DON'T NEGLECT KIDNEYS

Swamp-Root, Dr. Kilmor's Prescription, Overcomes Kidney Trouble.

It is now conceded by physicians that the kidneys should have more attention as they control the other organs to a remarkable degree and do a tremendous work in removing the poisons and waste matter from the system by filtering the blood.

The kidneys should receive some assistance when needed. We take less exercise, drink less water and often eat more rich, heavy food, which is hard on the kidneys to do more work than nature intended. Evidence of kidney trouble, such as lame back, annoying bladder troubles, smarting or itching, bright or sediment, sallow complexion, rheumatism, may be weak or irregular heart action, warns you that your kidneys require help immediately to avoid more serious trouble.

An ideal herbal compound that has had most remarkable success as a kidney and bladder remedy is Dr. Kilmor's Swamp-Root. There is nothing else like it. It is Dr. Kilmor's prescription used in private practice and is here to benefit you. Get a bottle from your druggist.

However, if you wish first to test this great preparation send five cents to Dr. Kilmor, Co., Birmingham, N. Y., for a sample bottle. When writing be sure and mention the Harrisburg Daily Telegraph.

IT'S YOUR KIDNEYS

You have swollen feet and hands? Stiff, aching joints? Sharp-shooting, rheumatic pains? You have aching back, pain in the lower abdomen, difficulty when urinating? Look out! These are danger signals. Trouble in the kidneys may be a sign of acid poisoning, in one form or another, has led to many deaths. It is not a fatal disease if not checked. Get some GOLD MEDAL Harlem Oil Capsules, used all over the world for centuries, combining natural healing oil and herbs well-known to physicians and used by thousands in their daily practice. The Capsules are not an experimental, more-or-less "patent medicine" or "salt" whose effect is only temporary. They are a gentle, natural remedy, and act naturally, gently and quickly. But when you go to the druggist, insist on the genuine, the original Harlem Oil in Capsules. Be sure the name GOLD MEDAL is on the box and this protect yourself against counterfeiters.—Advertisement.

How To Have Red Lips!

The girl with red lips and pink cheeks may be the envy of her friends. Her health is vigorous, her nerves are healthy, and she is full of life. It is possible for some women to have a morbid state of health, yet a vast majority of women are almost well because of a lack of red blood corpuscles. When the blood is improved, and enriched with these red corpuscles, the weight increases and a beautiful complexion results. While the lips assume a healthy red color. Many physicians and beauty experts prescribe the three-grain hypodermic tablets which are said to invariably increase the red blood corpuscles after a course of treatment lasting several months. The nervous system and general health is improved rapidly. The best physicians and apothecary shops supply this tablet in sealed packages.—Advertisement.

Miller's Antiseptic Oil Known as Snake Oil

Accomplishing Most Wonderful Results

I want to thank you for your wonderful oil, states Mr. J. C. Gibson, of Jonesboro, Ark. My little girl was very low with diphtheria and had given her two doses of medicine, which cost me \$25, with no results. I bought a 25c bottle of your snake oil and one application relieved her. Now she is well. It is the greatest remedy I have known of.

Miss Florence McGeary, 254 Whiting street, Hartford, Ct. writes: I have used your Antiseptic Oil for neuralgia with good effects. Only three applications have ever stopped the pain immediately. Mrs. Williams, Camden, Ala., writes: I have used your Snake Oil for rheumatism, stiff joints, also for sore throat and I want to say that it is the greatest remedy I ever tried. I cured myself to all sufferers. Many cures reported daily. Thousands of grateful users of this wonderful oil. Every bottle guaranteed, 25c, 50c and \$1.00 a bottle. Geo. A. Cocoon Oil Fine For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain purified coconut oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage. You can get rich, creamy coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.—Advt.
