using the place as a public dump for all kinds of rubbish.

Workers at Wildwood park reported that the platform, sidewalks, also guard rails on the rustic bridges and other improvements at "Tulip Springs" had been destroyed or greatly damaged. Repairs have been started, but, according to park officials, it will require several days to complete them. A number of benches at the river were broken and thrown into the stream running from the creek, and large stones hurled on top of them.

The Park department issued a warning against vandalism of this sort and arrests will be made if necessary. Park officers do not know who destroyed the benches and small bridges.

SCHOOL NOTES

TECH A few minutes were devoted this morning to practicing songs and cheers that will be used for the contest Thursday night. The school practiced a parody written by Johnson and Gipple, of the Senior class.

Samuel Sherman, leader of the orchestra, has announced the winners in the sale of tickets for the orchestra concert. Lynn Cook sold the highest number, followed by David Rosenberg and Meredith Germer. They received prizes of three dollars, two dollars and one dollar.

The Junior class will hold a class dance Wednesday night that will be open to all members of the school. The dance will be held at Hanshaw's hall. Blue and gold, the class colors, as well as the school colors, will be used in the color scheme. Those in charge of the details are President Harry Miller, Rees, Lynn Cook, Raymond, Harold Moore, Fred Huston and Willis Patterson.

Professor Roscoe Bowman, teacher of sophomore English, was absent from school yesterday because of illness. His classes were in charge of Harry Musser.

Class rings for members of the school have been received from a Philadelphia firm and were distributed to-day by Miss Hammelbaugh.

The Sophomores and Juniors played each other this afternoon in a final post-season game for the championship of the Tech Interclass Basketball League.

J. D. Bishop, who died suddenly at Hotel Columbus was yesterday afternoon buried in East Harrisburg Cemetery. The Rev. S. Edwin Rupp, pastor of Otterbein United Brethren Church officiated.

MAY CONSOLIDATE ANTIDOTE BILLS

Public Hearing Scheduled; Measures of All Likely to Be Merged

A public hearing, insofar as men are concerned, will be held on the various drug bills that are now in the Legislature and at the request of Archibald Mackrell, captain of detectives in Pittsburgh, women and young men and women will be excluded from the hearing.

Representative John C. Sullivan introduced the bill last night that was drafted by Mr. Mackrell and at the same time the Vore bill was passing second reading in the Senate. The latter is more stringent than the Mackrell-Sullivan bill and the Pittsburgh men may go along with the Philadelphia bill after a few changes have been made in it. Others will likely join with them.

units to be returned from the border but his transfer of property from the federal to the State service was completed among the first. He stands well with officers and men and in the event of the expected call to arms will have new opportunities for important work in the quartermaster's department of the division.

Major Schell will be guest of honor to-night at a dinner of the master plumbers of the city, he being connected with the hardware firm of Gilbert & Son.

Captain Baldwin

Captain Baldwin has had a rapid rise in the guard. He first came in for notice by reason of his excellent marksmanship and in the supply company did excellent service at the border. He and Major Schell are already at work on the necessary transfers which will be completed in a few hours.

Major Schell and Captain Baldwin told a HARRISBURG TELEGRAPH representative that the company is in need of recruits, especially four or five teamsters, a blacksmith and a clerk and quartermaster's department, was appointed colonel in that department and assigned to the administrative staff. He will be assigned to duty here. Carroll H. Hudders, Allentown, was appointed a captain in the quartermaster's department, and also assigned to the staff.

Adjutant General Stewart is attending the meeting of the National Guard association, of which he is president, and which will discuss important defense matters at New York.

Ash and Garbage Survey Plans Postponed a Week

Commissioner Gross postponed presenting to Council a proposed plan for an ash and garbage survey in the city because he had not received sufficient information to make recommendations. He made this announcement this morning.

Regular collectors of ashes have been resumed. Commissioner Gross said, although it will require a few weeks yet to remove the large piles which accumulated during the winter months. The five inspectors recently appointed by order of Council will remain on duty until a general clean-up is completed.

An Effective Laxative For Growing Children

Dr. Caldwell's Syrup Pepsin Highly Recommended as a Family Remedy.

In children the slightest irregularity of the bowels has a tendency to disturb the entire digestive system, and unless promptly remedied invites serious illness. The experienced mother knows that by training her children to regularity in this respect, and when occasion arises administering a mild laxative, she will have little need for the doctor's services.

Mrs. Leo Weigand, 3251 Central Ave., N. S., Pittsburgh, Pa., whose two boys, Frank and Joseph, are shown in the illustration, writes that she has found Dr. Caldwell's Syrup Pepsin a most effective laxative, not only for the children but also for herself, and that she will always keep it in the house to use when needed. Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that acts easily and naturally, without gripping or other pain or discomfort. It is pleasant to the taste so that children like it, and is equally effective on the strongest constitution.

Chalmers Lynite Pistons An Evidence of Chalmers Quality

Chalmers pistons are made from one of the lightest and highest-grade metals obtainable—Lynite, a special alloy of aluminum.

Importance of Lightness A light piston insures smoothness and power. Lighter pistons allow other motor parts of corresponding lightness. Lynite pistons reduce the strain on the bearings 160 pounds per square inch over the cast iron piston.

Most cars use heavy cast iron pistons. Much cheaper. Much reduced efficiency.

The wonderful smoothness of the Chalmers at all speeds is largely due to the lightness of the pistons. So also is the motor's remarkable power.

12½-Ounce Pistons

Compression—Power

Chalmers pistons weigh only twelve and a half ounces each. About one-third the weight of cast iron pistons. Each one of these Chalmers pistons is true to its die. All pistons are exactly equal in weight.

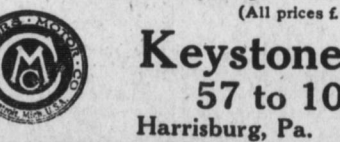

Chalmers pistons are provided with three rings of uniform tension, each three-sixteenths of an inch wide. This means better compression—more power.

No greater variation than ¼-ounce is tolerated in any of the reciprocating parts of the Chalmers.

Below the lowest ring there are oil relief holes to prevent any excess of oil from reaching the combustion chambers.

The above is what we mean by quality in Pistons. The kind of quality you need in the pistons in the car you buy. And the kind of quality you GET in the Chalmers.

Table listing Chalmers car models and prices: Touring Car, 7-passenger - \$1350; Roadster, 3-passenger - \$1250; Touring Car, 5-passenger - \$1250; Limousine, 7-passenger - \$2550; Touring Sedan, 7-passenger - \$1850; Town Car, 7-passenger - \$2550. (All prices L. O. B. Detroit.)
