A Medicine for Women

For Forty Years Lydia E. Pinkham's Vegetable Compound has Relieved the Sufferings of Women.

It hardly seems possible that there is a woman in this country who continues to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

Mrs. Kieso Cured After Seven Month's Illness. Aurora, Ill.—"For seven long months I suffered from a female trouble, with severe pains in my back and sides until I became so weak I could hardly walk from chair to chair, and got so nervous I would jump at the slightest noise. I was entirely unfit to do my house work, I was giving up hope of ever being well, when my sister asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles and today I am a healthy woman able to do my own housework. I wish every suffering woman would try Lydia E. Pinkham's Vegetable Compound, and find out for herself how good it is."—Mrs. KARL A. KIESO, 596 North Ave., Aurora, Ill.

Could Hardly Get Off Her Bed. Cincinnati, Ohio.—"I want you to know the good Lydia E. Pinkham's Vegetable Compound has done for me. I was in such bad health from female troubles that I could hardly get off my bed. I had been doctoring for a long time and my mother said, 'I want you to try Lydia E. Pinkham's Vegetable Compound.' So I did, and it has certainly made me a well woman. I am able to do my house work and am so happy as I never expected to go around the way I do again, and I want others to know what Lydia E. Pinkham's Vegetable Compound has done for me."—Mrs. JOSIE COPNER, 1668 Harrison Ave., Fairmount, Cincinnati, Ohio.

SING ORATORIO EFFECTIVELY

Auditorium Crowded For Presentation of "Elijah" by C. E. Union

Hundreds of music-loving people attended the great oratorio, entitled "Elijah," which was rendered by the Harrisburg Christian Endeavor Choral Union, last evening. The large auditorium of the Technical High School was filled to its utmost capacity. Almost one hundred members were seated on the platform, representing many societies of various denominations of this city, Penbrook, Steelton, Sunbury and many of the West Shore towns. The honorary members occupied the seats in the reserved section of the auditorium. The chorus was seated in a butterfly style which was very effective. The men were all dressed in black and seated in the center and white and grouped on each side of the platform.

Charles S. Ulrich, president of the Harrisburg C. E. Union, presided and gave a short welcome address. He said: "The Harrisburg C. E. Choral Union, composed of singers from all denominations of this city and vicinity is organized to advance the interest of music in the various churches and co-operate in united efforts. Any person is welcome to join the choir before the next recital, by making application to any member or the secretary, Miss Anna McKelvey."

The quartet composed of Mrs. Roy G. Cox, soprano; Mrs. H. L. Hertzler, contralto; D. Hollenbaugh, tenor; and George Sutton, bass, rendered their parts very effectively. Miss Ruth Hoover gave excellent assistance in the ladies' chorus throughout, under the efficient leadership of Prof. Frank A. McCarrell, broke all records of the eight years' history, for effective, appreciative and high-class singing.

The seating of the attendants was very satisfactory. The following ushers had charge of this work: A. C. Dean, Ross Derick, Henry Bruce, Nevin Seibert, Bruce Wonders, Donald Moyer, Lewis Kraybill, Harold McCord, Millard D. Hess, Frank Manley, George Troup, John E. McCullough and James Montgomery.

Chief of Police Issues Order Designed to Prevent Wasteful Expenditure of Money

Chief of Police Wetzzel intends to have a safe and sane Independence Day celebration and to avoid the useless expenditure of money, he has issued an ordinance prohibiting the use and sale of fireworks in the city of Harrisburg. Persons found doing so will be prosecuted to the full extent of the law. His order reads: To the Citizens and Dealers of Harrisburg: The ordinance prohibiting the

sale or use of fireworks, approved October 12, 1910, will be strictly enforced this year, with the exception that sparklers and red fire may be sold and used on the Fourth of July. Any person who shall sell or offer for sale, or who shall cast, throw or fire any fireworks, or who shall fire any gun or firearm within the city of Harrisburg, will be prosecuted to the fullest extent of the law. The saving that will result from a non-explosive observance of the Fourth of July is no minor consideration and the money that ordinarily would be wasted on fireworks could be applied to much better purposes. Churches Would Use Liquor to Make Munitions

Washington, May 9.—Prohibition as a war measure was endorsed last night by the Federal Council of the Protestant churches of North America and a committee was appointed with Governor Milliken, of Maine, as chairman to appear before the Senate agricultural committee to urge passage of the bills to this end now pending, that the action was taken largely on economic grounds to conserve the grain supply, increase the efficiency and protect the health of the nation. The moral side of prohibition will be emphasized in a later resolution. The council not only favored prohibiting the manufacture of liquor but urged re-distilling the 300,000,000 gallons of liquor already made and its use by the government in manufacturing munitions of war.
