

FARMS OFFERED TO FATHER PENN

State Officials in a Quandry About What to Do Concerning the Properties

Dozens of farms in widely separated parts of the State have been offered to the State Department of Agriculture for the use of the State and the nation in the last three weeks, and if the present rate of offers keeps up there will be hundreds of farms listed and the officials of Pennsylvania will have all kinds of propositions on their hands.

facilities and at points where men can be moved quickly. The organization of the Reserve would not take place until after the National Guard had been taken into federal service. Giving Boys Credit. — Notices are being sent throughout the State by the State Board of Education authorities calling attention to the resolution adopted a few days ago whereby teachers and directors were instructed to arrange that boys who went to work on farms and engaged in movements for increase of the food supply should be given credit. In a number of instances word has been received that the farmers of rural school districts were willing to pay good wages for the services of the boys and that if they did not obtain help there would be a short supply.

SCHOOL PAGEANT IS GREAT SUCCESS

Local Talent Gives Good Demonstration of Training in High School

Nearly 1,000 people last night witnessed "The Pageant of History," presented by 175 students of the high school. The play will be repeated to-night and almost all the seats on sale at Max Frum's jewelry store in Front street, have been disposed of. Under the direction of Prof. W. M. HOW FAT FOLKS MAY BECOME SLIM

BE MODERATE IN YOUR DIET BREATHE DEEPLY, TRY OIL OF KOREAN. Fat persons, particularly those from ten to sixty pounds above normal weight, will be interested to learn that they may easily reduced their weight without starvation diet or tiresome exercise. If you are overweight, you are daily drawing on your reserve strength and are constantly lowering your vitality by carrying this excess burden. Don't jeopardize your health or be a laughing stock any longer. Spend as much time as you can in the open air, practice deep breathing and get from any good druggist a box of oil of Korean capsules; take one after each meal and one before retiring at night. Also follow the simple directions that come with the box. Surprising reports of weight reduction come in—even after just a few days' treatment. With proper reduction the flesh becomes firm, the skin smooth and the general health improved. In fact, work seems easier and a lighter, more buoyant feeling takes possession of the whole being. It is a fine sensation—that of looking and feeling young, supple, cheerful, active, alert and magnetic. Oil of Korean is absolutely harmless and is pleasant to take. If you want to reduce ten to sixty pounds you should give this treatment a trial. You will probably find it is just what you need. Start the road to longer life and happiness to-day.

GOODRICH TUBES FEEL STRONGER ARE STRONGER TAKE a Goodrich Brown Tube in your fingers, and you feel the instant you grip it WHY it outlasts and outperforms all other tubes. The very texture of the rubber tells you of its superiority. It is thicker, tougher, yet springy as a big rubber band. It is another product of Goodrich's ripe experience in rubber compounding. Goodrich Brown Tubes cost a few cents more than ordinary tubes, but you can not afford to be penny-wise in buying tubes. Goodrich, however, has an excellent tube of lower price—THE GRAY TUBE. A tire is no better than the tube inside it, and the better your tire the better you should treat it in the matter of tubes. A Goodrich Brown Tube in a Goodrich tire is double insurance against tire trouble. The B. F. Goodrich Rubber Co. AKRON, OHIO. Makers of the Famous Silvertown Cord and Black Safety Tread Tires. Willys-Overland Motor Cars Balanced Greatness Big Four \$850 Light Six \$985 The Overland Big Four—again improved and refined—is the car that built Overland. This car for nine years has undergone steady development and refinement with the help and advice of an army of owners which now totals over three hundred thousand. It should be, and we believe is, especially notable for its balanced greatness. The unprecedented accumulated experience in building this type of car has taught us true balance as nothing else could—the value of right weight—the right ratio of power to weight—the true tire, gasoline and oil economy—the utmost attainable riding comfort—the lines that truly express refinement and beauty. It is produced under conditions which permit remarkable economies of administration, manufacture and distribution. It should be, and we believe is, better value than any car of similar specifications. The price is \$850 until May 1st—thereafter \$895. The Light Six is the same model with changes conforming to approved six-cylinder construction and is likewise an excess value car at the price, \$985 until May 1st—thereafter \$1025. These cars represent a safe purchase at a very considerable saving on a basis of comparative values. Our April deliveries are limited. The Overland Harrisburg Co. Open Evenings 212 NORTH SECOND ST.
