Efficient Sunday School First Drive on Cleanup Superintendent Discussed

Superintendent Discussed at Lutheran Conference

"What constitutes an Efficient Sunday School Superintendent" was the subject of an address this afternoon in both the Rev. H. C. Holloway before the Evangelical Lutheran Church. The Rev. Mr. Holloway explained to his audience the many problems that a Sunday school superintendent must face to make a good and efficient school.

The Rev. E. E. Rupley used as his subject "Sunday School and Catechetical Work," laying emphasis on the importance of reviving the old practice of a wider study of the catechism.

T't this mornin's session the Rev. E. E. Snyder spoke on the "Challenge of the Sunday School," and the Rev. School Literature, Exclusive of Lesson Helps." The session of the synod will close this evening with an address by Fletcher W. Stiles.

Chicago, May 15. — The curtailment of speculation ordered by the Board of Trade yesterday resulted in further price recessions in early grain trades to-day. July wheat sold off 11 cents to 248 and September 8 cents to 220.

Corn dropped from 2½ to 3 1-3 cents and oats from 1 to 1½ cents. The meeting here of delegations from leading grain exchanges was scheduled for 3 o'clock to-day.

TO ASK LIGHT Leading Part in Opera BIDS FOR CITY

Ordinance; Report on City Water Supply Guarding

Commissioner Samuel F. Dunkle introduced an ordinance in council this morning to authorize advertising for bids for lighting city streets and city offices. The contract will be for five years, dating from June 1. Commissioner Lynch submitted a report of the action which has been taken to safeguard the city water supply. Cost of installation of lights was \$900 and cost of maintenance will be about \$230 \times month. Nine special officers, fully uniformed and under the supervision of Edgar T. Burganstock have been placed on duty also. Other action by council included:

Approval of ordinance for construction of sewer in Twentieth street from Brookwood to Greenwood streets; approval of ordinance authorizing garbage and ash disposal survey and awarding of contract to Tribus and Massa, New York; approval of appointment of Miss Helen Roth as contagious disease nurse in health department; approval of contracts for sewer in Dunkle street, from Greenwood to Brookwood streets, and for furnishing 4,000 tons of river coal. Ordinances were introduced to provide for paying the driveway from the pumping station to Front street at North street, and to the Central Construction and Supply Company for removing and crushing stone from the county poor farm.
