

U.S. TO LEND HUGE SUM TO ENTENTE

Congressmen Satisfied America Should Vote \$3,000,000,000 to the Allies

Washington, April 10.—The administration's financial program for carrying on the war, in so far as it relates to the authorization of a \$3,000,000,000 bond issue, including \$3,000,000,000 to be loaned to the allies, will be placed before Congress within the next 48 hours with every prospect of prompt approval.

The measure, calling for the authorization of the huge issue, was considered by the House Ways and Means Committee this afternoon after the Republican members had been named and upon the return of Chairman Kitchen from North Carolina. The committee probably will report the measure Wednesday and the House is expected to begin its consideration Thursday.

Official announcement was made last night by Secretary McAdoo of the program, different in no material respect from unofficial statements published the past few days. Mr. McAdoo predicted that the amount would be overwhelmingly subscribed. The facilities offered by bankers and others, who have asserted that they would place their services free of charge at the government's disposal, to be of aid in making the issue a success will be accepted. Assistance also will be sought of federal reserve banks, national banks, State banks, insurance companies, private and investment bankers, and of every governmental agency, such as the internal revenue offices and the post offices, in floating the issue.

Mr. McAdoo also announced that he would "take the benefit of the counsel of the most experienced bankers and investors of the country as to the best means of making the offer a pronounced success."

The term of the bonds is yet to be decided upon, as well as the denominations, but it is likely that there will be little change in the plan to issue them in denominations as low as \$25. Once the authorization is granted, it is possible that the big issue will not be placed before the investing public in one lump sum, but will be issued at first to the government when the government will have had time to engrave the bonds, a task of no mean proportions.

RHEUMATISM

Physician Believes a Genuine Remedy For the Disease Has Been Found

Rheuma, the wonderful rheumatism remedy sold by H. C. Kennedy and his druggists, gives quicker and more lasting relief than other remedies costing many times as much.

Rheuma passes the deadly poisonous secretions into the bowels and kidneys, from which they are quickly thrown off in a natural, healthy way. Read what a reputable physician says about Rheuma: "I have made the most careful investigation of the formula employed in the manufacture of Rheuma, and I heartily recommend it as a remedy for all forms of rheumatism. I find Rheuma far in advance of the methods generally employed in the treatment of rheumatism, and altogether different in character from the remedies usually prescribed."—Dr. Lyons.

This should give any sufferer from rheumatism confidence to try Rheuma.—Advertisement.

GREATEST CATARRH DOCTOR IN WORLD

Here Today in Harrisburg, Pa.

When a sufferer from Catarrh begins to breathe the pure wholesome healing air of Hyomei into the sore, inflamed membranes and tissues of his nose and throat, he usually decides then and there that he and Catarrh are going to part company forever.

It is surprising how quickly Hyomei does work. Blessed relief comes in less than five minutes. The clogged nostrils open, the nasty mucus discharges, spitting, choking, etc., all stop and the head, nose and throat clear out like magic. Hyomei does more. It kills the germs which breed catarrh and ends the disease. Safe, clean, pleasant and harmless to use and very inexpensive. H. C. Kennedy and other leading druggists say "money back" if in any case it fails. Better than stomach dosing, spraying, gargling, etc., and beats greasy ointments two to one. No wonder happy users call it the "greatest catarrh doctor in the world."—Adv.

GRADUATES

Our line of Commencement Invitations, Programs and Announcements is now ready and we invite your inspection.

This year's samples are designed with a special view of meeting the growing demand for the displaying of class colors, and the varied designs are most beautiful and pleasing.

These Goods Can Be Furnished Either Printed, Embossed or Engraved To Suit Purchaser

Visiting or Personal Cards Engraved or Printed

Get in touch with our Sales Department without delay. Let us know your desires and we will submit samples and quote prices.

YEAH, THE LAST JOB I HAD SPOILT ME FOR ANY FUTURE HARD WORK—THEY PAID ME A SALARY AND ALL I REALLY DID WAS PLAY!

BUT THIS IS HOW HE DID IT

General Munitions Board to Supply Army and Navy With Fighting Materials

Washington, April 10.—Frank A. Scott, of Cleveland, Ohio, will head the new General Munitions Board, whose duty will be to supply the army and navy with munitions and equipment.

