

Paxton Company Issues Call to Property Owners

Members of the Paxton Fire Company have issued the following appeal to the public: "The Paxton company is desirous of retaining the engine that has served the lower and central sections of the city so long and well. They are circulating petitions praying council not to make the change urged by Commissioner Gross. The company served the people of the First and Second wards for fifty years and they believe the engine can be fitted as satisfactorily now. Shortly there will be three companies without homes in Harrisburg. The Paxton will make a fourth. Note the new business firms in the district now served by the Paxton. Only one firm of all those in the district has declined to sign. Men of the central business section, we can prove to you that the shortest route and the quickest service for you in case of fire is from the Paxton engine house. Sign our petitions and help protect your own property."

Beidleman Working Hard to Get Single Council Bill Through

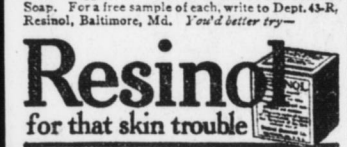

In view of the very general dissatisfaction regarding the commission form of government, Senator Beidleman is going to do his utmost to secure the enactment of his bill providing for a single council in the measure which he has from each ward in cities of the third class. He says many persons have spoken to him in advocacy of such a change and he feels that a single council thus constituted would overcome in a large measure the unsatisfactory results of the present plan. He believes also that the mayor should have the power to veto and that public interest in municipal administration would follow the organization of a council along the lines proposed in the measure which he has introduced. It is quite certain, he thinks, that the people of Harrisburg will hail with real pleasure almost any change from the present demoralized and chaotic scheme of government. "The commission form simply induces a lot of men to run for the salary instead of the service which they can render," he said a prominent citizen to-day. These members of council elected for two years find themselves in the very nature of the case thrown into a campaign for re-election almost as soon as they take office, which is an unfortunate sequel of the commission scheme. Senator Beidleman said to-day he would do everything in his power to push along the bill, providing for a single council and while it will undoubtedly meet hard stalling in some quarters, it will have support in others. The Senator is not impressed with the suggestion that it might be well to allow the commission scheme to have a further trial before throwing it into the discard.

Don't wait for time to heal your skin

"Oh it will get well anyhow!" you say? Perhaps it will, and perhaps it won't. Maybe it will get worse instead. And think of the discomfort and embarrassment it causes you even now.

Isn't it better to get rid of the trouble by using Resinol Ointment and Resinol Soap? Doctors have prescribed the Resinol treatment for over 20 years, so you need not hesitate to use it. Resinol usually stops itching instantly.

ROTARY CLUB WILL BOOST BOY SCOUTS

Preliminary Plans for Campaign Outlined; Many Organizations Interested

Preliminary plans for the Boy Scout campaign were outlined by President Howard C. Fry at a meeting of the Rotary Club at Cotterel's store on Market Square last evening. The club has guaranteed the expenses of the campaign by which it is hoped to raise at least \$12,000 to put the Scout movement on a firm financial basis in Harrisburg for the next three years. Headquarters will be established at 24 North Third street and will be in charge of Lewis Buddy, National Field Commissioner for the Boy Scouts of America, and one of the best-known workers among boys in the United States. The Rotary Club will not be the only society interested in the campaign. It has simply guaranteed payment of all expenses, but many other organizations already have signified their intention of assisting and there is every indication that the movement will be entirely successful. George W. Rely will be the treasurer.

President Fry explained that there is now no distinct boy work being done in Harrisburg, the seven Scout troops of the city now operating to a large degree independently of each other. The plan is to unite the movement under one executive and to draw as many boys as possible into the uplifting influences of the Scout organizations. He said he felt the Rotary Club could interest itself in no better work. The idea of the campaign is that if the Scouts are firmly established for three years, there never will be any question as to the permanency of the organization here. The addresses of the evening were made by D. W. Cotterel and Ernest Eppley, who is in charge of the metal cabinet section of the Cotterel store. Mr. Eppley explained at length the process of construction and the advantages of this means of safeguarding business papers and documents.

Crème Tokalon

Banishes every complexion blemish and gives new bloom in three nights. Many a hollow-cheeked, wrinkled, aged-looking woman has "come back" and made herself look beautiful, youthful and charming by means of the following simple method: Slightly wash your face in warm water at night and rub in a teaspoonful or two of Crème Tokalon. In the morning wash the face with cold water and rub in more Crème Tokalon. The result, which you will find entirely different from all other creams. Day by day watch how the old, faded, coarse, rough skin becomes new, fresh, soft and youthful-looking. GIANT TRACTORS TURN SOIL IN OPENING OF GARDEN CULTIVATION

A giant tractor plowing three deep this morning started the work on the gardens donated to the city through the Chamber of Commerce by the Union Real Estate and Investment Company. The Emerson-Brantingham Company, of which W. P. Stacy is general manager, donated the use of the tractor. A short time after another tractor loaned by the International Harvester Company for the same purpose started plowing on another section of the 55-acre tract. H. K. Cull is general manager of the International Company. The plow used by the International truck was donated by the Oliver Plows Company.

