Doctors Stand Amazed at Power of Bon-Opto to Make Weak Eyes Strong—According to Dr. Lewis

Guaranteed to Strengthen Eyesight 50% In One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use At Home Philadelphia, Pa. Victims of eye strain and other eye weaknesses, and those who wear glasses, will be glad to know that according to Dr. Lewis there is real hope and help for them. Many whose eyes were failing say they have had their eyes restored by this remarkable prescription and many who once wore glasses say they have thrown them away. One man said: "I was almost blind. Could not see to read at all. Now I can read everything without my glasses and my eyes do not hurt any more. At night they would pain dreadfully. Now they feel fine all the time. It was like a miracle to me." A lady said: "I was bothered with eye strain caused by overworked, tired eyes which induced fierce headaches. I have worn glasses for several years both for distance and work, and without them I could not read my own name on an envelope or the typewriting on the machine before me. I can do both now and have discarded my long distance glasses altogether. I can count the fluttering leaves on the trees across the street now, which for several years have looked like a dim green blur to me. I cannot express my joy at what it has done for me." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by the use of this prescription. Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and let it dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation and redness will quickly disappear. If your eyes bother you even a little it is your duty to take steps to save them now before it is too late. Many hopeless blind might have saved their sight if they had cared for their eyes in time. Note: Another prominent physician to whom the above article was submitted said: "Yes, the Bon-Opto prescription is truly a wonderful eye remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. I have used it very successfully in my own practice on patients whose eyes were strained through overwork or mist glasses. I can highly recommend it in case of weak, watery, aching, smarting, itching, burning eyes, red lids, blurred vision or for eyes inflamed from exposure to smoke, sun, dust or wind. It is one of the very few preparations I feel should be kept on hand for regular use in almost every family. Bon-Opto, referred to above, is not a patent medicine but a powerful eye remedy, printed on the package. The manufacturers of this eye remedy strengthen eyesight 50 per cent. in one week's time in many instances or refund the money. It can be obtained from any good druggist and is sold in this city by Croll Kellar, H. C. Kennedy and other druggists.—Adv.

Need More Co-operation

"In these times of national need, the railroads are doing everything in their power to move the business, but we need more co-operation. The spirit of patriotism demands that we conserve our resources. In transportation, car space is one of the most important resources and the saving of car space will increase national efficiency."

Brakeman Loses Leg When Train Starts Suddenly

Waynesboro, May 25. — Norman W. Shawne, aged 22 years, of Hagerstown, a brakeman on the Western Maryland Railroad, was severely injured and narrowly escaped death at Hightfield, Md., last night while engaged in testing the air. He was thrown under the wheels of one of the cars when the train started suddenly. His left leg was cut off above the ankle and was broken above the knee. He was also badly injured about the body. He was taken to the Washington county hospital, Hagerstown, for treatment.

District Sabbath School Convention at Dillsburg

Dillsburg, Pa., May 25.—To-morrow and Sunday the semi-annual convention of the Upper District Sabbath School Association of York county will be held in Calvary United Brethren Church. The following program has been prepared:

Saturday, 9 a. m. Devotional; President's address, D. E. Baker; reception of delegates; questions for discussion, "What Constitutes a Successful Sunday School Teacher?" and "How Can We Make Our Sunday School More Profitable?"

1:30 P. M.—Devotional, reception of delegates, reports of schools; questions for discussion: "What Are We Doing to Encourage Decision Day in Our Sunday School Work?" "Reasons for Separating Sexes in Sunday School Classification" and "Is Yours a Front-Line Sunday School? If Not Why Not?"

7:30 P. M.—Questions for discussion: "What is Expected of the Superintendent During the Sessions of the Sunday School?" "How May the Social Side of Our Sunday School be Developed?" and "Losses Sustained by the Irregular Sunday School Attendee and the Non-Sunday School Goer."

Sunday, 9 A. M.—Address to the children, Miss M. Edith Myers; address, the Rev. S. A. Crabb; Sunday school lesson, Prof. W. C. Heiges; address to parents, the Rev. E. O. Krey.

1:30 P. M.—Address, the Rev. Earl W. Shoap. The program will be interspersed by music at the option of the leader, furnished by the United Brethren Choir. The songs to be used are taken from Pentecostal Hymns Nos. 5 and 6.

LEAVE FOR CONNECTICUT Mrs. Ross Anderson Hickok and Mrs. Carl E. Vly started this morning for Middleburg, Conn., to attend the annual Visitors' Day at the West-overs school where Miss Jane Hastings Hickok is a pupil.

Dr. Ferdinand King, a New York City Physician and Medical Author, says: "There can be no strong, vigorous men nor beautiful, healthy, rosy-cheeked women without iron." Nuxated Iron taken three times per day after meals will increase the strength and endurance of weak, nervous, run-down folks 100 per cent. in two weeks' time in many instances. Avoid the old forms of metallic iron which may injure the teeth and corrode the stomach, and thereby do more harm than good. Take only iron-nuxated Iron. It is dispensed in this city by Croll Kellar, G. A. Gargas, J. Nelson Clark and all good druggists.—Advertisement.

Standing of the Crews

HARRISBURG SIDE Philadelphia Division. — 101 crew to go first after 1 p. m. 120, 107, 112. Engineers for 120, 101. Firemen for 107, 120. Conductor for 101. Flagmen for 107, 120.
