

C. E. CONVENTION

Marietta, Pa., April 24.—To-day the annual convention of the York County Christian Endeavor Societies was held in the Spring Grove Reformed Church. State Secretary H. B. Macarty, of Pittsburgh, and State Junior Superintendent C. C. Kulp, of Gettysburg, were among the speakers. One of the chief topics discussed was preparedness. The song service in the evening was chiefly national airs. H. L. Breneman, of New Salem, was elected president.

LANCASTER COUNTY DEATHS

Marietta, Pa., April 26.—John H. Linner, aged 82, died Tuesday night near Manor, after a long illness. He was for many years the supervisor of the district and held other offices of trust. He was a member of the Monocline church. One son and two daughters survive.
Mrs. Henrietta Miller, of Strasburg, died at her home Tuesday night from pneumonia, aged 55 years. Five sons, four daughters and a number of grandchildren survive.

Students to Take Part in Philadelphia Meet

Members of the high school track team accompanied by Prof. C. S. Davis and Thomas C. Gaffney, coach will leave to-morrow evening at 6:52 o'clock for Philadelphia, to participate in the University of Pennsylvania Carnival track meet Saturday afternoon. The squad will include Jacob Barber, Harry Wuenschinski, Roscoe Ziegler, Harry Dayhoff and Edward Miner. These students will compete in the one mile relay race. This is the seventeenth year Steelton has sent men to this meet.

TO INSTALL REV. RUPP FIRST REFORMED PASTOR

The Rev. H. H. Rupp will be installed as pastor of the First Reformed Church, with special services, to-night. The Rev. Robert A. Bausch, of Hummelstown, will preach the installation sermon. The Rev. Homer S. May and the Rev. George A. Hartman will have charge of the installation.

HARRISBURG COUPLE WEDS

Franklin Silas Miller and Miss Clara Elizabeth Shaffer, both of Harrisburg, were married at the residence of St. John's Lutheran Church last evening at 7 o'clock, by the Rev. George N. Laufer.

How to Relieve Catarrhal Deafness or Head Noises

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and causes catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parmitin (Double strength). This will cost you about 75c. Take this home and add to it 1 pint of hot water and 4 ounces of granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises and sickness gradually disappear under the tonic action of this treatment. Loss of smell, taste, defective hearing and mucous dripping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficient treatment if nearly a year per cent. of all ear troubles are caused by catarrh, there must be many people who are hearing may be restored by this simple home treatment.—Advertisement.

NEWS OF STEELTON

START NEW RED CROSS DRIVE TO DISperse STEEL ORDERS

Work in New Section of the Town Expected to Bring Good Results

With the forty-six new members enrolled by the Steelton Branch of the Red Cross Society yesterday, the membership now totals 652. Many lodges have responded to circular letters sent out this week.

A fresh drive in another section of the town was started this morning and today's results are expected to be the highest number this week.

Reports were made yesterday that many new members are being secured in the Steel works. High School students will repeat the Pageant of History for the benefit of the society in the High School auditorium next Tuesday evening.

The following list of new members was announced for publication by Mrs. W. H. Nell today: Mrs. James Coleman, Mrs. W. P. Funk, Mrs. C. E. McKernot, Mrs. F. J. Lipp, Mrs. J. H. Gerdes, Mrs. J. E. Gerdes, Master J. H. Gerdes, Jr., Mrs. James L. Dickison, Dr. C. R. Miller, Master David Traver, Mrs. Nina Gertrude V. Brandt, Lawrence Brant, Kirk Shelley, William R. Snyder, Mrs. Kirk Shelley, Paul J. Kirby, Jack Melosiewic, Robert M. Hutchinson, Mrs. A. L. Houdeshel, Edgar C. Houdeshel, Mrs. L. Trawitz, Mrs. E. Malehorn, Mrs. H. B. Shires, Mrs. J. T. Holbert, Mrs. J. C. Reed, Mrs. William R. Lewis, Mrs. W. J. Shriver, Mrs. C. E. Powden, Mrs. J. A. Wagenbach, Mrs. Mary E. Morris, Miss Eva Lingie, Joseph Hursh, James Creighton, Joseph Mahlen, P. R. Nowling, E. W. Morgan, T. S. Mills, J. T. Cunningham, Charles M. Harris, Paxton Roberts, Dr. William P. Dailey, Miss Helen J. Dailey, Harry C. Geukes, Washington Camp No. 102, P. O. S. of A.

