After the war, sport and the competitions thereof will be the salvation of the majority. Especially of those who have gone to the front. Those who have been living in the open places, attached to the thrill and excitement of a life and death existence by the minute, will find all business eccupations dull and drab for a long time. Their one reviving upbuilder for mental and physical recreation will be sport—baseball, golf, tennis, football or what you will.

MOTOR BOAT FLOATS AWAY

Marietta, Pa., June 22.—The nine horsepower motorboat, belonging to Norman T. Pickle, proprietor of the Accomac resort, opposite Marietta, broke loose from its moorings on Wednesday night, due to the high water, and landed on a rock below the falls, near Columbia. Merie Leitheiser and John Sprenkle, of Wirghtsville, secured the boat for Mr. Pickle and returned it to him. The boat was but slightly damaged by striking rocks.
