SOCIAL EVENT AT RUTHERFORD

Plan Interesting Program After Quarterly Meeting Tomorrow Night

Something doing to-morrow night at Rutherford Y. M. C. A. In addition to the quarterly meeting of the association there will be an elaborate program of music and other interesting features.

One big feature will be an interesting comedy sketch, "Economic Boomerang." It will be presented by a cast of eight persons under the direction of H. R. Lauck.

Musical Features The musical features will include vocal and instrumental selections. The big entertainment starts at 8 o'clock and everybody is invited to come and enjoy the evening's program.

Athletic activity is on the increase at Rutherford. Additional improvements have been made to the big field during the past week.

School Officials to Discuss War's Effect on Education

State College, Pa., June 6.—Public school superintendents and principals from all parts of Pennsylvania have been summoned to a war-time conference at State College by Dr. Nathan C. Schaeffer, superintendent of public instruction.

In his announcement sent out Dr. Schaeffer said the war should not be allowed to interfere with educational activities. He urged a full attendance of educators so that they might consider what can be done to counteract the evil effects of war upon our school system.

Brazil Declares It Has Right to Seize Ships

Rio Janeiro, June 6.—Brazil has replied to the German note protesting against the requisitioning of German ships with a declaration that the republic has acted within the strict limits of the war, even as interpreted by Germany.

BOYS BECOME GARDENERS

Columbia, Pa., June 6.—The Rev. Wilmer L. Gray, pastor of the First Methodist Episcopal Church, here has transformed the Boys' League of his church into an army of gardeners.

Garments That Are Needed in Outfitting the Baby

Much care is taken in assembling our stocks of Infants' Wear so that only the best and daintiest things made for baby's comfort are at the service of mothers.

Aladdin Pure Aluminum Ware Demonstration Special prices for the last three days of the week will be a strong feature of the Basement demonstration of Aladdin Pure Aluminum Ware.

Reading Company Re-elects All Retiring Directors

Retiring directors of the Reading Company, the holding company for the Philadelphia and Reading Railway Company and the Philadelphia and Reading Coal and Iron Company, were re-elected at the annual meeting held yesterday at the Reading Terminal.

RAILROAD NOTES

James K. Linn, Philadelphia, treasurer of the Mutual Beneficial Association of Pennsylvania Railroad Employees, was in Harrisburg last night.

Enola traveling team has an open date for Saturday. Address H. G. Summers, 814 North Third street.

A total of 18,000 cars were handled on the Reading system on Sunday.

C. A. Collier, a freight brakeman on the Pennsylvania railroad, is ill and confined to his home at York.

Robert Faries, of the Philadelphia division of the Pennsylvania Railroad, has been appointed as the division engineer of the local division of the Pennsylvania Railroad.

When an iron handle on a Pennsylvania freight train he was boarding came loose at Columbia yesterday.

Edgar B. Campbell, aged 62, of Sunbury, died at his home yesterday.

Standing of the Crews

HARRISBURG SIDE Philadelphia Division—The 121 crew first to go after 4 o'clock: 113, 106, 116, 103, 105, 130, 110, 107.

PENNSY ENGINE MAKES RECORD

Hauling 113 loaded cars over the Pennsylvania west of Pittsburgh to Columbus, Ohio, the big 1-1/2 type freight locomotive turned out the Juniata shops several months ago established a new record Saturday afternoon by taking the largest train ever hauled by a single engine.

Something New Being larger and more powerful than the L-1 freight engines now in use in the West, the 1-1/2 locomotive is expected to revolutionize the order of moving vast quantities of freight and to bring about the subsequent solution of traffic department problems.

Pennsy to Load Cars to Maximum Capacity

With the statement that the loading of freight cars to their full capacity would be equivalent to adding 120,000 cars to the service of the roads of the country, the transportation department of the Pennsylvania Railroad is distributing a pamphlet showing how freight henceforth will be loaded into cars to their full capacity.

Through cuts it is shown how shipments of sugar will be increased from 100 barrels to 244 barrels by a method of stacking the barrels to the full extent of the cars.
