Billy Van and Flavia Arcaro in a Scene From "Have a Heart"

"Have a Heart," Henry W. Savage's annual musical comedy offering, comes to the Orpheum on Saturday, matinee and night. This tuneful and merry musical success comes here direct from half a year at the Liberty Theater, New York, and a prosperous run at the Forrest Theater, Philadelphia, with the entire New York company and production precisely as presented at the Liberty Theater.

Secure Red Cross Funds at the Madrigal Concert

Over \$250 was secured toward the Red Cross work by the concert of the Madrigal Club last evening in Fahnstock Hall. Flags of the United States and the Entente Allies decorated the stage and there were Red Cross posters and cards much in evidence. The following class of Red Cross nurses, in uniform, ushered: Miss Emily Bailey, Miss Frances Bailey, Miss Katherine Etter, Miss Dora W. Coe, Miss Sara Denehy and Miss Virginia King.

GOLDEN EAGLES ELECT

Cumberland Valley Commandery, No. 109, Military Branch, K. G. The commandery will drive to respond with an encore, immediately after castle session.

WEDNESDAY CLUB CLOSSES

The last working musical of the Wednesday Club attracted a large audience to Fahnstock Hall this morning to hear numbers from United States composers. Harrisburg composers were represented on the program when Sara Lemer played, with Edwin J. Decevee accompanying, the second movement from his own sonata in F for the violin. Mrs. Arthur H. Hull sang with charming effect three "Mother Songs" written by Edna Groff Diehl, of this city, whose dainty verse is becoming well known throughout the country. Every number was exceptionally well done, but to Mrs. Rhodes goes the laurels for her wonderful interpretation of the "Concert Etude" by MacDowell. The applause was so spirited that she was forced to respond with an encore. Miss Mary E. Rely gave musical current events.

JUNIOR DANCANT AIDS TO TREASURY

Younger Girls Raise Money For Charity Fund and Red Cross Work

Judging from the results of the dancant at the Civic Club yesterday afternoon, given by the members of the Junior Aid Society, from 3 to 6 o'clock, the society has maintained their reputation for successfully conducting their various charity affairs. Miss Eliza Bailey, the president, with the chairmen of the several committees, including Miss Darthea Davis, Miss Lydia A. Kunkel and Miss Alice Lesure report that the results have been most satisfactory.

The Sara Lemer orchestra played an unusually fine dance program for the many dancers, and prizes of flowers and candy were awarded in the competitive dancing to Miss Frances Bailey and Albert Stackpole, first prize winners, and Miss Mary Boas and Robert Ball as second prize winners.

The judges of the dancing were: E. C. Ellengr, Dr. John F. Culp and John Ericson. Mrs. William E. Bailey, Mrs. Charles L. Bailey and Mrs. R. P. M. Davis acted as hostesses for the affair and decorations in sprays effected made the club a veritable bower for the numerous guests.

PUT COLOR IN YOUR CHEEKS

There is no successful limitation of the glow of health. Rich red blood showing through translucent skin means not only beauty but health. When your color fades you will find that your heart palpitates on slight exertion, such as climbing stairs, and that your breath is short and you lack ambition. All these things are symptoms of an anemic condition, of the blood.

By building up the blood with Dr. Williams' Pink Pills for Pale People, you are enriching food, exercise a little in the open air daily and watch the color return to cheeks and lips. If you are anemic, your normal weight you should gain on one or two pounds a week under this treatment. And the first sign of improvement will be in your appetite.

Dr. Williams' Pink Pills tone up the digestive organs and the re-vitalized blood carries nourishment that means strength to every part of the body. Two books, "Building Up the Blood" and "What to Eat and How to Eat" give just the information that you need. They are free. Write for them today to the Dr. Williams Medicine Co., Schenectady, N. Y. You own druggist sells Dr. Williams' Pink Pills or you can send fifty cent for a full-size package by mail, postpaid.