The board, creation of which is announced by the council of national defense, is composed of twenty army and navy officers and industrial leaders. Most of them are experts on munitions standards and manufacture and some of the civilian members have been engaged in supplying munitions to the allies.

The board's task will be almost similar to that of the British minister of munitions and it may develop into a government department, headed by a cabinet officer.

Mystery in Long Trip of Bottle Thrown Into Swatara

Marietta, Pa., April 10.—On December 24, 1915, Homer Poorman, residing along the Swatara creek, wrote his name on a slip of paper and placed it in a bottle, and threw it in the creek. The bottle has been found at Earlville, Md., by Edith A. Long, and she has written Mr. Poorman. How it got there is a mystery as the course of the creek does not lead to the Susquehanna river, and it was found along the banks of the Elk river.

"TIZ" FOR TIRED AND SORE FEET

Use "TIZ" for puffed-up, burning, aching, calloused feet and corns.

Why go limping around with aching, puffed-up feet—feet so tired, chafed, sore and swollen you can hardly get your shoes on or off? Why don't you get a 2-cent box of "TIZ" from the drug store now and gladden your tortured feet?

"TIZ" makes your feet glow with comfort; takes down swellings and draws the soreness and misery right out of feet that chafe, smart and burn. "TIZ" instantly stops pain in corns, callouses and bunions. "TIZ" is glorious for tired, aching, sore feet. No more shoe tightness—no more foot troubles.

The Outdoor Girl Protects the skin and complexion from all weather conditions. Soothing and healing after exposure. Relieves sunburn, tan and rough or chapped skins. Try it today.

Gouraud's Oriental Cream

Get rid of your COLD By Taking FATHER JOHN'S MEDICINE

No alcohol or dangerous drugs.

STATE POLICE BILL UP TO GOVERNOR

House Passes Measure Increasing Force to 227; Raise Officers' Pay

The House last night after a sharp debate passed the State Police bill, increasing the force from 227 by 102 extra men and increasing the salaries of the officers. The vote was 125 to 56. The bill now goes to the Governor for action. It is understood he will sign it. Harrisburg and Dauphin county members voted for the bill. Representatives Barner and Burnett, Cumberland, did not vote and the Lebanon and Perry representatives supported the bill.

It was pointed out that especially during the war the police force will be at great service. The Black bill, granting the right to Pennsylvanians away from home on election day to vote under certain conditions was passed on first reading. A larger first and second calendar was passed by the House.

THROWS FLAG IN BAR-DRAIN AND LANDS IN COUNTY JAIL Lancaster, Pa., April 10.—Horton Vestrites, said to be an Austrian, has been prosecuted by Assistant District Attorney Hosterman on the charge of insulting an desecrating the flag. An emblem was pinned upon his lapel in a barroom, and after allowing it to remain there for a few minutes he tore it off and threw it into the bar drain. Vestrites is in jail here.

PRIZES FOR WINNERS A membership campaign is being waged by Harrisburg Ladies' Nest No. 1259, Order of Owls. Two teams are now contesting for high honors. The teams are: the Uptown team, captained by Mrs. Ora De Silvey, and the Hill team, captained by Mrs. Helen Shuler. Prizes will be awarded at the completion of the campaign to the member of the winning team securing the most new members; second best individual record and a third prize for the next best individual record. A consolation prize will be given the losing team.

CATHOLIC RECTOR PATRIOTIC Lancaster, Pa., April 10.—At St. Joseph's Catholic Church, the membership of which is largely composed of German-Americans, the rector, the Rev. Henry S. Christ, gave this advice to nearly 1,500 worshippers: "If this country is good enough to give you a home, protect, feed and clothe you, it is good enough to be your fatherland." He cautioned his hearers not to slander those in authority and urged all to be loyal to the flag.

GET GUNS AND SABERS IN RAID Cleveland, April 10.—Federal agents led by Special Agent Charles Dewdney of the Department of Justice, seized 46 Swiss guns of a serviceable type and three sabers in a raid on a private residence here yesterday afternoon. No ammunition was found and no arrests were made. It is said several more raids may take place.

RAILROADS NEED THEIR MEN Chicago, April 10.—At a meeting of presidents of railroads running into Chicago yesterday it was decided not to encourage enlistment of employes for war service at this time. With the prospect of heavy movements of munitions and supplies it was felt that the need of experienced railroad employes was greater than the need of recruits.

