WOMAN'S LEAGUE FORMS A CHAPTER

Local Red Cross Receives Assistance Wednesdays From Fifty Lutheran Women

A big factor in the work of the Red Cross Society is the Lutheran Woman's League, which has formed a chapter for United Red Cross Work.

Every Wednesday afternoon the headquarters in Walnut street are reserved for this league and about half a hundred Lutheran women work assiduously from 2 to 5 o'clock on hospital supplies.

The Lutheran Woman's League of Harrisburg and vicinity was organized last February, at a large mass meeting held in Bethlehem Lutheran Church, Mrs. Chester Buck, of Camp Hill, being elected president. More than one thousand members had been enrolled by the efficient membership committee and one thousand additional members is the goal for the next public gathering in October.

The object of this league in connection with those of Chicago, Pittsburg and Philadelphia is to promote a closer co-operation among the women of the various divisions of the Lutheran Church and to support a salaried student secretary to keep in touch with Lutheran girls in colleges, universities, normal schools and summer conferences.

Historical Meeting With Patriotic Trend

The historians of Dauphin county held quite a patriotic meeting last night in their home in South Front street. The assembly room was decorated with the national flag. The secretary read the poem of Anna Hamilton Wood on the "Boy Scouts" as published in the TELEGRAPH of yesterday which was received with applause. The president supplemented the reading with a paper entitled the "Star Spangled Banner" which included Drake's apostrophe to the flag with incidents in the life of "Old Glory," and concluded with a couple of the war songs, "Three Cheers for the Red, White and Blue," "The Army the Navy Forever."

A solo doxology the society united in singing the "Star Spangled Banner." During the meeting an interesting report on current events, was submitted by Mrs. Mabel Cronise Jones.

DINE RETIRING TREASURER Robert K. Young, retiring State treasurer, was guest of honor at dinner of thirty covers, Wednesday evening, at the Harrisburg Club. Spencer C. guests included many personal friends of Mr. Young.

Senate Cuts Short the Debate on Censorship

Washington, May 11. — The Senate worked to-day on the administration espionage bill under an agreement to limit debate and consideration was nearing its last stages. A final vote on the measure may be had before adjournment for the day, though many Senators still were to be heard.

The press censorship again was the target of attack, although if the Senate accepts amendments offered by Senators Cummins and Thomas materially modifying the original language the fight on the section may be ended. Senator Overman, sponsor for the bill, gave notice that the proviso would be incorporated in the measure.

ENLISTED MAN DOES NOT APPROVE CONSCRIPTION

Private John R. Lindsey, of the Marine Corps, now on the U. S. S. South Carolina, in a recent letter to his brother, Frank Lindsey, of this city, gave the views of an enlisted man on the conscription bill. He says that he does not approve of conscription because such men do not get the service but have to be forced to do everything. "Nothing but willing workers are wanted in the Marines," he says.
