Flower and Garden Seeds

that grow for your pleasure and profit

That spare space back of the house just invites digging up and receiving some garden seeds - lettuce, radishes, corn, turnips, parsnips, beets, onions, tomatoes, peppers and similar table vegetables.

A slight first cost, and but little attention will give you a garden that will pay a remarkable profit, and greatly reduce your table expenses.

Also here and there all over the yard you will find spots that need flowers. The most attractive yard can be made prettier by a few easily raised flowers and for both vegeflowers we urge you to get your seed now it's time to get busy right away .

Pakro Seed Tape

A new and better way to plant seeds — the seeds spaced the proper distance apart, which saves waste and insures better and more practical results.

Pakro Seed Tape comes in thirty varieties of vegetables and eighteen varieties of flowers.

Directions for cultivation on each box, box, 10e D. M. Ferry & Co.'s Vegetable and Flower Seeds, packet,
