Rails Firm to Strong

New York, May 28.—(Wall Street)
—The stock market opened with a continuance of the bullish enthusiasm which characterized last week's enormous operations. Moderate declines were limited to a few of the less important issues. U. S. Steel broke all records at the new level of 135, a slight fraction over its previous maximum and a point above last Saturday's final quotation. Gains of 1 to 3 points were made by Crucible Steel, Maxwell, Studebaker and General Motors, Texas Company and Mexican Petroleum, General Electric, Baldwin Locomotive, Airbrake, International Paper and Ohio Gas. Leading rails were firm to strong.

New York, May 28.—There was a tremendous outpouring of steel on its new rise, the stock reacting 1½ points in the first hour. Sales for that period were little less than 500,009 shares. Other industrials and equipments registered similar setbacks on the heavy realizing for profits. Rails were exempt from this tendency, however, materially increasing initial gains under lead of Pacifics, St. Paul and the high grade coalers. Motors, oils and gas held firmly. Another selling movement in the second hour was directed mainly against metals, although Steel yielded to 132½. Irregular railies ensued at noon. Bonds were firm.

WATERS, GERMANY DECLARES
Berlin, May 28.—Officials of the
German foreign office to-day announced that no German naval
forces had recently been dispatched
across the Atlantic.
A rumor that a German submarine
was at present in American waters
was dismissed by the government officials as "probable invention of early
summer visitors to the Maine coast
resorts who are endeavoring to deprive the familiar sea sergeant of its
prerogatives."

ney General Gregory to-day informed Chairman Webb, of the House Ju-

250 DEAD; 1,200 HURT IN WAKE OF STORM

oughly estimated at one hundred and the injured at several hundred.

Reports Are Meager Wire communication into the dis

Wire communication into the districts swept by the storm Sunday is demoralized and only meager reports of the loss of life and the property damage have been received.

The destruction began last Friday, in Andale, Kan, where twenty-six people were killed and sixty injured. Late Saturday a twister, probably the most severe of the series, struck the rich core belt of central Illinois, killing fifty-four persons and injuring perhaps five hundred in Mattoon. At Charleston, ten miles east of Mattoon, thirty-seven were killed and more than one hundred fifty injured. The property damage in the two cities is estimated at \$2,000,000.

Heavy Property Damage
Another destructive storm late Saturday crossed a territory approximately one hundred miles north of the center of Illinois, reached into northern lendings and caused the loss of a resolution to care for the

center of Illinois, reached into north-ern Indiana and caused the loss of a dozen lives, the injury of more than two hundred and a heavy property