HIGH SCHOOL BOYS MEET

Boys of the High School met last night to decide on which days in the week would be suitable for holding the military training instructions. No days were set aside definitely last night. Action on the time is expected to be taken early next week.

MUCH PLEASSED

New York, April 26.—"Thank Heaven some Americans have begun to hit back! We have been at the receiving end of the war that Germany has been waging against us for altogether too long."
Colonel Roosevelt was speaking in his home at Sagamore Hill—a flushed, happy Colonel whose voice held the ring of pride as he talked of the gun crew of the *Monitor*, and the work they did with the rifle they had named after him.

ROOSEVELT SPEAKING

Colonel Roosevelt was speaking in his home at Sagamore Hill—a flushed, happy Colonel whose voice held the ring of pride as he talked of the gun crew of the *Monitor*, and the work they did with the rifle they had named after him.

LITERARY MEETING

A meeting of the Central Grammar School Literary Society will be held in the High School Auditorium to-morrow afternoon at 1:30 o'clock. An interesting program will be presented.

MIDDLETOWN

The funeral of John Lutz, Sr., was held from his home yesterday afternoon at 2 o'clock, and was largely attended. Triune Lodge No. 307, I. O. O. F., attended the body. The pallbearers were W. S. Sides, Warren Schriener, Harry Fenical, John Hipple, E. L. Croll and M. G. Witman. The Rev. Peter Bergstrom officiated. Burial was made in the Middletown cemetery.

Harry Keim, of Philadelphia, spent yesterday afternoon attending the funeral of John Lutz.

Mrs. Leonard Kope, who visited in town for the past several days, returned to her home at New Castle.

Mr. and Mrs. William Martin left for their new home at Nova Scotia.

Ethel Welsh is ill at the home of her parents, Mr. and Mrs. Fred Welsh, in Spring street.

Mrs. Karl Bowers, who visited in town for the past three weeks, returned to her home at Philadelphia, yesterday.

The Belgian relief fund in town has reached \$49 to date.

The Middletown Furniture Company was closed down yesterday afternoon on account of the funeral of John Lutz, who had been employed there for nearly 40 years.

Mrs. Annie Mumma, of Lebanon, is visiting in town.

Several members of Washington Camp No. 272, P. O. S. of A., will go to Enghant this evening, where a class is being taken in by the camp.

Mrs. Maggie Palmer is ill at the home of her daughter.

Miss Kathryn Rank, daughter of Mr. and Mrs. W. J. Rank, Ann street, and Harry C. Pugliese, of town, were married at the Mt. Mary's Catholic Church yesterday morning at 8 o'clock, by Father J. Foin. A wedding reception was held at the home of the bride's parents last evening.

The regular monthly meeting of the Choral Society was held in the Liberty Fire Company House last evening.

The Middletown Tennis Club will meet in the Liberty Fire Company House this evening. They are having their courts put in shape at the fair grounds.

OBERLIN

Mrs. May Keys, of Orange, N. J., and Mrs. Lizzie Harris, of Dunsmar, visited Mrs. Vera Smith.

Mr. and Mrs. John Reed were summoned to Hershey, where Mrs. Reed's mother is ill.

Mr. and Mrs. John Bennett visited friends at Mechanicsburg.

Prof. Faber Stengele and his parents, motored to York, where they visited Mrs. John Vetter.

Miss Grace Grove, music teacher in the high school, has organized a glee club which will sing at the annual commencement in Europe and America. Unlike the older, more formal products it is easily assimilated, does not injure the stomach, make them black, nor upset the stomach; on the contrary, it is a most potent remedy in nearly all forms of indigestion as well as for nervous run-down conditions. The manufacturer of cases is not a patent medicine of any character that they cannot take any or much more of Nuxated Iron, and increase their strength 100 per cent. or more in four weeks' time, provided they have no serious organic trouble, also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is obtainable in this city by Croll Kellar & G. Gorgas, J. Nelson Clark and all good druggists.

WAR'S FIRST SHOT SINKS SUBMARINE

Enemy U-Boat Sent to Bottom When About to Attack U. S. Ship

London, April 26.—Seven days ago off the English coast, the liner *Monogolia*, eastbound fired the first American shot in the war with Germany, and instantly sank a hostile U-boat. This happened at 5:24 a. m., April 19, on the 142d anniversary of the Battle of Lexington.

