The Japanese Way To Remove Corns Don't Hurt a Bit---Easy and Simple The Magic Touch of Ice-Mint Does It. Just a Touch Stops Soreness, Then the Corn or Callus Shrivels and Lifts Off. Try it. Your Feet Will Feel Cool and Fine. Just a touch of ice-mint and "Oh!" what relief! Corns and calluses vanish, soreness disappears and you can dance all night or walk all day and your corns won't hurt a bit. No matter what you have tried or how many times you have been disappointed here is a real help for you at last. From the very second that ice-mint touches the sore, tender corn your poor tired, aching feet will feel so cool, easy and comfortable that you will just sigh with relief. Think of it: just a little touch of that delightful, cooling, ice-mint and real, foot joy is yours. No matter how old or tough your pet corn is he will shrivel up and you can pick him out after a touch of ice-mint. No matter what your soreness, either when applying or afterwards, and it doesn't even irritate. Ice-mint is the real Japanese secret of the healthy, little feet. Presents a cool, sweet and comfortable. It is so new selling like wildfire here. Just ask in any drug store for a little ice-mint and give your poor suffering, tired feet the treat of their lives. There is nothing better, nor thought "just as good."
