RHEUMATISM

Physician Believes a Genuine Remedy For the Disease Has Been Found. Rheuma, the wonderful rheumatism remedy sold by H. C. Kennedy and all druggists, gives quicker and more lasting relief than other remedies, costing many times as much. Rheuma passes the deadly poisonous secretions into the bowels and kidneys from which they are quickly thrown off in a natural, healthy way. Read what a reputable physician says about Rheuma: "I have made a most careful investigation of the formula employed in the manufacture of Rheuma, and I heartily commend it as a remedy for all forms of rheumatism, and altogether different in composition, from the remedies usually prescribed."—Dr. Lyons. This should give any sufferer from rheumatism confidence to try Rheuma.—Adv.

Here's a Real Hair Grower That Shows Results in a Few Days

If your hair is thinning out, prematurely gray, brittle, lifeless, full of dandruff and your head itches like mad it's a pretty sure sign the dangerous dandruff germ is busy on your scalp and quick action must be taken to save what hair you have and start new growth. Don't wait until the hair root is dead, for then nothing can help you, but get from your druggist about four cents' worth of Parisian sage and apply as directed—it don't disappear, it grows again, and you could use that any better. It was Dr. Sanerburn, the famous Paris specialist, who discovered that dandruff and falling hair are caused by a microbe—then came the discovery of the value of the genuine Parisian sage (liquid form) to destroy this germ and prevent further loss of hair and the formation of dandruff. You will surely be delighted with the first application, for your hair will be bright-looking, all itching ceases and your scalp feels cool and comfortable. A few massages with Parisian sage are all that are usually needed to destroy the germs that cause dandruff to form, and very soon you should be able to see the new hair coming in. Parisian sage is a favorite dressing for discriminating women because it is delicately perfumed, does not stain or streak the hair and makes it lustrous, soft and fluffy. Be sure you get Parisian sage (Giroux's), for this brand has the guarantee of perfect satisfaction or money returned printed on every package. Kennedy's Drug Store can supply you.—Advertisement.

GOODRICH SILVERTOWN Cable Cord—40% Rubber Immune to Tire Fever. BEHOLD how cord and rubber are fused into the flexible, powerful cable-cord which forms the exclusive patent-protected body of a Silvertown tire. Note the rubber core, and how each cord tendon in the cable-cord lies completely encased in a cushion of rubber. Corded and cabled under high pressure, which replaces all air in the fiber with rubber gum, it is fused with rubber as a cobbler's waxed end is waxed with wax. That fusion of rubber and cord, cool no matter how fast the tire whirls, when cross-wrapped in the Silvertown's two-ply body, is the secret of Silvertown's IMMUNITY from TIRE-FEVER—the internal heat rubbed up between the plies of many-ply tires—the great destroyer of tires. With but two plies of strong, cool cable cord—Silvertowns, trade marked, with the Red Double Diamond, are bound to outlast and outserve many-ply tires, with their multiplied tire fever. Moreover they give a style, a smoother riding comfort and gasoline saving economy you can not afford to deny yourself. THE B. F. GOODRICH CO., Akron, Ohio. Goodrich also makes the famous Fabric Tires—Black Safety Treads. Local Depot, 1412 N. Third St., Bell Phone 3714. "Silvertown makes all cars high-grade"
