A moving picture machine from one of the ships has been installed and the orchestra of the destroyer fieet is busy practicing for its share in the entertainment. Another feature will be a minstrel show by a troupe of comedians who were formerly on the battleship Nebraska. The sailors were busy to-day putting the finishing touches to their clubhouse, which was formerly a public bathhouse and which they have converted into a hall which seats nearly 1,000 persons.

When the clubhouse is completed the men will enjoy the accommodations of a first class club, including a canteen where American tobacco and refreshments may be purchased at pre-war prices. Six shower baths will be another luxury.

A "REEL" FACT ABOUT VIRGINIA TOBACCO

Piedmonts can give you better quality. Why?

Because, being made of VIRGINIA TOBACCO, Piedmonts pay no Import Duty. All their value is in the cigarette-where it belongs.

And when it comes to character—that natural "smack" that makes a cigarette a cigarette-Virginia is the only tobacco that can give it to you. That's admitted.

Just say "a package of Piedmonts, please."
