WAR SUPPLY ISSUES DOWNWARD CLIMB

Highly Conflicting Movements Mark Trading in Short Market; Rail Breaks and Motors Yield; Bonds Irregular

By Associated Press New York, June 2.—Wall Street.—Highly conflicting movements accompanied today's trading, rails and motors manifesting hesitations, copper, oil and a few other war supply issues registered extreme gains of 1 to 5 points. St. Paul common dropped 3 1/2 and the preferred 3. Receptions of 1 to 3 points were made by Union Pacific, Great Northern, Louisville and Nashville, New Haven, Delaware and Hudson and most of the coalters.

The break in rails followed an announcement of a suspension of storage rates by the Interstate Commerce Commission. General Motors and Studebaker yielded 2 to 3 points. United States Steel and Crucible Steel fell 1 to 2, but Bethlehem Steel was relatively strong, though forfeiting all of its 2 points gain. The closing was heavy. Sales approximated 500,000 shares.

Bonds were irregular.

President R. H. WALSH Vice-President WM. H. GRIMES Secretary-Treasurer F. E. BRIGHTMAN Director IRVING SHUMAN

Chicago, Ill., Formerly Assistant Treasurer of the United States. Director of L. N. Rosenbaum & Co., 80 Wall Street, New York.

REGISTRAR AND TRANSFER AGENT THE EMPIRE TRUST COMPANY, NEW YORK CITY

HOLDINGS: The Company has acquired very valuable oil and gas leases on over 10,000 acres, including some of the most advantageously situated lands in the Big Muddy, Salt Creek, Cole Creek, Midway, Grass Creek, etc., and other fields being actively developed in Wyoming.

These lands comprise the best locations out of a vast acreage examined by Mr. F. John Sur, a leading oil geologist and a recognized authority on the Wyoming oil fields. The output of wells now flowing on other properties in these fields, including the holdings of Ohio Oil, Midwest Refining Producers (Texas Oil), etc., vary from hundreds to thousands of barrels per day.

WYOMING IS NOW THE CENTER OF ONE OF THE GREATEST OIL DEVELOPMENTS IN THE HISTORY OF THIS COUNTRY.

The management of this Corporation is in the hands of practical oil men. Drilling operations have already been started, one well on the Big Muddy being down 1,240 feet and additional wells will be put down immediately. Production is expected within thirty days. The drilling locations have been selected by Mr. Sur, and the Company will always have the benefit of his services.

TRADED ON THE NEW YORK CURB Having underwritten this issue we offer, subject to prior sale, the unsold portion of the Preferred Stock at \$9.50 with a 50% bonus in Common stock.

27 William St. New York

WOMAN IS KILLED WHEN "BIG TOP" CRASHES DOWN Unlontown, Pa., June 2.—A woman is dead, another is expected to die within a short time, a score were seriously injured and more than a hundred persons were slightly injured last evening when a severe storm blew down the "big top" of Barnum & Bailey's circus on the

Easy street show grounds. A herd of thousands in the crowded tent, 20 elephants stampeded during the storm, striking terror among the wild beasts in the menagerie.
