

WAR FUND BILL IS TO COME UP

Senate Will Consider Creation of Commission of Public Safety and Defense

In the senate to-night the War Fund Bill, creating a Commission of Public Safety and Defense, to be composed of the Governor, Lieutenant Governor, Auditor General, State Treasurer, Adjutant General, the latter three composing the military part of the commission, and W. W. Atterbury, M. T. Stotesbury and Andrew W. Mellon, and appropriating \$2,000,000 to carry out the purposes of the commission, will be considered on second reading. In spite of the wish of Governor Brumbaugh that the Auditor General be eliminated from the proposed membership it is not unlikely the bill as now framed will be passed to third reading and for final consideration, as far as the senate is concerned tomorrow. This bill, offered by Senator Buchanan, chairman of the appropriations committee, is regarded as the most important legislation before the assembly. Besides the title it occupies thirty-three lines on the calendar. Its purpose is to aid the government in protecting and defending the people and property in the present war crisis between the United States and Germany.

duties to a Commissioner of Amusements under the supervision of the Auditor General's Department. The Campbell house bill, aimed against the sale of narcotic drugs, is on the second reading calendar in the Senate. On the first reading calendar is the Vore joint resolution proposing an amendment to the Constitution providing for the consolidation of the Common Pleas courts of Philadelphia; the Snyder bill making it unlawful for any non-resident of the State to be appointed to a position in the employ of the Commonwealth; making it a misdemeanor for any parent to neglect a child born out of wedlock, also making it a misdemeanor for any parent to give false evidence regarding the parentage of the child. Quite a number of house bills appear for the first time on the Senate calendar and there is plenty of work ahead for the upper branch.

Ground Broken For Six New Stone Houses

Ground has been broken in Second street, just south of Seneca street for the erection of six stone houses by C. L. Long. The houses will be of a distinctive type of English architecture, new to Harrisburg, and will be constructed of stone from the ground to the roof. One of the features of the new buildings will be glass enclosed front porches. Hardwood floors on the first and second floors, open fireplaces, and tiled bathroom on second floor with marble shower connected, are some of the many modern features of the new homes. Each house will contain nine rooms and two baths. The houses will be erected singly, with 20 feet of ground between on large lots with garage privileges. Work will be expedited in every way possible looking toward the completion of the buildings about October 1.

MRS. HARRY LUKENBILL DIES Hummelstown, Pa., April 22. Mrs. Harry Lukenbill, aged 64, died here Friday. She is survived by her husband, three sons and one daughter. Funeral services will be held on Wednesday morning at 10 o'clock at the home in West Main street. Later services will be held at Henry's Church, where burial will be made.

HERE IS ONE THING THAT IS ABSOLUTELY IMPOSSIBLE.

Rheumatism Has Never Been Cured by Liniments or Lotions, and Never Will Be. You never knew of Rheumatism—that most painful source of suffering—being cured by liniments, lotions or other external applications. And you will never see anything but temporary relief afforded by such makeshifts. But why be satisfied with temporary relief from the pangs of pain which are sure to return with increased severity, when there is permanent relief within your reach? Science has proven that Rheumatism is a disordered condition of the blood. How then, can satisfactory results be expected from any treatment that does not reach the blood, the seat of the trouble, and rid the system of the cause of the disease? S. S. S. is one blood remedy that has for more than fifty years been giving relief to even the most aggravated and stubborn cases of Rheumatism. It cleanses and purifies the blood by routing out all traces of the disease. The experience of others who have taken S. S. S. will convince you that it will promptly reach your case. You can obtain this valuable remedy at any drug store. A valuable book on Rheumatism and its treatment, together with expert medical advice about your own individual case, will be sent absolutely free. To Our Patrons:

Owing to the advance in the price of flour and other baking materials we with reluctance make the announcement that it will be necessary for us to increase the price of bread. Beginning Monday morning, April 23d, the bread selling heretofore at 5c per loaf will be increased to 6c per loaf retail. For the time being it will be our purpose to retain the present selling price for the larger loaf of bread, namely 10c per loaf retail. Thanking you for past favors and soliciting a continuance of same. Signed HARRISBURG BAKING COMPANY

SWIFT AND CO. RAISE FLAG

Employees of Swift and Company, North and Seventh streets, raised a large American flag with appropriate exercises at the plant Saturday afternoon. The Millersburg band furnished music for the occasion. The Rev. Jay C. Forncrook, pastor of the Penbrook Church of God made a fitting oration. The flag was bought by popular subscription by the employees.

TEN YEARS TO RECRUIT ARMY

At Present Rate It Will Take Long Time to Enlist Forces to War Strength

"At the present rate of recruiting it will take from five to ten years to enlist the United States army and the National Guard up to war strength and the young men of the country had better awaken to the fact that they will be drafted; and that they better have an understanding with Uncle Sam at once, if they don't want to be drafted," said Captain William F. Harrell, in charge of the Harrisburg district for army recruiting with offices in the Strouse building, this morning. Captain Harrell received a communication from the Adjutant General of the army stating that all recruiting districts in the United States would be required to double their quota, or enlist two men out of every thousand. They will also be required to get this number of men within thirty days after the war bill, which is before Congress at present, is passed. Recruiting has fallen off here during the last few days. The navy recruiting office broke all records for enlistments, not a single applicant being received at the office last week.