Mike Mowrey Deserts His Fancy Chicken Farm to Play With Brooklyn

Chambersburg, Pa., April 10.—Harry Mowrey, better known as "Mike," left here to-day for Brooklyn where he will sign a contract with Robinson's National League champions.

Mowrey, who made a high record as hot corner specialist last season in the National, had been holding out because his contract as offered this year showed a cut. Mike told the correspondent he could make more money raising high bred Leghorn chickens at his home here and would not play for less money next last year and he evidently meant it. Yesterday Uncle Wilber called him over the long distance phone and all the trouble was patched up. "Mike" left ready to take up work, although he was not south practicing.

HOME GARDEN MOVE WELL UNDER WAY

But this bill may fail and Harrisburg must provide its own money for the purpose. Who will contribute?

The Governor's Call The creation of an army of children to help provide for the army of the nation was called for by Governor Brumbaugh last night in a proclamation to the school authorities of the Commonwealth. He called for the organization of pupils in schools into food growing groups. The proclamation follows:

We are convincingly advised that this country faces a large food shortage in this current year. It is difficult to estimate the value to our country of any service that will add to our food supply. As enlistment is required by our national government large numbers of our best young men will leave the farms to serve the country. This will further lessen the production of food. "In this emergency and now I call upon you, superintendents, directors and teachers, to organize the pupils in your several schools into food growing groups and to give these children the practical suggestions and substantial assistance in planting in available schoolyards and upon their home soil all forms of food plants to the end that these children, to young to enter the army or navy, may perform an important patriotic duty—that of providing food for our soldiers and sailors and for our great army of industrial workers whose sustenance is essential to our success in this unhappy crisis of our national life.

"Call upon the county farm agents, State College and the State Department of Agriculture for such directive counsel as you may desire in order to comply as completely as possible with this request. Let us give the army of children a part in providing food for the army of the nation."

Purchase of Seed Purchase of seed potatoes, seed spring wheat and beans, and their distribution to responsible farmers by the State is provided for in a bill introduced in the House by Representative Dell, of Huntingdon county.

The bill calls for a commission of five members, three of whom shall be farmers, and provides that the farmer must agree to return the amount of seed furnished, or its equivalent in money, before December 15. All seed returned to the commission may be sold and the money realized turned into the State Treasury. An appropriation of \$50,000 is asked to carry out the provisions of the bill.

Students Urged to Help Students in the Harrisburg public schools are being urged to make gardens during their spare time and to go about the work systematically and in earnest so that their efforts will bear good results.

Dr. Frederick E. Downes, superintendent of schools, said to-day that in compliance with Governor Brumbaugh's appeal to the school authorities throughout the State to encourage gardening among the students, the Harrisburg public school teachers are impressing on the pupils the importance of growing vegetables in their own lots.

DUCKED FOR TEARING FLAG Williamsport, Pa., April 10.—Clyde Strup, twenty years old, a worker in an industrial plant, tore a hole in the wall there and ripped it into shreds. As the pieces fell from his fingers fellow workers jumped at him and, raising him above their heads, carried him to a corner, where they tossed him into a tub of water and held him under for a short time. The police later arrested Strup.

AUTO BURNED ON ROAD Mount Joy, Pa., April 10.—Near the Union schoolhouse, one mile southwest of Mount Joy, on Saturday evening, the automobile of William E. Hoffman, of Columbia, was completely destroyed by fire, when Mr. and Mrs. Hoffman were enroute to Perry county. The occupants of the machine escaped uninjured.

Capt. Chas. C. Hummel Has Easter Egg 110 Years Old

Hummelstown, Pa., April 10.—Captain Charles C. Hummel has in his

possession an Easter egg one hundred and ten years old. This egg was colored and etched by Miss Elizabeth Leebrock in 1807 and has her name and the date upon it. Later Miss Leebrock married Joseph Hummel, father of Captain Hummel. Upon their marriage they moved into the Hummel mansion in the Square here just 100 years ago on Palm Sunday, and last home, the home of Captain Charles Hummel at present, has been the Hummel residence ever since. The egg colored 110 years ago is slightly chipped, but is still in very good condition.