Strong Patriotic Spirit Prevails at Elks Annual Installation Exercises

Patriotic spirit prevailed last night at the annual installation banquet of Harrisburg lodge, No. 12, B. P. O. E. Past Exalted Ruler Jonas M. Rudy was toastmaster and he sounded the keynote for patriotism in his opening address. The orator of the evening was Rabbi W. H. Rosenthal, of Lancaster, who is also a prominent member of the lodge. His speech was full of patriotism and he was interrupted frequently by prolonged applause. Other speakers were James M. Carroll, exalted ruler, and W. H. Hargest, past exalted ruler. The decorations were elaborate and included flags, Elks colors, flowers, white doves and potted plants. Members of the Harrisburg Yacht Club had on their table a large floral yacht with silk flags flying from the masts. Officers in whose honor the banquet was given included: Exalted Ruler James M. Carroll, esteemed lecturing knight, Michael E. Stroup; secretary, Charles R. Weber; treasurer, Clarence H. Sigler; Tyler, Thomas Poffenberger; trustee, John E. Kelly, Joseph J. Weaver and past exalted ruler, Horace A. Segelbaum.

Gold Mining Industry Not Affected by War

Capetown, April 15.—The gold mining industry is almost the only one which has enjoyed freedom from interruption owing to the war. This is accounted for in a summary prepared by the Transvaal Chamber of commerce as due to "the national importance and the essential character of the industry both through the necessity of its products to the Imperial Government and the fact that its dislocation would create a chaotic condition of affairs in South Africa." Since the beginning of the war, South Africa has produced 100,000,000 pounds sterling in gold. Twenty per cent of the white population have voluntarily gone on active service, and the extra financial burdens imposed by the war on the gold mining industry have not amounted to more than about 1,000,000 pounds less than in 1914, although the production was 4,000,000 pounds sterling greater.

Silk Mill Girls Will Farm Land Given Them by Company; Seeds Free

Employees of the Harrisburg Silk Mill will become farmers. They will raise vegetables at small cost. This is made possible through the liberality of the Harrisburg Silk Mill Company. Announcement was made to-day by Superintendent Gustave F. Koster that applications would be received for garden plots in the morning. The company will place at the disposal of the employees a number of plots in the vicinity of the silk mill in North Second street, measuring in all about 400 square feet. In the vicinity of Eighteenth street the company has another plot of similar dimensions which will be divided among the employees. Superintendent Koster also announced that the company would distribute seeds free of charge.

Morgan Applies Through Local Office For Insurance

Announcement is made of the application of J. Pierpont Morgan to the Royal Mutual Life Insurance Company, of Des Moines, Iowa, for the company's full limit of insurance. This application comes under the local office of the company in the Union Trust Building under the management of A. C. Mead. The local office is an unusually important one, being the general offices for the eastern territory of the company, covering all States from the Ohio river from Maine to Florida. Harrisburg was selected by Mr. Mead for these offices by reason of the advantages offered by larger eastern cities for this agency. All monies collected by this department from the territory over which it has jurisdiction are deposited in Harrisburg, which in itself is a noteworthy fact.

Medical Preparedness Meeting to be Held Tonight

The public is invited to attend the medical preparedness meeting to-night at 8 o'clock in the Chestnut Street Auditorium. There will be no admission charged. The speakers include Colonel Livingston V. Rausch, Dr. Henry Page, of the Medical Reserve Corps, U. S. A., and E. Z. Gross, president of the Harrisburg Chapter of the American Red Cross. Bishop James H. Darling-ton will open the meeting with prayer. Jackson Herr Boyd will show pictures taken at the French front. Music will be furnished by Weber's Orchestra.

MOTION FOR NEW TRIAL. A motion was made to-day for a new trial in the case of George P. and Edward N. Cooper against the Commonwealth. The Coopers own the property at Short and South streets, and were awarded \$55,275 for it by a jury. The award of the Capitol Park Extension Commission was \$36,000.

THOUSANDS IN GERMAN STRIKE

Temper of Crowds, Particularly the Women, Very Bitter

Copenhagen, April 15.—The number of strikers in Berlin is placed in even the semi-official report at 125,000, and is distributed, according to the Tageblatt, through machine works, some electrical establishments and part of the munition plants. The latter statement is interesting in view of a dispatch from the Official News Bureau denying that the munition factories were affected. The Tageblatt says, however, that the great munition industry at Spandau has not been involved. Reports in all the Berlin newspapers which have arrived here agree that the demonstrators were usually orderly, although roughs resorted to occasional window breaking in the Unter Den Linden, the Friedrich and Leipziger Strassen, and other central thoroughfares. Soldiers as well as police, were used in cordons thrown about the Unter Den Linden and the Imperial Castle. Great crowds gathered in the neighborhood of the castle during the day and the temper of the crowd, particularly the women, is described as very bitter. The strikers denounced the farmers, the wholesalers and the Government in equal measure for responsibility for the food shortage. Even Socialist leaders, who opposed the strike, made it evident to the authorities that further curtailment of rations from any cause could not be borne.

