Capitol Hill Notes

Are Legal Notes—Deputy Attorney General Hargest has given an opinion to the State Banking Department in which he holds that federal reserve notes may be considered as "a legal part of the cash reserve" required by the state banking act. Mr. Hargest says that the reserve notes are legal obligations of the United States and legal-tender for taxes, customs or public dues and therefore "lawful money of the United States." Guard Changes—Adjutant General Stewart to-day announced the following appointments in Philadelphia regiments: Ernest E. Cases Intertwined—A Pittsburgh dispatch to-day has this interesting note: In both the Pittsburgh Life and the Thaw cases Attorney General Brown has virtually had the final say, and the New York authorities know this. The Attorney General, through Governor Brumbaugh, will ask requisitions for Birdseye and his friends, and recently, when the Thaw case was put up to Governor Brumbaugh for decision by the New York authorities, the Governor announced he would turn the case over to the Attorney General and abide by his decision. Thaw, wanted in New York on the charge of attacking Frederick Gump, Jr., of Kansas City, was taken Philadelphia after he had attempted to commit suicide. Disposition of a request to honor a requisition of Governor Whitman, of New York, for the return of Thaw to that state is pending. Sanders to Speak—Professor J. G. Sanders, Economic Zoologist of the Department of Agriculture, will address the Lancaster County Growers' Association at Lancaster to-night, on "Growing Better Fruit." Many Want to Go to Camp—Adjutant General Stewart to-day received numerous inquiries about the National Guardsmen attending the training camps. For the Dog Bill—The State Chamber of Commerce to-day announced that it was in favor of the dog license bill which is on second reading in the House. The Philadelphia and other chambers also favor it. Big Hearing to-morrow—A big hearing will be held to-morrow afternoon on the Miller bill for a two-mill tax on manufacturing capital. Manufacturers from all over the state will oppose it. Public Service—The Public Service Commission to-day heard argument on the complaints of the borough of Shenandoah against the Schuylkill Railways Company and fixed May 14 for hearing argument on the demurrer filed by the Philadelphia Rapid Transit Company to the complaint of allied West Philadelphia business associations to the routing of cars between West and South Philadelphia. You Need Not Suffer From Catarrh

But You Must Drive It Out of Your Blood to Get Rid of It Permanently. You have probably been in the habit of applying external treatments, trying to cure your Catarrh. You have used sprays, washes and lotions and possibly been temporarily relieved. But after a short time you had another attack and wondered why. You must realize that catarrh is an infection of the blood and to get permanent relief the catarrh infection must be driven out of the blood. The quicker you come to understand this, the quicker you will get it out of your system. S. S. S.