The American steamship *Monogolia* was approaching the southeastern coast of England. It was a hazy morning. Captain Itie, who had not taken off his clothes for five days, had just stepped out of the chart-room with Naval Gunner Lieutenant Bruce Ware, U. S. N. This is the way Captain Rice tells what happened:

"We suddenly heard an exclamation from the chief officer: 'There's a submarine off the port bow.' Immediately we rushed for the bridge, where we had spent most of the voyage, and practically simultaneously we saw a submarine periscope on the port side, about 200 yards away."

"I can't praise highly enough the cool, easy way Lieutenant Bruce Ware handled his gun crew. It was about the best exhibition of efficiency I have ever seen. There was no guesswork about that shot—just a case of applied mathematics. Lieutenant Bruce knew before the shell struck that it would reach home, for he had computed the speed at which we were traveling and our direction with the speed and direction of the submarine. In the two minutes that elapsed from the moment we first saw the enemy the lieutenant had or to maneuver into a better position for torpedoing, I can't say. At any rate we followed her around, watching the swirling wave caused by her motion, as the periscope disappeared.

"Then she came up, expecting to be able to attack us from the port side. But we were going full speed ahead, and in the two minutes before she emerged we had put here a thousand yards back of us. The stern gun was trained full on her, and almost the instant she reappeared Lieutenant Bruce gave the range order and then—'Fire!'"

"We saw the six-inch shell hit the water clean and fair on the periscope. Shell and submarine disappeared. There was an explosion, of course, and for some minutes the surrounding area was covered with smoke. We didn't fire again.

"I shot the hull of the periscope. 'Naturally, there isn't any actual legal proof that we got the U-boat, as we didn't recover any wreckage or bodies, but there was the tell-tale oil on the water. I believe we either hit the periscope directly or struck the hull almost at the water level.'" "Fire!"

"Only about three feet of the periscope showed, but I realized instantaneously she had only to fire once to blow up sky-high, with our 600 feet of target exposed. Automatically I

Named Gun For Roosevelt

"Our guns forward were named the George and Martha Washington and the one aft, which scored the hit, had been christened *Teddy Roosevelt*—so *Teddy* fired the first shot of the war after all.

"Just before we saw the submarine we had been taking soundings, as we were getting into shadow water. I think she was probably lying on the bottom and propped up when she heard our prodders. I can assure you we didn't linger to reconnoiter the spot. We steamed away full speed, sending a wireless meanwhile that a submarine had been seen. I imagine there might have been another of those U-boats in that neighborhood."

Captain Rice smiled reminiscingly as he finished his story, adding: "Ant back home in Allston, Mass., where I come from, the folks were celebrating the anniversary of the Battle of Lexington."

"Anaemia--Lack of Iron--Is Greatest Curse To Health and Beauty of American Women"

Says Dr. Ferdinand King, New York Physician and Medical Author

Any Women Who Tires Easily, is Nervous or Irritable, or Looks Pale, Haggard and Worn, Should Have Her Blood Examined for Iron Deficiency.

Administration of Nuxated Iron Will Increase the Strength and Endurance of Weak, Nervous, Careworn Women 100 Per Cent. in Two Weeks' Time in Many Instances.

THE CHILD'S APPEAL

Mother, why don't you take NUXATED IRON and be strong and well and have nice rosy cheeks instead of being so nervous and irritable all the time and looking so haggard and old—The doctor gave some to Susie Smith's mother and she was worse off than you are and now she looks just fine

"There can be no healthy, beautiful, rosy cheeked woman without iron," says Dr. Ferdinand King, a New York Physician and Medical Author. "In my recent talks to physicians on the grave and serious consequences of iron deficiency in the blood of American women, I have strongly emphasized the fact that doctors should prescribe more organic iron—Nuxated Iron—for their nervous, rundown, weak, haggard-looking women patients. Pallor means anaemia. The skin of an anaemic woman is pale, the flesh flabby. The muscles lack tone, the brain fails and the memory fails, and then they become weak, nervous, irritable, despondent and melancholy. The iron goes from the blood of women like the roses go from their cheeks."

"In the most common foods of America, the starches, sugars, table syrups, candies, polished rice, white bread, soda crackers, biscuits, macaroni, spaghetti, tapioca, sago, farina, degenerated cornmeal no longer is iron to be found. The mining process have removed the iron of Mother Earth from these impoverished foods, and silly methods of home cooking, by throwing down the waste pipe, the waters in which our vegetables are cooked are responsible for another grave iron loss."

