Carlisle, Pa., May 4. — With the aim of getting \$2,000 before nine o'clock this evening, 100 Carlisle businessmen this morning began their campaign on the second annual Y. M. C. A. day. The men are divided in ten committees to stimulate rivalry and interest, the money secured going to pay the expenses of the local institution during the coming year. A luncheon held last evening when the matter was explained by Assistant State Secretary Schmidt, began the activities and another luncheon this evening will be the time for the submission of final reports.

Here's Sweeney Himself

In France they say "Tell it to Sweeney," just as they do in every city of the United States which sports a raito. Captain Charles Sweeney, soldier of fortune, and captain in the Foreign Legion, is responsible for that. Captain Sweeney is a West Point man. But things got too dull for him in the United States, and he joined the Foreign Legion, which for many years has been the home of foreigners who wish to adventure. He made him a captain; they had to because he did so many daring things he was needed. He arrived in the United States on the Adriatic the other day and he is going to do what he can to arouse the American people to the importance of the war. The captain wears on his coat all the medals for bravery which the French government gives.

Mother Attacks Instructor For Whipping Her Son

Carlisle, Pa., May 4. — Claiming that she attacked William K. Shelley, principal of the Bolling Springs High School because he whipped her son for a breach of discipline, the school board of that town has brought information against Mrs. Ella Miller of that place. A decision has been reserved, pending a proposed settlement tending to keep teachers of the town from being again victims of such "overt acts."

It's Easy to Peel Off All Your Freckles

The contrast between the freckles and the clear skin usually is so great that no bleach can be more than partially successful in obliterating the disfigurements. Ordinary mercurochrome is far better; it literally peels off the freckles. Get an ounce of it at the nearest drug store and to-night spread on enough to completely cover your face; remove in the morning with warm water. Repeat daily until every freckle has disappeared. Rough, blotchy, pimpled skin, also common at this season, may be entirely gotten rid of by this same method without discomfort or inconvenience. The effort is decidedly worth while, the new complexion obtained being so clear, smooth and youthful.

If bothered with wrinkles or crow's feet, bathe the face in a lotion made by dissolving an ounce of powdered asstite in a half pint of witch hazel. This is the most effective and quick-acting wrinkle treatment known. It is perfectly harmless.—Advertisement.

Gifts For Graduates
The ideal gift for the girl or boy who graduates is a DIAMOND.
All things considered, it is perhaps the most sensible and economical. A graduation gift is dual in character. It is in a sense a reward of merit and at the same time a token of regard. It should be something that will be enduring—something that will confer life-long pleasure—an article that will grow in sentimental and if possible, in intrinsic value. A diamond never goes out of style—never becomes obsolete. It will last and be an enjoyment generation after generation. What can you buy that will retain its intrinsic value and be a source of so much pleasure day after day and year after year?
DIAMONDS ARE NOT EXPENSIVE AT CLASTER'S
We always make extraordinary efforts to offer at Graduation time EXTRAORDINARY VALUES. You will be surprised at the extra size, beauty and brilliancy of our special line of Diamonds, mounted in fashionable rings and jewelry, at \$15 \$25 \$35 \$50 and up
Next to a beautiful, sparkling Diamond, no other present at a moderate price can compare with a **WATCH OR WRIST WATCH**. A watch is not only ornamental, it is useful. A watch will enter into the affairs of the wearer more than any thing you can think of. It will regulate his or her activities in social and business affairs and will be a reminder of the giver a lifetime.
WE DON'T BOAST—WE STATE A FACT when we say we have the largest and most varied assortments of Watches.