GUARDSMEN ARE "HARDENING UP"

Getting Ready For Active Service by Working at Mt. Gretna Camp Site

National Guardsmen from Central Pennsylvania counties are getting ready for active service by working at the Mt. Gretna camp site which is being put into shape for mobilization of the National Guard and as a training camp for volunteers. The National Guard officers and men are being speeded up and in addition permanent roads are being constructed and water lines extended. To-day men connected with various units of the Eighth infantry left for the camp as individuals to work on the roads. In some cases they were accompanied by their officers, but they did not go as members of the Guard. One squad was made up of men from the machine gun company of the Eighth, including men living in Harrisburg, Lemoyne, New Cumberland and Mechanicsburg. Men from places in Lancaster, Lebanon and York counties are taking advantage of the chance to "harden up" for active service by working at the camp site. To-day the men were going to work on their own initiative and that no orders relative to work at the camp had been issued. The spirit of the men was highly praised and it was declared that when the call for active service came, which will be soon, they would be in fine physical trim.

DAUPHIN SOARING HIGH

[Continued From First Page] nothing to look forward to but an increase in price and a coal famine equivalent to the one in 1902 again. During the month of April virtually no coal has been received in this city and it is a question whether any will be received for another month. When asked what was the reason for the shortage, he said, "The nation produced more coal last year than it has before and coal is still consumed more. The same consumption demand is again being made this year and the operators are not able to get out the coal owing to the fact that many miners have accepted positions with munition factories, leaving the operators short of labor. The shortage of cars to ship the product also is a big factor in the situation."

Nervous Breakdown

Stamford, Conn., Nurse Tells How She Found Health "I am a nurse and suffered from a nervous breakdown for a long time. I had no sleep at night, and nothing seemed to help me. By chance I heard of Vinol, and after taking the first bottle I had an improvement, and four bottles made me well and strong, it gave me a hearty appetite, and I can sleep soundly night or day. I consider it a wonderful tonic." Edith R. Forbes, Stamford, Conn. The reason Vinol is so successful in overcoming such conditions is because it is a constitutional remedy and goes to the seat of the trouble. It is the greatest strength creator we know—due to the beef and cod liver peptides, iron and manganese peptides and glycerophosphates which it contains, all dissolved in a pure medicinal wine. We have seen so many wonderful recoveries like this right here in Harrisburg caused by Vinol, that we feel perfectly safe in offering to return money in any such case where Vinol fails to benefit. George A. Gargas, druggist, Kennedy's Medicine Store, 321 Market St., C. F. Kramer, Third and Broad Sts., Kitzmiller's Pharmacy, 1225 Derry St., Harrisburg. Want Pink Cheeks—Red Lips?

Some unfortunate men and women are prone to wonder why some of their friends are blessed with an abundance of color—pink cheeks and red lips—while theirs are always colorless. The reason for this last named condition is—there is not enough red blood corpuscles in the blood—under a microscope the blood is thin and watery. The flesh is flabby the regular administration for several months of three grain hypo-nuciate tablets will greatly improve the color, add to the weight, make the cheeks pink and the lips red and in general be very beneficial. For self-administration, obtain from any of the best apothecary shops—Adv.

ITALIAN TRACKMEN UNFURL FLAG AS FOREIGN PUPILS SING U. S. SONGS

Subdivision No. 4, P. R. R. trackmen, raised the American flag at their tool house at Uorh street and Pennsylvania Railroad yards. This large beautiful flag was purchased by nine Italian workmen who are in charge of Foreman H. H. Harro, of 1505 Wallace street. The flag was borne to the yards at North street by six girls, all of foreign birth, from the Penn school building, followed by the 300 pupils of the Penn building, accompanied by their teachers. The men of the yards were grouped on one side of the pole, the pupils on the other. The exercises were opened by the singing of "America" by the children, followed by the "Battle Hymn of the Republic." Little Grace Harro, of the fifth grade, then pulled the rope which raised Old Glory to the top of the pole. All the pupils saluted the flag and sang the "Star Spangled Banner." W. H. Jacobs, supervisor of schools, gave a brief but splendid address, on loyalty to the flag and loyalty to our country. The pupils followed with "Columbia, The Gem of the Ocean."

POLICE PLEASSED WITH RECORD

The local police department is pleased this morning that despite the thousands who crowded the street during the parade on Saturday not a single theft was reported. The detectives picked up five suspicious characters on Saturday morning before the crowds started to assemble. Despite their pleas of innocence they were held until the 9:30 train and forced to leave the city. It is known that a number of their pals who had been seen earlier in the day left the city immediately after the arrest of their friends.

GIVEN HEARING

George Fetrow, 1717 Hunter street, arrested Saturday by Detective George Shuter was given a hearing in police court this afternoon charged with the theft of a motor cycle by Lester Kauffman, 20 North Nineteenth street. According to Kauffman's testimony Fetrow was given the machine to return to Heavy Brothers Sporting Goods Store, but failed to do so.

RECOVER AUTO IN MASS.

An automobile stolen from Mrs. Anna Gross, 1500 Market street, on the night of April 19, has been recovered at Westfield, Mass. Frank Nelson, the man who is charged with the theft, was held in Westfield until he can be brought to this city.

Dives, Pomeroy & Stewart Now Is the Time to Buy Table Linens From Our Stock of Well Selected Imported Grades

With the world war entering its most titanic phases the demand for linens is growing greater and faster than the fields can produce the flax; and, consequently, the supply for table uses is becoming more scarce every day. Greater demands than ever before are now being made on the linen industry, from one foreign government alone an order for 8,000,000 yards of aeroplane cloth has been given. We've been carefully strengthening our linen stocks for more than a year and a half, so that to-day, we believe, we have more complete lines than you can find in any other store in this section of the State. Prices are reasonably moderate and in the face of higher prices sure to come we consider them marvelously low.
