

PENNSYLVANIA FOUR-CITY TRAPSHOOTERS' LEAGUE STARTS TOMORROW---ALL SPORTS

WASHINGTON IS NOT FOR SALE

Ban Johnson Says So, but Another Story Shows Deal Almost Closed

New York, June 21.—Ban Johnson, sweating under the published announcement that the Washington American League club was about to be removed, probably to Brooklyn, has denied that such a thought has entered his mind or the minds of his club owners.

In spite of Johnson's statements it may be stated with some authority that negotiations for the removal of the club not only have been started, but probably will be carried out next winter.

Johnson's Denial Johnson took advantage of the published announcement to state that the American League would retain its club in Washington, if only for sentimental reasons, declaring the American League would not trade the financial end of the game if they could continue to hold the club in the national capital.

Baltimore was not a paying city when it was in the American League, but it might become so if it were given another chance, and when that has been talked of. Every one of these cities, however, has an International League club, and there would be some difficulty in getting this organization to waive its rights.

32 British Vessels Sunk by German Submarines During the Last Week

London, June 21.—Unrestricted U-boat warfare last week exacted the third highest toll of large British merchantmen since the outbreak of the war.

Above 1,600 tons, 27. Under 1,600 tons, 5. Total, 32.

The high tonnage mark of U-boat havoc was reached in the week of April 22, when forty ships above 1,600 tons and fifteen below that tonnage were sent to the bottom.

During the week of June 10 twenty-two large and ten smaller British merchantmen were sunk, the total, thirty-two, the same as this week.

The increase, however, is represented in the number of ships of more than 1,600 tons.

The following table shows the British shipping losses due to unrestricted U-boat warfare since the havoc reached its high-water mark.

Table with columns: Week of, tons, tons, Total. Rows for weeks ending May 29, May 31, May 13, May 20, May 27, June 3, June 10, June 17.

Stanley Defeats Galahads in Loosely Played Game

In the loosest game of the season, the Stanley team won out over the Galahad nine last evening in an Allison Hill contest, score of 11 to 8.

There were hits and errors galore. Campbell, Shickley and Johnson each secured three hits for the Stanley team.

The score by innings: R.H.E. Stanley, 2 4 0 4 1—11 12 4. Galahad, 0 2 2 4 0—8 7 4.

Batteries—Stanley, Washington and Shickley—Galahad, Fortna and Hens.

Struck out by Washington, 3; Taylor, Fetrow, Rinehart, Dunkle and J. Bitner. Three-base hits, Hawley and Lorne.

Two-base hits, Shickley, Johnson, 2. Umpire—Garland.

WEALTHY CLUBMAN, 29, ARRESTED AS QUITTER

Atlantic City, N. J., June 21.—William Baldwin, a wealthy clubman of this city, Pittsburgh and Washington, D. C., was arrested last night as a quitter.

Baldwin boasted on registration day he was just five days over the limit of 31 years old, and it is charged he would not have registered for the draft anyway.

The authorities found his marriage certificate, obtained in Philadelphia, which showed him to be 29.

WELLY'S CORNER

Manager Buck Ramsey is making good as a leader. While his team is not making off big strides in games won, the work of this patched-up team has been sensational at times.

It looks very much as if the Blue Ridge League would quit after July 4. Chambersburg is losing money, and the crowds all over the circuit, according to reports, have been small.
