Send us all the Family Washing—including ladies' and children's wearables, household linens, gentlemen's apparel (excepting shirts, collars and linen suits) and we'll wash it at 5 cents a pound, and without further charge iron the bed and table linens.

Suppose your wash weighs 20 pounds, our charge for washing it all would be but \$1.00—this would also include the ironing free of all bed and table linens. No disgusting indelible ink marks are used to mark your linens—and each wash is washed separately.
