The Steelton Central Grammar School five, coached by G. W. Henry, has made a remarkable record during the past season, winning twen ty games out of twenty-two played and scoring a total of 1,025 points to its opponents' 475. The contests play ed includes four high schol, two club and sixteen grammar school games. The only two games lost was one to the E section of the Central High School Schohomores, and the other to the Middletown Central Grammar S chool five on the Middletown floor. The personnel of the team was not changed during the season and the av erage age of the players is fifteen years, weight 125 pounds and height, 5 feet 8 inches. In a Series of three games with the Middletown Grammar School the Steelton five was victorious in all but the opening game played on the Middletown floor. Steelton scored 102 points to Middletown's 73 in the series. The students of the school have supported the team well and have thirty parodies on popular songs and ten original yells which are use d during the contests. Every scholar in the school is given a chance to throw the ball around and shoot an d in this way they become accustomed to the game and later are able to play on the representative team.
