

CENTRAL PENNA. TO BE SCOURED

Army Officers Plan More Vigorous Recruiting Campaign Here

Captain William F. Harrell, in charge of the Harrisburg district for army recruiting, announced this morning that he would start a more vigorous campaign for recruits at once.

A circular letter is now being completed and will be sent out to every newspaper in towns of the district having a population of more than 1,000. These newspapers will be requested to boost recruiting and recruiting officers will be sent to the various places to receive volunteers.

New Process Removes Superfluous Hair Roots!

Women troubled with unsightly hairy growths will be delighted to hear that they can now actually remove the hair entire—roots and all—easily, quickly, harmlessly! It is done without the use of liquid, powder, paste, or electric needles.

It is the plan of Captain Harrell to have every town visited by his men at least twice a week. He has already requested the War Department, at Washington, to send more men to assist in the work and fifty more can be used at once.

The Harrisburg district is comprised of the following counties: Indiana, Cambria, Somerset, Blair, Bedford, Huntingdon, Fulton, Juniata, Mifflin, Perry, Franklin, Cumberland, Adams, York, Dauphin, Schuylkill, Lebanon, Lancaster, Berks and Lehigh. Recruiting offices are stationed at the following places and the various counties are covered by these offices: Dauphin, Adams, Cumberland, Juniata, Perry and Mifflin, by Harrisburg; Indiana, Cambria and Somerset, by Johnstown; Blair, Bedford and Huntingdon, by Altoona; Fulton and Franklin, by Chambersburg; York, by York; Lancaster, by Lancaster; Lebanon, by Lebanon; Schuylkill, by Pottsville and Shenandoah; Lehigh, by Allentown, and Berks, by Reading.

Recruits Throng Office The local office in the Berger building was thronged this morning and at least forty men will be sent to Fort Slocum to-day, making a total from this district of more than 150 during the past week. Captain Harrell stated this morning that this was a good number, but more are needed. He said: "Here we are with war declared and recruits not coming in any faster than before; something seems to be the matter for the people do not realize what this means. We need more men and we are going to use every possible means to get them." Quartermaster W. E. Quirk, of the navy recruiting office, sent ten recruits out from the local office during the week, but he stated this morning that this was a poor showing for a city the size of Harrisburg. "Uncle Sam can't carry on this war without men and it is soon time that Harrisburg wakes up to the fact that she will be required to furnish a large number of these men. We will have to have more men from Harrisburg for the navy and if they do not volunteer we will be authorized to use other means of securing them, said Quartermaster Quirk.

ATTENDANCE AT SCHOOL JUMPS

Washington Heights Report Shows Big Increase For March

In the report for the month just issued by the Principal, F. Y. Weidenhammer, of the Washington Heights schools, a marked increase over that of previous month is shown. The attendance in the grammar school was 96 per cent. for the month and 95 per cent. for the term. Out of twenty-eight enrolled, the average is twenty-six for the month. The full report for the schools is as follows:

Grammar school, F. Y. Weidenhammer, teacher—Pupils with perfect attendance: Aris J. Bates, Albert K. Bard, Lester B. Kurtz, William R. Sierer, Elwood C. Kurtz, Mervin L. Frank, James J. Fuller, Rose H. Sierer, Helen J. Opperman, Violet M. Frank, Zona M. Bates and Lucy E. Moffet.

Pupils who missed only half a day: Richard H. Steinmetz, Robert F. Shoemaker, Florence Byrem, Laura M. Wrightstone, Mildred F. Gillums, Hilda A. Davis, Sara E. Kister and Edith O. Bishop.

READING RAILWAY BRIDGE GUARD IS WOUNDED BY SPY

Troopers Ordered to Shoot to Kill Trespassers Refusing to Halt

Reading, April 7.—Private John McNamara, of Philadelphia, guarding the west end of the Reading Railway's Lebanon Valley bridge here, was shot in the right arm by an unknown man, supposed to be a German spy, who laid in wait behind a boulder last night. The bullet passed through his arm and his condition is not serious.

