ANNUAL REPORTS WEDNESDAY CLUB ARE ENCOURAGING IN LAST MUSICAL

Camp Hill Civic Club Holds Yearly Meeting and Re-elects Officers

The Camp Hill Civic Club met yesterday afternoon for the annual formal election. This club is perhaps among the last to give any patriotic demonstration, feeling as long as the nation had taken no decisive step in war plans that it was better to keep the discussion of national events entirely out of club life.

Satisfied With Officers The election was conducted by the secretary and the new year's work started with the following officers re-elected: President, Mrs. James W. Milhouse; first vice-president, C. W. Harding; second vice-president, Mrs. George Kehr; secretary, Mrs. W. C. Sigmond; treasurer, Mrs. John C. Armstrong; chairman Out-door Committee, Mrs. H. C. Zook; Municipal Department, Mrs. Guert W. Ensign; Charities, Mrs. Elsie V. Middleton; Educational, Mrs. R. W. Helm; Emergency Aid, Mrs. Carl K. Dean; Press, Mrs. C. W. Goodman; directors, Mrs. Fred. W. Kendall and Mrs. Robert L. Myers.

The refreshment committee, comprising Mrs. R. L. Myers, Mrs. Walter Cummings, Mrs. Wiltzie and Mrs. Thomas Baldwin, served refreshments and everyone assisted in the emergency aid in their work recently started. This branch will meet again next Thursday afternoon at 2 o'clock at Mrs. Dean's home.

Springtime in the Shops

Did you ever think it is more economical to buy two pairs of shoes than one pair? Of course the first cost is a little greater, but shoes worn alternately and rested on shoe trees will hold their shape longer and give better service, and in selecting two pairs at once one can plan to have appropriate footwear for every occasion. It is easy to make a selection at the Walk-Over Boot Shop, 226 Market street, where assortments are so complete and so varied and Walk-Over shoes are noted for their wearing qualities. A clever selection is a pair of high boots in the new beige kid shown by this shop, with a pair of their pretty Colonial in black for change, while equally sensible would be a pair of the smart Natan oxfords with low heels for walking, with the breezy Katinka model in black boots for formal wear.

Practical and Pretty Both practical and pretty is the fanitas wall covering offered by the A. B. Tack Wall Paper Shop, 1218 North Third street, which comes in a wonderful variety of colorings with either dull or shiny finish suitable for bath rooms, kitchens, pantries, stairways, offices or any place that has hard usage and requires sanitary, washable wall covering. This fabric can be washed just like a painted wall, but comes in figured and plain patterns and pretty colors which make it restful, satisfying and artistic as a wall covering. A bath room done in rose, adjoining a bedroom in pastels colors is most attractive, and this shop offers other novel and lovely designs.

Fresh Eggs and Vegetables You do not need to get up early in the morning and wear yourself out in the hurry of going to market to get fresh eggs and vegetables, for the Studebaker Grocery Store (Mr. George E. Brubaker) at the crossing of State, offers fresh eggs daily which are really perfect specimens—the large, pure white kind, which color so beautifully for Easter baskets, and these eggs are not more than twenty-four hours old when they are sold to you at this store. This store also offers the new spring vegetables, which are so wholesome and tempting at this time of year, including fresh asparagus, cucumbers and delicious tender string beans.

Easter Hats for Men Well-dressed men will not only wear one of the new suits offered by Dourichs, 304 Market street, but they will make it look its best by matching it with one of the clever hats offered in Dourichs up-to-date hat department in styles that are especially smart and becoming. The new Stetson's for \$2.00 are a special feature of this display, while the Hawes and Schobbe hats as well as offered in a splendid variety. Their beauty of style, texture and colorings make this exhibit of spring hats a noteworthy showing, and the hat department at this store is so conveniently located and so well-appointed that it is a most popular place for men to buy their spring hats.

Easter Plants WE just can't describe the beauty of our Easter Flowers. But we are so conveniently located you can easily drop in to see them. If you care for distinctiveness and individuality in your home decorations and gifts you will find them here. The Berryhill Locust Street at Second

WILSON'S SPEECH AID TO RUSSIA

Provisional Government Greatly Strengthened by American Statement

London, April 6.—A group of Americans having large interests in Russia has sent a report to London that the situation is establishing itself and that the provisional government of Russia has been strengthened greatly as a result of President Wilson's speech, which made a profound impression on the Russian people.

Present indications point undoubtedly to the establishment of a republic by the constitutional assembly which is to be held. The whole sentiment of the Russian people is in favor of a democracy similar to the United States. This has produced a great feeling of affection and kinship toward Americans.

The report says that the provisional government would be strengthened greatly if liberal credits were provided in America for Russian accounts. An American commission of national character would be welcomed in Russia where its co-operation with the new government in providing for financing and for munitions and other supplies would be of inestimable value now and for the future.

This is particularly true of Diener diamonds because of their fine quality and color. They have the expert's "O. K." on them.
