Harrisburg women who are weak, run down and suffer from the consequent effects of such a condition, will be interested in Mrs. Odell's letter. She says: "I am a farmer's wife and was all run down, weak, tired, and suffered from indigestion, and sometimes it seemed as though I could not keep around and do my housework. I had taken many medicines without benefit. One day I saw Vinol advertised, and made up my mind to try it. I have taken four bottles and have gained seven pounds in weight, am much stronger, and feel many years younger than before."
