"Farmers" May Adopt Smart Dresses With Pockets; to Enlist Women

If suffragists of Pennsylvania adopt a plan devised for their associate workers throughout the country by the National Suffrage Association, women will be seen in town and hamlet, urban and suburban districts wearing the smart brown khaki uniforms or, if more appealing to the feminine artistic, chic blue denim working frocks.

Plumpness Makes Health

Thin People Heed This If you are too thin; if you are pale and sallow; if what you eat seems not to strengthen you; if your lips and cheeks are colorless, it is because your blood is deficient in red corpuscles and disease can easily overcome you, as you have no reserve strength or nourishment to uphold you.

Dr. Ferdinand King, New York Physician and Medical Author Says:

EVERY WOMAN EVERY MOTHER EVERY DAUGHTER NEEDS IRON AT TIMES

To put strength into her nerves and color into her cheeks.

There can be no beautiful, healthy, rosy, cheeked women without iron. The trouble in the past has been that when women needed iron they generally took it in two weeks' time in many instances. I have used it in my own practice with most surprising results.

NOTE: NUXATED IRON recommended above by Dr. Ferdinand King can be obtained from any good druggist with an absolute guarantee of success or money refunded. It is dispensed in this city by Crall & Keller, Dr. George J. Nelson Clark and all good druggists.

TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 50-cent bottle of Wynch's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients. While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wynch's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant. This preparation is a delightful toilet requisite and is not intended for cure, mitigation or prevention of disease.—Adv.

All students having pictures of Central High athletic events, such as the war canoe race, are asked to communicate at once with the editor-in-chief of the Argus.

Arrangements have been completed by Coach Kunkel for the use of the Island park track for the Central team. Practice will be held regularly hereafter.

Subscriptions for the Commencement issue of the Argus should be paid as soon as possible, thereby greatly facilitating the work of the business department.

Members of the Senior class are requested to hand to the teacher in charge of the room in which they are located a complete list of all activities they have been in since entering high school. This should be done as soon as possible.

President Warfield of Wilson College, will address both sessions on Friday. This will be the second of the series of talks that has been arranged for Central High, the speakers being men connected with various colleges and universities.

The Centralian Society will hold its regular bimonthly meeting at the home of Garrett Wall, 224 Woodbine street, Thursday evening.
