

VINCOME FIVE TO PLAY LOCAL INDEPENDENTS---DINGS IN AMUSEMENT WORLD

VINCOME CHAMPS HERE SATURDAY

Independents Expect Hard Game; Locals Have Had Busy Week

The Vincome team, of Philadelphia, will be the attraction in Chestnut Street Auditorium Saturday night. One of the best games of the season is looked for. The Vincome team won the independent championship of Philadelphia and defeated the locals earlier in the season.

The big improvement in the team work and passing in the Trenton game was a pleasing feature to the local fans and with two games on foreign floors this week the locals will be in the best of condition for a hard battle Saturday night.

Plan for Next Season The Independent Basketball Association is making plans for next season and in the three remaining games some of the best players of the local city league will work out with the Independents. Another big feature that is talked of is the placing of a cage in the auditorium.

To-morrow night the Independents will line up against the crack Motive Power Athletic Association five of the Pennsylvania Railroad. The game will be played on the association gymnasium floor. Seventh and Kelly streets. Play will start at 8 o'clock and Mike Yoder will referee.

BRENNEMAN ISSUES CHALLENGE "Izy" Hoffman, Philadelphia, president of the State livebird championship, has received a challenge from Joseph Brennenman, president of the Lancaster Gun Club, to a match for the title. Hoffman has accepted the challenge and a twenty-five bird shoot will be held in the Quaker City on April 5, 6 or 7, the date to be set by Brennenman. David Paul, Philadelphia, has challenged the winner of the event. Hoffman won the title from C. E. Munmer, Marietta, several weeks ago after the latter had won it at the big meet here in February.

RIFLE CLUB MEETING A special session of the Harrisburg Rifle Club has been called by order of the president for the purpose of discussing and adopting by-laws of the organization. The meeting will be held on Monday evening, April 2, at 8 o'clock, on the third floor of the Wyeth Building, corner Market and Court streets. Notices have been sent to all members by the secretary, W. H. Lutz.

JACOBY'S MIRACLE SHOT WINS DAY

Atlanta, Ga., March 29.—One of those once-in-a-lifetime shots, played by Louis Jacoby, of New Orleans, the golfer who beat Jerome D. Travers recently, ended the career of Bobby Jones, Atlanta's boy wonder, in the invitation tournament at the Druid Hills Golf Club yesterday afternoon. Jacoby and Jones were playing the home hole, with the match all square, when the former hooked his second into the woods. A moment later Bobby played his third to the green, the ball stopping about fifteen or eighteen feet from the pin and Jacoby's prospects looked pretty slim.

GREYSTOCKS ARE AGAIN CHAMPIONS

Philadelphia, Pa., March 29.—In one of the most thrilling games ever played in the Eastern Basketball League, Greystock won the championship in the play-off with Jasper last night at the Camden Armory, winning 23 to 21.

There was a gap in the trees just ahead of him that he could get the ball through if he played a perfect shot. A perfect shot it was, for it landed on the green and stopped only two feet from the pin. That shot changed the whole situation so suddenly that the big gallery hardly realized what had happened. Bobby tried hard to hole his long downhill putt, but it was an almost hopeless chance. His ball rolled by the cup and when he missed coming back Jacoby did not even have to try his easy one, the result of the great shot from among the trees.

It was a bad day for the northern golfer, and when all was over, not one of them was left in the running.

Table with 4 columns: Player Name, F.G., P.G., A., Pts. Rows include Fogarty, Sugarman, Lawrence, McWilliams, Cross, and Totals for GREYSTOCK and JASPER.

Captain Philip J. Martin Helps in Many Victories; Season Is Near the Finish

Captain Philip J. Martin has been much in evidence in piloting his team successfully through the 1916-17 series of the P. O. S. of A. Quoit League of lower Dauphin county. It has held the lead since the beginning of the race and has the pennant cinched unless the impossible should happen.

HAMLET LIVES AGAIN--MANTELL

Shakespeare's Most Quoted Tragedy Feasted Upon by Enthusiastic Audience

The eminent critic, the careful student, the casual reader, yea, even the few who found their way into the Orpheum Theater last evening expecting to see a musical comedy, all witnessed a mind-fused on the never-too-often-repeated tragedy of "Hamlet." Robert Mantell, the distinguished, although fast-fading interpreter of Shakespearean roles, was in rare voice, and his refined cast, obviously wrapped up in their work, rounded out with credit the setting for the display of the "Melancholy Dane's" talents.

It was a rare treat. Perhaps the more discriminating adhere to Mansfield or Sothorn, but few there are who did not rest content with Mantell's presentation of the gloomy heir to the Danish throne. What matter if the critics still argue that Hamlet was really not insane at all, what matter if the mad Ophelia sang not according to rote—Shakespeare lived again last evening in the most tragic of his tragedies and an enthusiastic audience bore testimony to his reincarnation.
