ASTHMA

Simple Harmless Remedy Brings Quick Relief. Makes Breathing Easy

Many cases of immediate relief and rapid recovery from Bronchial Asthma of long standing are being credited to a discovery made by Dr. Eugene Howard of Worcester. Mass. Dr. Howard's prescription is called Oxidaze and comes in the form of a tablet which the patient allows to dissolve slowly in the mouth. Its curative, healing juices thus mingle with the saliva and open up the air passages and regulate the spasmodic lung action. These tablets, though pleasant to the taste, are so powerful and rapid that many users who for years were obliged to sit up in bed gasping for breath and unable to sleep report that they now put a single Oxidaze tablet in their mouth when going to bed and can then lie down and breathe easily and naturally and get a good night's restful sleep, George A. Gorgas and many other local druggists, handle Oxidaze tablets on the positive tuarantee of money back if it does not have immediate relief.—Adv

To the Voters of Harrisburg:-

One School Director's vote tomorrow afternoon may decide the spending of a million and a quarter dollars of your money.

One vote may decide whether the promises are to be kept which weremade to you as to the expenditure of the School Loan upon the same basis as the loans for filtration, sewerage, parks, paving, etc.

The Special Committee unanimously constituted by the School Board has made its recommendation, selecting for Harrisburg an architect whose r's orchestra played, and patriotic buildings in Dallas, Washington, Gary, airs were sung.

A plea for support of the local chapter and for new members was made by Commissioner E. Z. Gross. Bishop clitties are pronounced superior in fabry Commissioner E. Z. Gross. "Tanlac is the real goods," says Milton J. Reed, a munition worker employed ine one of the Steelton, Pa., plants, "for it sure did fix me up in great shape.

"I was all busted up from indigestion and chronic headache that nothing seemed to relieve. Nothing I ate seemed to agree with me, and I would get all bloated up with gas and would have sharp pains in my stomach.

"Everything tasted alike and I was just about all in when one of the fellows at the shop told me about Tanlac and praised it so highly that I decided to try it.

"It worked almost like magic for I began to feel better right from the first. Soon my head stopped aching, the gas left my stomach, my appetite came back and now I can eat and enjoy anything and I feel just great."

Tanlac, the famous reconstructive tonic, is now being introduced here at Gorgas' Drug Store, where the Tanlac man is meeting with the people and explaining the merits of this master medicine.—Adv.