"Therefore if you wish to preserve your youthful vim and vigor to a ripe old age, you must supply the iron deficiency in your food by using some form of organic iron, just as you would salt when your food has not enough salt."

"As I have said a hundred times over organic iron is the greatest of all strength builders. If people would only take Nuxated Iron when they feel weak or rundown, instead of doing themselves with habit forming drugs, stimu-

You can tell the women with plenty of iron in their blood—beautiful healthy rosy cheeked women full of Life, Vim and Vitality

vere aggravated conditions with un-derstand the simple reason he knew the secret of great strength and endurance and filled his blood with iron before he went into the arena while many another has gone down in inglorious defeat, simply for the lack of iron."

Dr. Schuyler C. Jacques, Visiting Surgeon of St. Elizabeth's Hospital, New York City, said "I have never before given out any medical information or advice for publication, as I ordinarily do not believe in it. But so many American women suffer from iron deficiency with its attendant ill-physical weakness, nervous, irritability, melancholy, indigestion, flabby, sagging muscles, etc., etc.—and in consequence of their weakened, run-down condition they are liable to contract serious and even fatal diseases, that I deem it my duty to advise all such to take Nuxated Iron. I have taken it myself and given it to my patients with most surprising and satisfactory results. And those who wish quickly to in-crease their strength, power and endurance will find it most remarkable and wonderfully effective remedy."

NOTE—Nuxated Iron which is prescribed and recommended above by physicians in such a great variety of cases is not a patent medicine or a secret remedy, but one which is well known to druggists and whose iron constituents are widely prescribed by eminent physicians in both Europe and America. Unlike the older, more formal products it is easily assimilated, does not injure the stomach, make them black, nor upset the stomach; on the contrary, it is a most potent remedy in nearly all forms of indigestion as well as for nervous run-down conditions. The manufacturer of cases is not a patent medicine of any character that they cannot take any or much more of Nuxated Iron, and increase their strength 100 per cent. or more in four weeks' time, provided they have no serious organic trouble, also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is obtainable in this city by Croll Kellar & G. Gorgas, J. Nelson Clark and all good druggists.

Dr. Ferdinand King, New York Physician and Medical Author, tells physicians that they should prescribe more organic iron—Nuxated Iron—for their patients—Says anaemia—iron deficiency—is the greatest curse to the health, strength, vitality and beauty of the modern American Woman.—Sounds warning against use of metallic iron which may injure the teeth, corrode the stomach and do far more harm than good; advises use of only nuxated iron.

Doctor, when you wish to prescribe a true tonic and blood builder, one that puts the real "staying" strength and youthful vigor into the blood and nerves, try Nuxated Iron. If you have been using the old forms of metallic iron, without success, if you have had patients complain of discolored teeth, upset stomachs, hardened, tied-up secretions, etc., from the use of metallic iron, again we suggest, try Nuxated Iron. Nuxated Iron will be furnished by any druggist on an absolute guarantee of success or money refunded. It is highly endorsed by such physicians as Dr. Schuyler C. Jacques, Visiting Surgeon of St. Elizabeth's Hospital, New York City; Dr. Howard James, late of the Manhattan State Hospital of New York and formerly Assistant Physician Brooklyn State Hospital; Dr. A. J. Newman, Police Surgeon of the City of Chicago, formerly House Surgeon of the Jefferson Park Hospital, Chicago; Dr. Ferdinand King, New York Physician and Medical Author, and others. In most cases physicians direct the use of five-grain tablets three times per day after meals.

The main difference between a "regular" fellow and just an ordinary fellow is mostly in the clothes he wears ADLER-ROCHESTER CLOTHES are built for the fellow who is particular about his appearances.

"Satisfy" — what's that?

A NEW cigarette-word—"Satisfy!"

It means something more than merely pleasing the taste—it means letting you know you are smoking! It means hitting the smoke-spot just right. That's what Chesterfields do—and still they're mild!

Yes, Chesterfields are mild! But, in addition, they give you more real, solid smoke-feeling per puff than any other cigarette you ever lighted.

It's the new blend of pure, natural imported and Domestic tobaccos—that's what does it. And remember, this blend can't be copied.

Try Chesterfields and learn what "Satisfy" means. Today.