POLES ON STRIKE

Copenhagen, April 15.—A strike has broken out among Polish munition workers in Warsaw, where Germany has been using Polish laborers to help to supply the eastern army. Ordinances of the German Military Governor, which are republished in a Polish paper, threaten those refusing to work with a year's imprisonment or transfer to a prison camp. The Governor declares that no releases or favors for Polish prisoners of war will be granted until the strike movement is checked.

New Discovery Ends Corn Misery-- Touch a Corn With Ice-Mint, Then Lift It Right Off--It Won't Hurt a Bit

Soreness Stops Quickly, then the Corn Shrivels and Lifts Off--Try It and See. Here is the real "Corn Killer" at last. Say good-bye to your old corn salve and plasters for that Pet Corn of yours is sure to be a "Goner" if it ever feels the Magic touch of Ice-Mint. This is a new discovery made from a Japanese product and it is certainly a wonder the way it ends corn misery. From the very second that Ice-mint touches that sore, tender corn your poor tired, aching feet will feel so cool, easy and comfortable that you will just sigh with relief. Think of it; only a little touch of that cooling, soothing Ice-mint and real foot joy is yours. No pain, not a bit of soreness, either when applying it or afterwards and it doesn't even irritate the skin. Hard corns, soft corns or corns between the toes, also toughened callouses just shrivel up and lift off so easy. It is wonderful! Just ask in any Drug Store for a little Ice-mint and give your poor, suffering, tired feet the treat of their lives. There is nothing better, or nothing just as good.

Working Under a Continual Strain? Does a Lame Back Keep You Worn Out All the Time?

MAYBE you have weak kidneys, a trouble that often follows grip, a cold, a fever, or a spell of worry, overwork or unwise habits. It shows in constant, dull, throbbing backache, or sharp twinges when stooping, lifting, getting up, or turning in bed, with headaches, dizzy spells, a tired, nervous state and irregular, abnormal kidney action. Don't neglect weak kidneys, or you run the danger of having dropsy, gravel, heart disease or Bright's disease. The kidneys are the blood filters and must work all the time to keep you in good health. Take things easier, follow regular habits, and take Doan's Kidney Pills, a remedy in use the world over, and recommended publicly in the U. S. A. by fifty thousand people. Doan's Kidney Pills are certainly worth a trial.

Here Are Several Harrisburg Cases

- Vernon Street: Wm. Wilbert, machinist, 1522 Vernon St., says: "Several years ago I was in bad shape with my kidneys. I suppose it was brought on by my work at that time, doing so much heavy lifting. My back was so weak that I could hardly do any walking and when I sat down for any length of time, I could hardly straighten. There was also a dull, constant ache through the small of my back and often, sharp, shooting pains. Doan's Kidney Pills helped me and I continued using them until cured. I have never been bothered that way since."
- S. Twenty-Third Street: Mrs. C. M. Sparrow, 920 S. Twenty-third St., says: "Whenever I have had any trouble with my kidneys, such as backaches, headaches, dizzy spells or the kidney secretions passing too frequently, I have used Doan's Kidney Pills and they have always rid me of the complaint. Others of the family have also used Doan's Kidney Pills with great satisfaction."
- N. Fifth Street: I. Alfred Lewis, retired railroad engineer, 1714 N. Fifth St., says: "When I was on the road I was bothered a great deal at times by my kidneys. Whenever I had one of those attacks, Doan's Kidney Pills soon relieved me. The boy's statement was given August 28, 1914, and on January 26, 1916, Mr. Lewis added: 'I haven't had occasion to use Doan's Kidney Pills since I gave my former statement, recommending them. I can add that the benefit they brought is lasting.'"
- N. Front Street: Mrs. H. A. Kell, 216 N. Front St., says: "I suffered from kidney complaint about six years ago. It affected my back mostly. My back was sore and weak and there was a dull, constant ache in the small of it. Bending or lifting was very hard. I finally got Doan's Kidney Pills of J. Nelson Clark's Drug Store and soon the pains began to ease. I continued until cured and I have not had any symptoms of the trouble since."
- Peffer Street: Mrs. Harry Rollin, 642 Peffer St., Harrisburg, says: "Several years ago I was troubled considerably by my back and kidneys. My back ached constantly across my kidneys and when I got up in the morning, I was so weak and sore that I could hardly get around. I was in constant misery. My kidneys were irregular in action and I felt drowsy and languid. The doctor's medicine didn't help me and as he said it would be well for me to try Doan's Kidney Pills, I got a box. The first box helped me and I continued using them until they cured me."
