

# TECH HIGH TOSSERS LOSE TO CENTRAL---THIRD SCHOLASTIC GAME NECESSARY

## Miss Rosenthal Winner in Penhurst Golf Finals; Defeats Mrs. J. V. Hurd

Pinehurst, N. C., March 30. — Miss Elaine Rosenthal, of Chicago, and Mrs. J. V. Hurd, of Pittsburgh, met here yesterday in the final of the Women's North and South Championship Tournament and played one of the greatest contests that has ever been staged by women golfers on the Pinehurst links. The Chicago player won the championship trophy. She won it fairly and decisively, and by virtue of playing the opening holes of the round in a degree of perfection that has only twice been equaled here in the past 10 years by a woman player, and that has never been surpassed.

The best indication of the variety of golf exhibited by Miss Rosenthal is the fact that Mrs. Hurd went out in 43, which is medalist golf in the great majority of the big tournaments among women players, and made the first holes in 35, and found herself 5 down to Miss Rosenthal at the seventh hole. The latter made the first seven holes in par 30 and arrived at the turn in 33.

## TECH'S DEFEAT MAKES EXTRA GAME NECESSARY

### Tech Tossers Lead Until Ebbing Minutes of Play, When Central Makes Final Rally; Hilton Stars From Foul Line and Gregory From Field; Harris Scores 20 of Tech's 30 Points

A fierce battle raged on the Central-Technical front last night on the Chestnut Street Auditorium floor and General Eddie Hilton, of Central High School, led his forces to a 33 to 20 victory over General Charles Pollock, leader of the Technical High School army.

For forty minutes the battle raged with intense fury, Tech having the advantage until the last five minutes of play. Time after time the cohorts of both schools were brought to their feet by a sensational field goal or a stiff scrimmage by the players in the arena, and not until the final whistle was the issue decided.

While the players exerted their physical energies in the cage the supporters of the two schools were not standing idly by, but engaged in a fierce verbal battle. The cheering of both schools was perhaps the best in history, cheer leaders on both sides having made special preparations for the contest. Tech lost the game by a narrow margin, but Cheer Leader Oscar Sutch and his Technical cheering section were victors in the verbal battle.

Both in volume and in variety did the Tech lads outdo the Central cheering section, which time after time was forced to applaud. The Central and Technical orchestras assisted in the verbal combat.

**Harris Fires First Gun**

Harris fired the first gun of the fray when he made a hard goal from the side of the cage on a pass from Linsle on a signal play. This casualty came to Central at the first jump up, but a little later General Hilton got a trial at a foul and he pierced the net after missing his first attempt. Martz scored

Both Overanxious

Both teams missed many easy shots in the closing minutes of play, greatly due to overanxiety. Gregory led in the field goal scoring for Central with 5 to his credit. For Tech, Harris scored 20 of the total 30 points, 12 of which were fouls and 4 field goals.

Preliminary to the Tech-Central varsity battle last night the Technical Scrubs easily trounced the Central Reserves by the score of 41 to 24.

## MCCORD'S TOSSERS HAVE BUSY WEEK

### Will Clash With Motive Power Five Tonight and Vincome Tomorrow Night

"Ike" McCord and his Harrisburg Independent five have a strenuous schedule for the remainder of the week. They will clash with the Pennsylvania Motive Power quintet to-night on the latter's new gymnasium floor, Seventh and Reily streets, and to-morrow night with the Vincome independent champions of Philadelphia, on the Chestnut street auditorium floor.

The Motive Power athletes are prepared to put up a stiff game and are anxious to annex the contest. This game has caused a great deal of interest in railroad circles and has been looked forward to for some time. Following the contest a dance will be held.

## TWO ENSIGNS MARRY

Annapolis, March 30.—Two ensigns-graduates of this year's class at the Naval Academy—were married here yesterday, following the graduation exercises at the institution.

The marriage of Ensign Andrew G. Reeves, of Orlando, Fla., to Miss Rachel French, an Annapolis girl, took place at St. Ann's Protestant Episcopal Church. Ensign Reeves was attended by his classmate, Lawrence Wainwright, and the bride-maid was Miss Macielene Martin, of Annapolis. An hour later Ensign John H. Keefe and Miss Mildred L. Schotland, both of Portland, Me., were married at St. Mary's Catholic Church by the Rev. C. J. Warren, the pastor. It is reported that at least eight other members of the class will be married this week.

