

**SWEAR IN CITY DRAFT REGISTRARS**

[Continued From First Page.]  
wards. John C. Orr was chosen as the executive officer with Dr. Claude W. Batdorf and J. William Bayles, ex-alderman and clerk of the poor directors, as the subboard.  
To Give Instructions  
At a meeting this afternoon at 3 o'clock the boards met with the main body of which, by law, Mayor Miller is president. Instructions were given and two men appointed to sit as registrars in each polling place. The complete list was not finished until late in the afternoon. Registrars in each of the precincts will receive complete instructions at a meeting which will probably be held next Monday night in courtroom No. 2. The suborganizations will have complete charge.  
Harrisburg Is Ready  
A report was sent to Governor Brumbaugh after the meeting this afternoon notifying him that Harrisburg is ready to make the draft roll. Registration plans for persons employed in the city, but residing at places outside the county will be distributed beginning to-morrow morning by City Clerk Seaman at his office. These will be sent also to persons between the ages of 21 and 30, inclusive, who are sick and will not be able to appear at the polling places and register.  
It is probable that both in the city and county some changes may be made in places where registrations are to be received and will be announced as soon as they are made.  
The county draft registration board met yesterday afternoon and was organized. Men to serve as registrars were named for each of the county districts. This board will act as a separate unit and will have nothing to do with the city registration.  
Visiting Polling Places  
The members, C. C. Cumber, president of the board of County Commissioners, Sheriff W. W. Caldwell and Dr. C. H. Phillips, practically completed preliminary arrangements.  
Sheriff Burton left with Deputy Sheriff Burdett at noon today for the northern part of the county to visit twenty-eight polling districts, notify the registry assessors who have been appointed and give them complete instructions.  
Persons residing outside the county but employed in Dauphin county should apply to the office of Sheriff Caldwell for a registration blank and complete instructions.  
Registry assessors appointed for the county follow:

**"Can't Cut Off My Leg," Says Railroad Engineer**

"I am a railroad engineer; about 20 years ago my leg was seriously injured in an accident on West. Upon my refusing to allow the doctor to amputate it I was told it would be impossible to heal the wound. I have tried all kinds of salves and had many doctors in the past 20 years, but to no avail. Finally I resolved to use PETERSON'S OINTMENT on my leg. You cannot imagine my astonishment when I found it was doing what over 100 things had failed to do. My leg is now completely cured."—Gus Haist, 799 Myrtle Ave., Brooklyn, N. Y.  
"It makes me feel proud to be able to produce an ointment like that," says Peterson. "Not only do I guarantee Peterson's Ointment for old and new wounds, but for Eczema, Salt Rheum, Ulcers, Itching Skin and Blind, Bleeding or Itching Piles, and put up a big box for 2 cents, a price all can afford to pay and money back from your druggist if not satisfied."—Advertisement.

**TO HOLD OPEN HOUSE**  
"Open House" will be held Saturday night at the new plant of the Jennings Manufacturing Company, 2012 North Fourth street. The new building was first placed in use last February. Demonstrators will explain the various steps of manufacture. There will be refreshments, dancing in the recreation hall and music by an orchestra.

**STRUCK BY SHELL FRAGMENT**  
John Bryson, 1011 Market street, was slightly injured at the Harrisburg Pipe and Pipe Bending Works last night when struck by a section of shell which he was grinding.  
Use McNeil's Cold Tablets.—adv.

**HELD UNDER HEAVY BAIL**  
Walter Shneyer, of Lebanon, was held under \$2,100 bail at police court yesterday afternoon. Additional charges for indecent assault and forgery have been lodged against him.

**Superfluous Hair, Roots And All, Quickly Go!**  
(Absolutely New Home Method)  
For the first time in a hundred years a genuine effect on the hair is being moving unshakably hairy growths has been discovered. The new phelactine process does not merely take off the hair-ends; it actually removes the roots! It does this instantly and painlessly. It does not act anything like the depilatory, electrical, or other methods. Phelactine is non-odorous, non-poisonous, non-irritating. Get a stick of it from your druggist, follow the simple instructions and have the satisfaction of seeing the roots themselves removed at last. If not perfectly satisfied the purchase price will be returned to you.—Advertisement.
