

Dauphin Organizes Branch of Harrisburg Red Cross

Dauphin, Pa., June 8. — At a business meeting held last evening in the school house, a Dauphin Auxiliary to the Harrisburg branch of the Red Cross Society, was organized. Dr. William P. Clark, of the Department of Labor and Industry, president, and Mrs. John Y. Boyd, Mrs. George Kunkel, Mrs. Wilbur F. Harris and Miss Hayes, all of the Harrisburg Red Cross, were present to help organize. Twenty-seven persons joined the society, which decided to conduct a house-to-house canvass for members. Mrs. William Jones was elected chairman of the society; Mrs. Edith Eby, vice-chairman; Mrs. J. D. M. Reed, secretary, and Dr. William P. Clark, treasurer. Arrangements are being made for local headquarters and for taking up the work of the society.

CATTLE LOSSES MEET AVERAGE

Cold Weather Is Holding Back the Planting of Corn

Although cattle were supposed to have wintered especially well during the past year, the reports received by the State Department of Agriculture indicate that there was a slight increase in the losses of cattle, sheep and hogs. During the winter and spring the losses of horses showed an average of twenty horses in a thousand, the same as a year ago, but for cattle the losses were twenty-two as compared with twenty to a thousand a year ago. Twenty-six sheep in a thousand were lost this year as compared with twenty a year ago and the losses of hogs took a big jump from twenty-five in a thousand to thirty-two in a thousand this year.

Corn planting has been unusually late in many sections of the State on account of the cold weather that marked the beginning of May, say reports to the department, which say the wheat crop will probably be the smallest in the State during the past ten years. Not one county shows wheat within five per cent. of the average condition and in many it is running behind about twenty-five per cent.

Reports from sheep-raising centers report splendid success in lambs raised and a large increase in sheep in the State is expected to be shown. Much wheat ground in Clinton county has been turned and planted to oats.

Franklin county farmers report the plowed ground wheat as looking fine, but the corn stalk wheat is not in good condition.

A large increase in the number of acres of corn is indicated by reports received by the Department of Agriculture.

Farmers in many counties report that the tent caterpillar pest will be present in large numbers this year.

Toga county farmers have planted a number of acres to tobacco and will raise beans extensively.

THE COLONEL IS ON THE JOB

Theodore Roosevelt, talking to thousands of members of the Home Defense League at Mineola, near his home at Oyster Bay, L. I., was just as forceful and firm and as powerful as he ever was in his life. The Colonel showed his whole heart is in the war against Germany.

Women's Missionary Society Ends Sessions at Carlisle

Carlisle, Pa., June 8. — After being in session here since Tuesday evening, the twenty-seventh annual convention of the Women's Home and Foreign Missionary Society of the Evangelical Church for the Central Pennsylvania district, came to a close today. Many reports were presented, showing the growth of this body during the past year.

The following officers were elected: President, Mrs. J. A. Hollenbaugh, Carlisle; vice-president, Mrs. J. W. Thompson, York; recording secretary, Mrs. Hulda Baumgartner, Carlisle; corresponding secretary, Mrs. C. L. Jones, York; treasurer, Mrs. M. I. Jamison, Newberry; superintendent young people's mission work, Miss Mabel P. Crowell, York; mission lands, Miss Emma A. Dimer, Williamsport; cradle roll and home department, Mrs. J. O. Biggs, Baltimore, Md.

GERMAN GRAIN STOCKS DWINDLE

Berlin Takes Over Largest Share of Captured Rumanian Wheat

By Associated Press. Copenhagen, June 8. — The rapid dwindling of German grain stocks under the drain imposed by the supplementary bread allowances, to compensate for missing potatoes, was the cause of the recent hastily summoned conference of representatives of the central powers in Berlin. Officials of the German food department, supported by energetic representatives from the military and diplomatic authorities, will discuss the carrying of the German population through until the harvest. The transportation difficulties of course remain to be solved.

This agreement is at the cost of the Austro-Hungarian, Bulgarian and Turkish allotments and according to a Berlin announcement will suffice to carry the German population through until the harvest. The transportation difficulties of course remain to be solved.

GEIST-FAUTH WEDDING. Marietta, Pa., June 8.—Park M. Geist, of New Holland, was married to Miss Mae E. Fauth, by the Rev. Dr. C. E. Haupt, of the Lutheran Church, at Lancaster. The only attendant was the mother of the bride. A wedding dinner followed.

BOY BITTEN BY DOG. Columbia, Pa., June 8.—Ellis Simpson, a 3-year-old boy, was bitten by a dog while sitting on the porch at his home playing with a pet kitten. The dog sprang for the cat and planted his teeth in the boy's hand, causing an ugly wound.

SERMON TO GRADUATES. New Bloomfield, Pa., June 8.—The Baccalaureate sermon will be preached to the graduates of the Carson Long Institute on Sunday, June 17, at 10.30 a. m. at the Methodist Episcopal Church here by the Rev. Homer C. Knox, pastor.

RED CROSS WORK. Shiremanstown, Pa., June 8.—During the past week Red Cross work has been very progressive at this place, new workers have joined the society, new rollers and sewing machines have been procured and much interest is being manifested.

Kidneys Cause Hysteria

Some folks overwork; some over-eat; some over drink, and many do all these things and neglect the excretory organs. Nervousness ensues. Constipation sometimes, but most often the delicate function of the kidneys becomes disordered, followed soon by congestion. Then headache, neuralgia, rheumatic pain, backache, and lumbago set in. Frequent urination sometimes beyond control. The voided liquid being dark of foetid odor, and its passage followed by burning, smarting spasms of pain, even hysteria being often the result unless