## WELLY'S CORNER

"Billy" Cleckner, secretary of the Harrisburg Sportsmen's Association, is doing his part to increase the popularity of trapshooting. His plan to systematize shooting events in this vicinity in order that all clubs may benefit has met with a hearty approval.

One of the active shooting organizations in this vicinity will be found at Rutherford. George L. Sarvis, the secretary of the Rutherford Y. M. C. A. Gun Club, is setting a pace for the railroad shooters and they will be out every week at practice.

King, one of the outfielders left out by Connie Mack, will in all probability wear a Harrisburg uniform. He is a fast boy. Manager Mack has several more experienced fielders and King could not win out against them for a permanent place. He can hit, is fast on bases and his fielding with Harrisburg last season attracted much attention.

When Manager George Cockill arrives in Harrisburg Monday he will be ready to make public his list of players. He has the confidence of the fans and when he says there will be a fast bunch here this season, good baseball may be expected. Everybody should lend a hand in helping along the good cause. Baseball advertises a city, and Harrisburg is on the map as a live city in sport. There should be a liberal response for aid by the local leader.

All games in the Pennsylvania Railroad League will be played at Island Park. This means good sport when Harrisburg's New York State League team is on the road. The Motive Power Athletic Association team under the management of "Red" Owens will be in the face for the championship this season.

## MISSIONARY SOCIETY ELECTS

Shirerstown, Pa., March 30.—At a meeting of the Woman's Missionary Society of the United Brethren Church in the lecture room of the church on Wednesday evening the following officers were elected: President, Mrs. William Bentz; vice-president, Miss Elsie Strong; secretary, Miss Emily Strong; treasurer, Miss Alicinda Longanecker.

ENTERTAINMENT BY CLASS

New Cumberland, Pa., March 30.—An entertainment will be held at St. Paul's Lutheran Church on Easter at 7:30 o'clock. The program will include music, recitations and a pantomime entitled "The Holy City" will be given by members of Mrs. Elmer Draught's Sunday school class.

Mrs. John Fisher and son Harry, of Enola, visited friends at New Cumberland yesterday.

## DUCKPIN LEAGUE GETS FIRST START

## New York Will Take War Census of Male Citizens

Albany, N. Y., March 30.—A bill authorizing the taking of a war census was signed yesterday by Governor Whitman. In an accompanying memorandum the Governor said:

"The powers of the Governor under this bill are much more comprehensive than under the provisions of the military law, which contemplates only the enrollment of the able-bodied male citizens of the state between the ages of 18 and 45 years, as it provides for an inventory of all the resources available for use in the event of war, which would include the women available for service as well as men, money, the industrial and material resources of the state, munitions and military supplies manufactured or procurable within the state. Military strength depends upon the organization and utilization of such resources and it is imperative that we have knowledge of such assets available for us in the event of war."

## MEDICAL SOCIETY TO MEET

Members of the Dauphin County Medical Society will meet to-night at 8:30 in the Harrisburg Academy of Medicine. "Minor Surgery as Met by the General Practitioner" will be discussed by Arthur L. Shipley, M. D., of the University of Maryland. On Tuesday "The Anemias" will be discussed by members. "Laboratory Diagnosis" will be lectured upon by Dr. H. R. Douglass, "Surgical Treatment" by Dr. Carson Cooper and "Medical Treatment" by Dr. Jesse L. Lenker.

## WAR CREDIT FOR STUDENTS

Washington, Pa., March 30.—Dr. F. W. Hunt, president of Washington and Jefferson College, announced yesterday that all students who enter government service in event of war with Germany will be allowed full college credit for the time spent in service. A tentative arrangement to this effect is now being prepared.

# Camel Cigarettes

What you pay out your good money for is cigarette satisfaction—and you get it in Camels! This cigarette is an expert blend of choice Turkish and choice Domestic tobaccos that creates a delightful mellow-mild-body and a flavor as novel as it is refreshing! Camels are pure and wholesome and are so satisfying and smokers realize so quickly that the value is in the cigarettes, that coupons or premiums are neither looked for nor expected.

You can smoke Camels freely without any unpleasant cigarette after-taste.

Prove our word about Camels by comparing them puff-by-puff with any cigarette at any price.

R. J. REYNOLDS TOBACCO COMPANY, Winston-Salem, N. C.