The shooting occurred when McNamara was returning from a search around the end of the bridge. A hurried search of the ground by an anti-aircraft battalion stationed at the bridge failed to show any traces of the man though the wounded sentry had shot three times at him as he disappeared in the darkness. Further excitement was added to the already tense situation when a guard on the eastern end of the bridge fired at a man who failed to respond to a challenge.

As a result of the shooting Captain Risher doubled the guards on the bridge and has issued a warning to all citizens that trespassing in the area around the bridge will be at the peril of the individual who does it. Guardsmen have been ordered to shoot to kill if the person challenged fails to answer the first call to halt.

MOTOR CLUB POSTPONES DINNER

The board of governors of the Motor Club of Harrisburg, at its monthly meeting last night, approved the recommendation of the annual dinner committee that the dinner be postponed on account of the declaration of war upon Germany by the United States. A resolution was adopted by the Ventral Democratic Club, at its meeting last night, that the Jefferson dinner be postponed on account of the international crisis. Plans for the remodeling of the Walnut street property of the club were discussed. Work on the building will be started early in the spring.

GERMAN WARSHIP IS BLOWN UP

[Continued From First Page] blew herself up, killing two warrant officers and five enlisted men. Twenty officers, twelve warrant officers and 321 enlisted men were taken prisoners.

The message was received at the Navy Department at 11 a. m. to-day from Captain Roy Smith, governor of Guam and commandant of the naval station there. The destruction of the Cormorant occurred at 8 o'clock last night, Washington time.

Had Much Trouble Internment of the Cormorant at Guam has been the cause of continual conflict and disagreeable incidents between the American and German crews.

On several occasions former Ambassador to Germany, at his request to the State Department on behalf of the Cormorant's officers and crew to have the vessel transferred to San Francisco. Each time the Navy Department refused.

The Cormorant was chased into Guam by Japanese warships soon after the declaration of war between Japan and Germany. The ship had exhausted her fuel supply raiding commerce and was compelled to burn her woodwork structure to make steam under which she reached that port.

CITY RALLYING TO U. S. IN TIME OF NEED

[Continued From First Page] F. Gross and W. F. Douglass, surgical department; Dr. E. A. Nicodemus, assistant surgeon and head of the obstetrical department; Dr. G. A. Zimmerman, laboratory department; Dr. H. A. Stine, pathological department; Dr. S. V. Shope, eye, ear, nose and throat department; Drs. H. E. Holmes, J. W. Shope, G. H. Widder, Edward K. Lawson and R. D. Saul, medical department, and C. W. Baidorf, etherizing department.

The members and officers of the board are: President, the Rev. W. S. Harris; vice president, Charles F. Hooper; treasurer, D. W. Solner; secretary, Dr. E. A. Nicodemus; members, Dr. H. F. Gross, B. F. Blough, Harry Delmotte, M. I. Kast, Dr. H. E. Holmes, Dr. G. H. Widder, Dr. W. T. Douglas, A. S. Miller and Dr. S. V. Shope. George A. Bentley and Charles Bartlett were elected additional members of the board at the meeting last night.

Physicians Rally to Flag The council of the Academy of Medicine met last night and recommended that the Academy building be turned over to the United States Government to use it any way it sees fit. It was also recommended that the members of the Academy enroll in the Medical Reserve Corps. These recommendations will be submitted to the members of the Academy at its regular meeting Friday evening, April 27.

Dr. H. F. Gross stated this morning that while these recommendations have not been passed, he did not think the members would hesitate a minute in doing so at the regular meeting.

Veterans Plan Meeting Camp No. 8, United Spanish War Veterans, met last night and passed a resolution endorsing President Wilson for his stand in the present international crisis. The meeting was the most largely attended during the year. It was decided to hold a patriotic meeting in the near future. Commander Dapp appointed a committee including William Leabenstein, Captain Henry M. Stein and Thomas P. Morgan to arrange for the event. W. M. Ervin, Enola, and Jack Searfrass, Harrisburg, were elected to membership.

