Marysville Wins From Halifax; Raise Pennant

Marysville, Pa., May 14.—The Marysville 1916 champs experienced little difficulty in defeating the Halifax nine on Seidel Park Saturday afternoon at the opening of the Dauphin-Perry League race.

Weather, Not War Is Putting Crimp in Sport

Chicago, May 14.—President Johnson, of the American League, returning from a trip around the circuit, said it was too early to determine what effect, if any, the war is having on baseball attendance.

The Sportlight by Grantland Rice

Copyright, 1917, The Tribune Association (New York Tribune). A Song of the French. To-day we see the sun light or dream. But who thinks of To-morrow?

It may be Fate will yield the bliss of knowing a To-morrow; But only dreamers think of this. Or look to a To-morrow;

Can any one imagine John Lawrence Sullivan, when he was at the top, being invited to such a benefit as that given to French sailors the other night—and then refusing to come?

Which is an excellent tip-off on the fight game to-day, as handed out by its leading exponent.

Prizefight promoters. Wrestlers. Second division managers after July. The guy who missed the Kaiser.

By the Records. It may be that one Walter Johnson is drifting back. So far as the record travels in the way of results he has bumped against the toughest spring start of his career.

But this might be considered, also. In two of his defeats Johnson allowed but two hits. In still another game he was shut out.

The highly efficient Red Sox are now facing their first extreme test along the third lap of three pennants in a row.

The three eastern clubs were not able to annoy them to any great extent with Babe Ruth interposing his left arm and his batting eye.

But if they are to be stopped, the West must do the work. And the West can only do it by offering 100 per cent. resistance.

Pittsburgh isn't missing Wagner any more than Germany would miss the Kaiser.

Anyhow, the odds are that Jess Willard could be enticed to a big benefit given for Jess Willard.

There are faster men in baseball than Ty Cobb, but they don't get where they are going to quite as soon.

The Yanks could quit as a pennant if they could keep from being broken up just as cut glass, dropped to a stone floor, wouldn't break if it was iron.

World's Record Idea. Golf competitions may be abolished for the season, but it will take something more than a world war or a universal conflagration to abolish the Granddaddies.

If some device is discovered that will break up the U-boats there are seven ball clubs in the National League that would like to have the recipe with the Giants on the receiving end. Either that or starvation seems to be the main hope of any outside success.

State League Notes

Phil Neher, Scranton boy, who recently was released by Binghamton, probably will sign with one of the teams in the Blue Ridge League.

Elmira fans are taking Jimmy Jackson's managerial ways with growing enthusiasm every day.

Mike O'Neill of the Syracuse Stars claims he has discovered another Elmke in Russell, former Cornell pitching star.

Walter Keating, a Philadelphia boy, who formerly played with the Chicago Cubs, is playing a great fielding game for Syracuse.

Frank Brannan, of Scranton, appears due for a big year at the bat. So far he has been leading the Miners in the offensive line.

Manager Will Conroy of the Wells-ville team of the Inter-State League is to receive two or three youngsters from Binghamton.

From present indications Jim Riley, veteran Syracuse outfielder, is going to give Bill Kay a fight for the batting honors this year.

Syracuse is the only team in the league to carry the same catcher this year as in the 1916 campaign.

"Chic" Hartman of the Binghamton club appears like a fast buck. The team has been playing a speedy article of ball, but the luck has been breaking on the wrong side.

Frank O'Rourke of the Utes holds the unenviable distinction of being the first Stat League to be fined this season.

In the opening game at Scranton on Wednesday he had a run-in with Umpire Brown and was fined \$5.

Pitcher Tenace has been sold to the Hartford club of the Eastern League by Manager Calhoun of Wilkes-Barre.

Jimmy Jackson is not satisfied with giving Elmira the best team it has had in years, but he also is out for the individual batting honors for the season.

Johnny Murphy, of Nativity Place, near Scranton, is playing a good game at second base for the Miners.

Murphy formerly played in the Canadian League. Tenace lacked experience for a team the caliber of the Coal Barons.

Harrisburg is not hitting with any regularity, but hope to get going this week.

WELSH TO MEET LEONARD. New York, May 14.—Announcement was made by the management of the Manhattan A. C. that negotiations had been completed for a match between Freddie Walsh, of England, holder of the world's lightweight championship, and Benny Leonard, the popular Harlem lightweight.

The boxers will come together for ten rounds at a show to be staged at the Manhattan A. C. on May 28.

WELLY'S CORNER

Harrisburg fans witnessed three games in the New York State League series. They must wait until May 24 to see the Islanders play.

Interest in amateur games Saturday was strong. With few exceptions the local teams made good.

President Ban Johnson of the American League blames the weather for poor attendance at games.

Tech students had a big celebration this morning over the victory of the track squad at Penn State Saturday.

LOSE ANOTHER TO BINGHAMTON

Caporel Has Revenge For Saturday's Defeat; Islanders Lack Hits

Binghamton, N. Y., May 14.—Burke, first up, singled and thereafter not a clean hit was made off Caporel.

Binghamton scored the first run in the seventh inning. Irving beat out an infield hit, stole second and went to third on an out of Gonzalez.

The Islanders won the first game on Saturday, defeating Binghamton, score of 8 to 7.

Local amateur and semiprofessional games attracted much interest Saturday.

Rosewood A. C. leaders in the Allison Hill League, lost to Hershey on the latter's grounds, score 5 to 2.

Camels Cigarettes

are wide-open for comparison with any cigarette at any price!

Most sensitive smokers appreciate the pleasure of Camel quality, purity and wholesomeness.

They prefer it to premiums or coupons! Camels are free from any unpleasant cigarette after-taste!

Camels are blended choice Turkish and choice Domestic tobaccos; you'll prefer their flavor and mild smoothness to either kind of tobacco smoked straight!

That desirable, satisfying "body" is all there—without any comeback!

Camels are sold everywhere in scientifically sealed packages, 20 for 10c; or ten packages (200 cigarettes) in a glassine-paper-covered carton for \$1.00.

R. J. REYNOLDS TOBACCO COMPANY Winston-Salem, N. C.

The stamp placed over end seals the package, which keeps out air, thereby preserving the quality of the blended tobacco.

By inserting the stamp inside the package, the stamp easily breaks without tearing the tip of the cigarette.

Without disturbing the cigarette, the stamp easily folds back into its place.
