Encyclopaedia Britannica

in the entire world that is still unsold

IS RIGHT HERE in America

This great work, written and edited by the scholars of the world, is the accepted international authority on all branches of knowledge. Consequently, it has a large sale in every civilized country.

But of all the sets printed on the famous India paper, the only ones in the world still available are the few thousand now being sold in this country. And these will soon be all gone—a few weeks at the outside will see the

Thousands of sets were sold in Great Britain. Today it is not possible to buy the Britannica in that country except at secondhand and at whatever premium is put upon it.

Every set offered in Australia is

South Africa is "sold out." India is "sold out."

Japan, where more sets of the Britannica were sold than of any reference work in any language, is "sold out."

Argentina, which led all Latin-America in sales of the Britannica, is "sold out."

In Canada, the only sets that can be purchased must be sent from the United States.

You have the opportunity NOW to acquire one of these last sets of the Britannica printed on genuine India paper. But only for a few weeks longer at mostbecause the remaining sets are selling fast. Orders are coming in from all parts of the United States and Canada at an increasing rate from day to day.

If you let this chance pass, you will never have another to buy this world-famous work printed on the beautiful India paper.

It is NOW or never if you want a set.

More than 175,000 sets have already been sold in America—only a small fraction of the entire stock remains. You cannot delay and expect to get a set. Therefore we urge you to act immediately.

No one should buy the Britannica unless he is convinced that it would be useful to him. And in your case YOU are the one to decide how much this Library of Knowledge would help you in your business or work,

You can see sets and leave orders at:

Dives, Pomeroy & Stewart

just as it is helping tens of thousands of others.

This great work leads to the highway of Success-it not only gives you practical information on any subject, but it increases your efficiency, broadens your point of view and employs the scope of your activities. It has a dollars-value because the knowledge it gives you increases your earning power.

You need the Britannica for a hundred and more reasons. You certainly owe it to yourself to find out all about it before you order it. And if you then decide that you want it printed on beautiful India paper, NOW is the time to buy it —at the specially attractive price at which these very last sets in the world printed on India paper are offered.

You are not asked to pay cash for itonly to get your order in at once with a first payment of one dollar. You can pay for it in a limited number of convenient monthly amounts of as low as \$3 for the cloth binding. And you have the use of the books (29 volumes) while paying for them—they will be shipped as soon as your order is received.

But you must act promptly. Every day's delay lessens your chance to own one of these very last sets of the Britannica printed on genuine India paper. You must buy it NOW -or Never!

Those who cannot go to the store may use this Reserve Order form, which will be legally binding upon us to reserve one set for you, just the same as if you ordered it in person.
