150 COUPLES AT TRIANGLE DANCE

Brilliant Affair at Winterdale Is Most Successful in History of the Club

The dance given last night in Winterdale Hall, by the Triangle Club, was one of the most brilliant social events of the Easter season. One hundred and fifty couples were present and music was furnished by the Reber Saxophone and Banjo Orchestra, Philadelphia.

Japanese lanterns lighted by electricity added much to the beauty of the scene and "Old Glory" was draped in clusters from the ceiling giving a patriotic effect, in keeping with the times. One of the most interesting decorations was a pergola and electric fountain in the center of the hall. The event was one of the most successful ever held by the club.

Sunshine Society Plans More Work For Cripples

The regular meeting of the Roberta Floyd Sunshine Society was held Monday afternoon in their rooms at the Y. M. C. A. Building, Mrs. Melvin B. Cumber presiding.

The society is planning its summer work for the crippled children and it was decided that the little barrels which were distributed among the members several weeks ago for the purpose of raising funds for this work should be collected the first of May. The work is so important and an extra effort will be made to have the barrels well filled.

Much interest is manifested among the young people all over the city in Sunshine work and many groups of children have expressed a desire to help in the work of the big organization. So a movement is on foot to organize a junior auxiliary with branches in different parts of the city, each branch to be numbered and organized by an active member of the mother society. The Sunshine Society welcomes the young people as co-workers, and will extend whatever help they need to organize into a big auxiliary.

A vote of thanks is extended to Mr. Frank Whitman for his generosity in giving lovely Easter baskets filled with candy eggs to the Sunshine Society to be distributed among its crippled children.

Members who have been sewing for the Red Cross on Tuesdays are informed that the workers will merge with the regular members of the Red Cross and will work with them on Mondays and Thursdays. The Society welcomed the news that its president, Mrs. Anamer Black, who has been ill for several weeks at the Harrisburg Hospital, is convalescent and all expressed a hope for her speedy and permanent recovery.