Red Cross Base Hospital According to an announcement made by City Commissioner Edward Z. Gross, head of the local Red Cross chapter, efforts are being made to form a Red Cross base hospital here. Committees have been appointed and the final reports will be submitted at the meeting of the chapter in the Y. M. C. A. building Monday night.

Efforts are being made to merge the Pennsylvania Railroad War Relief Association with the Red Cross society, but no definite plans have been completed. Mrs. W. H. McCaleb, who is one of the local officers of the relief stated this morning that the local society will have to abide by the ruling of the Philadelphia chapter, which has the matter under consideration. A definite announcement will be made in a few days.

The Mechanicsburg chapter of the Red Cross Society of which Mrs. Robert H. Thomas, Jr., is the chairman, held a very enthusiastic meeting last night. The Rev. H. Hall Sharp, chairman of the membership committee, submitted a favorable report. Plans were made for relief for families of soldiers, and the committee which was appointed, will co-operate with the committee appointed by Governor Brumbaugh for this work. Mrs. Robert H. Thomas, Jr., and S. K. Troyer, will have charge of the work for the Mechanicsburg society.

VALLEY RAILWAYS ARE WORKING ON PLANS

[Continued From First Page] pal League submitted to the Valley Railways Company a proposition looking to a permanent terminal on the garage property, corner of Walnut and River streets, and the abandonment of the city lines on Second street. This plan was generally regarded with favor by all concerned and it is understood that the Valley Railways officials have instructed the engineers of

the company to make a close study of the curves and other details of the proposed terminal on Walnut street. Officials of the cross-river lines say they cannot consider abandoning their right-of-way on Second street until they are satisfied the plan proposed is feasible.

Expect Report Soon The engineers are expected to be able to report the results of their study of the problem in a short time and it will then be up to the Municipal League to get through the proper legislation for the proposed changes. It is also intimated that the Valley Railways Company will undoubtedly insist upon the right of a double track on Walnut street from Second to the Cumberland county shore, which section is within the city limits, requiring an ordinance of council to permit two tracks.

Next in importance in the working out of the traffic problem is the double tracking of Third street to meet the views of the business community at Third and Broad streets, where there is a strong organization urging upon the Harrisburg Railways Company relief from the present inadequate one-track line.

DR. KHARAS ARRESTED Dr. Theodore Kharas was arrested last night at his office in the Trustee building by Captain of Police Joseph P. Thompson. He is wanted on a warrant issued from Elliptic City, Maryland, on a charge of bigamy.

BELL 1991-2356 UNITED HARRISBURG, SATURDAY, APRIL 7, 1917. FOUNDED 1871

We Announce, Beginning Monday, April 9th, a Special Demonstration and Sale of Atlantic Liquid Gloss & Household Lubricant

A wonderful preparation for general household requirements that is a boon to the tidy housewife—the auto owner—in fact its use can be universally applied.

To introduce this magical lubricant we present the two following offerings for a limited period of time.

- COMBINATION NO. 1
1 Gilmore Mop (the mop with fingers), at 75¢
1 qt. Atlantic Gloss, at 65¢
8 ozs. Standard Household Lubricant, at 25¢

All for \$1.65

- COMBINATION NO. 2
1 Matchless Mop, at 70¢
1 pt. Atlantic Liquid Gloss, at 40¢
4 ozs. Standard Household Lubricant, at 15¢

All for \$1.25

If you already have a dustless mop, come in anyway and see the demonstration of how Atlantic Liquid Gloss brightens up floors and linoleum. How, when used with water, it quickly cleans and polishes furniture and woodwork. And it's the nicest thing you ever saw for polishing the automobile.

Every household should have a can of Standard Household Lubricant. It comes in a convenient can which is both a container and an oiling can. You can never tell when that sewing machine, or the Victrola, or a squeaky door, or the lawn mower will need a little oil.

In buying both Atlantic Liquid Gloss and Standard Household Lubricant you get more for your money than you do of any other kind. "Twice the quantity—half the cost."
