Joffre Honored With Decoration Worn by French in Revolution

Newburgh, N. Y., May 11.—In the headquarters in which George Washington wrote the order which disbanded the Continental Army in 1783 after the war for American independence had been fought and won...

The marshal was received into the hearts of thousands of citizens and school children. From the depot his party went to the Harbourside House, where the guests of the French party and there speeches were made by Joffre, Governor Whitman and Supreme Court Justice Fendler...

To Marshal Joffre was presented the eagle and the Society of the Cincinnati, founded here 134 years ago yesterday, by the officers of the army of the American revolution, all the French officers serving with them...

The eagle conferred on Marshal Joffre is an exact duplicate of that worn by Washington, Rochambeau and Lafayette. The decoration conferred on Joffre to-day is the first presented to anyone by the society since Lafayette received the honor.

Fears Bankruptcy For Wilkes-Barre Car Line

Wilkes-Barre, May 11.—Thomas A. Wright, general manager of the Wilkes-Barre Railway Company, said to-day that unless some offset is at once found the company will be forced into bankruptcy...

Wright said steps must be taken to increase trolley receipts, and he intimated that an application will be made to the Public Service Commission by his company, and probably all other companies of the State, for the right to increase the revenues...

If these plans fail to balance the expenditures he would then ask for a six-cent fare. Wright declares that in the last twenty years labor has increased 100 per cent, fuel 300 per cent, and supplies 300 per cent. In the same period, he points out, the nickel car rate has been in force.

JOHN GUYER GETS U. S. JOB John Guyer, for many years connected with newspapers in New York, Philadelphia and later the Patriot and Evening News, of this city, has been named an investigator for the government. Latest Council Gossip Includes Name of Forrer

Gossip concerning the election of a Mayor to fill the vacancy caused by the death of Mayor E. S. Meals shifted to-day toward Arthur D. Bacon, but friends of the former councilman said that he was not responsible for the talk...

Rumor persists that Commissioner E. Z. Gross would like to be Mayor, and in the event of his election friends of V. Grant Forrer, Assistant Park Superintendent, would urge him for Mr. Gross' place as Park Superintendent. Mr. Forrer has had long experience in park work, having been in charge of the local system under the old Park Board and recently under Commissioner Gross.

"From the Front"

YES this suit looks as good "from the front" as it does from the back. But that isn't the main idea in the heading; many of those spirited sport suit touches are "from the front" — military ideas. Notice the well defined waist line, the free and easy shoulder effects.

WOULD RAISE CHICKENS

Chicago, May 11.—A campaign to increase the meat supply of the nation by 100,000,000 pounds in four months by raising chickens is being made to-day by the American Poultry Council. The housewife of Holland would almost as soon be bread as she would without her "Real Dutch Drops" as she quaintly calls GOLD MEDAL Haarlem Oil Capsules.
