Harrisburg Wholesale Distributing Co., Harrisburg, Pa. York Wholesale Distributing Co., York, Pa.

Considering the volume of business that is being done at the present time by the companies affiliated with the United Grocers Corporation, and those companies under contemplation of purchase, together with the improvements that are being installed in the company's plants, the volume of business that will be done annually by the combined consolidation should reach a very large and satisfactory total.

The United Grocers Corporation's plans of operation which combines manufacturing and brokering, with its sales organization and extraordinary distributive outlets, a conservative estimate on net profits on volume of business to be done should make the capital stock of the corporation a most satisfactory and profitable investment.

SAFETY OF PROFITS

There is no safer business than the food industry. The people of the world must be fed, and there could not be a more opportune time than at present to promote and engage in the manufacture, production and distribution of food merchandise.

The profit margin of food products is ample and constant. 7 Per Cent. Cumulative Preferred Stock, par \$100.00 per share. Sale Price \$100.00 per share. Common Stock, par value, \$100.00 per share. Sale Price, \$120.00 per share.