A USE FOR EVERYTHING

Nothing Yet Ever Created Without a Purpose. A Theory Difficult to Believe in Some Instances.

Many Think That Nature Might Have Been Involved in Many Ways.

We all wonder why certain things were ever made, why certain animals or insects were created to live, and yet there is no doubt but that everything was intended for some purpose, and as civilization advances such purposes are discovered.

Cod liver oil is something that everybody knows to have been a wise provision of Nature, to be used as a medicine. Why Nature should have appointed cod liver oil to be the most horrible and most terrible taste is also something that many have wondered at. But that was Nature's way. She gave to man the crude material and has left to his intelligence to overcome many of its objectionable features.

This is exactly what has happened in regard to cod liver oil. Everybody knows its value. Everybody knows how necessary it is for physicians to prescribe it in many instances. Everybody also knows that it is one of the most valuable medicines that can be imagined. There is no longer need of taking it; that is, in the form in which we have been accustomed to know it.

The druggists of this city, whose names are appended to this article, have had a wonderful success in associating themselves with a Boston house which produces a preparation known as Vinol. This is not a patent medicine. Any one may see, on the label of each bottle, or any of these druggists will tell any one who calls on them exactly what Vinol contains. As one explained yesterday: "We have simply found out how to extract the active medicinal principles from the cod's liver that has made cod liver oil valuable. This we may obtain in the form of a concentrated extract. The grease with all its vile odor, is left behind. That, too, has its purposes. It is valuable for dressing leather, but as for its being in any way good for man as a medicine, it is absolutely worthless."

Now we take the medicine that we have obtained, or the concentrated medicinal properties of the cod's liver and place just the right quantity of this extract in a delicious, mild tablet and best of all, a peptonate, iron and manganese peptonates and glycerophosphates and there you have the whole story. Anybody can learn in a minute that Vinol is delicious. Any one who is compelled to take cod liver oil can find out in a few days how much more benefit can be derived from Vinol than could ever be obtained from cod liver oil in its crude form.

The enthusiasm in regard to Vinol is indeed well founded. The preparation which the druggists mentioned above are handling is now one of the best known in the world to create strength for weak, run-down, debilitated, feeble old people, delicate young children and as a constitutional remedy for chronic cough, cold and bronchitis. Story Telling League Elects Officers For Year

At a circle meeting of the Story Telling League, last evening, in Library Hall, the following officers were elected for the ensuing year: President, Mrs. Harry G. Keffer; vice-presidents, Miss Clara Bashore and Mrs. J. L. Pizer; treasurer, Miss Dolores Segelbaum; secretary, Mrs. Charles J. Wood, Jr.

A constitution and by-laws, drawn by the executive committee, was accepted by the league.

It is a matter of much regret that Georgine Faulkner, the "story lady," who was to be here next week, is unable to keep her engagement owing to serious illness in her family calling her to Chicago. Later in the year Miss Faulkner and the league hope to get together.

Two beautiful stories were told at last night's meeting, "The Springs," by Eugene Field, given by Miss Heiker, and "Psyche and Cupid," given by Miss Clara Bitner. Miss Lois K. Booker and Mrs. Roberta Swartz Harling were appointed official critics for the remainder of the year.

New Discovery Ends Corn Misery-- Touch a Corn With Ice-Mint, Then Lift It Right Off--It Won't Hurt a Bit

Soreness Stops Quickly, then the Corn Shrivels and Lifts Off--Try It and See.

Here is the real "Corn Killer" at a touch of that cooling, soothing Ice-mint and real foot joy is yours. No pain, not a bit of soreness, either of yours is sure to be a "Goner" if it ever feels the Magic touch of Ice-mint. This is a new discovery made from a Japanese product and it is certainly a wonder the way it ends corn misery. From the very second that Ice-mint touches that sore, tender corn your poor tired, aching, tired feet feel so cool, easy and comfortable that you will just sigh with relief. Think of it; only a little "just as good."
