NO ACTION ON "RAID TIP"

Mayor Miller has not yet taken any action on the charges brought against City Detective Glenn Allison that he tipped off inmates of a disorderly house that a raid was coming. Whenever any action is taken, George Shuler, another member of the force, will demand a hearing on the charges that he was implicated in the case.

On the Verge of Nervous Breakdown

Harrisburg Business Woman Restored by the Samson of Medicines

Margaret Rodgers, No. 2 South Fourth street, Harrisburg, says: "I was run down, nervous, had headaches, did not sleep well, would wake up in the morning all tired out and not rested, in fact felt tired all the time, I had a poor appetite and did not relish my food, I had no ambition to do anything and just seemed worn out, I had felt this way for several months, and feared that I was on the verge of a nervous breakdown, and that it would be necessary to take a long vacation to regain my health.

"I was advised to try Sanpan, and must say, it started to help me right away.

"Felt better after the first few doses, and now I feel well, it straightened me out in quick time, and it will not be necessary for me to stay away from business now, but can take a real vacation later on, and enjoy it too, as the sun always shines when one feels well.

"I can certainly recommend Sanpan to all people who are run down, and feel as badly as I did.

"Merit wins its own reward, and I predict a record-breaking sale for Sanpan, as it evidently produces the goods."

Sanpan is now being introduced at Keller's Drug Store, 405 Market street, Harrisburg, where the Sanpan man is explaining it to the people.—Adv.

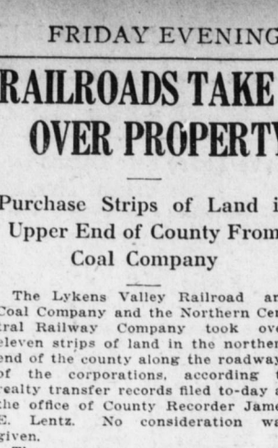
LEMONS BRING OUT THE HIDDEN BEAUTY



What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to bleach the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, therefore irritating, and should be mixed with orchard white this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well and you have a whole quarter pint of skin and complexion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands it should help to bleach, clear, smoothen and beautify the skin.

Any druggist will supply three ounces of orchard white at very little cost and the grocer has the lemons.

Missouri Judge Advises Drunkard to Take Poison

Kansas City, Mo., June 22.—Judge Joseph F. Kiernan handed a man a bottle of carbolic acid and advised him to drink it in the crowded South Side courtroom. The man was William Hall, about 50 years old. He went home drunk yesterday and attempted to drink the contents of the bottle, but was prevented from doing so by his wife.

"Go ahead and drink it," advised Judge Kiernan, proffering Hall the bottle. "It will do the work quicker than whisky, which may take a year or more to kill you."

Hall lowered his head and refused to take the poison.

"Judge, I want a divorce," said Hall's wife, Mrs. Mary Hall.

"Then why ddin't you let him kill himself and save all the trouble?" demanded the judge.

Hall was fined $100 and paroled to the welfare board.

Lutheran Observer Is Purchased by Committee

Chicago, June 22.—Considerable discussion arose at the convention of the General Synod of the Lutheran Church here yesterday over the report of the church paper committee. Dr. J. W. Singmaster, of Gettysburg, Pa., reported that the committee had purchased the Lutheran Observer, formerly published at Philadelphia, for $22,000. The money for the purchase had been borrowed largely from the Lutheran Publication Society, which has its headquarters at Ninth and Sansom streets, Philadelphia. The committee has published the combined papers, Lutheran Church Work and Observer, at a loss, owing to war prices, and now faces a deficit of $1,800.

The synod appropriated $5,000 annually to meet any future deficit, and requested the Publication Society to cancel the note held by it against the committee for $18,000. The present editor, elected by the committee, is the Rev. Dr. F. W. Gotwald, of York, Pa.

RED CROSS IS NEARING GOAL

Continued From First Page

proached by a solicitor and asked for a contribution.

"I'm just getting ready to leave town," she said, "on an extensive trip. Wait until I see if I can spare anything for you."

She did some figuring on the back of an envelope.

"Oh!" she declared, "I can do something for you after all."

And she gave the solicitor thirty-five cents!

One solicitor reported another occurrence to the executive committee:

"Guess," he said, "Who is the Harrisburg manufacturer who refused to contribute to the Red Cross himself, and who refused absolutely to permit us to solicit his employes?"

The executive committee finally had to give it up. But when the committeemen were given the name of this manufacturer things began to hum.

Farm Boy Contributes

"Mr. Chairman," said one captain, in making his report, "I have here a contribution from a mother whose boy yesterday was graduated from Tech, and who to-day enlisted in the Navy."

Another captain reported a contribution of $50 from a Harrisburg man who has two brothers in the German army.

One captain's report included a contribution from the seventy-five members of the Harrisburg police force.

There was another from a farm boy who came to Harrisburg this morning and enlisted in the army.

The executive committee to-day mentioned the fact that the Merchants' National Bank and the Central Trust Company of this city have declared a special dividend to stockholders, for Red Cross purposes.

The request is made of stockholders of these institutions that those who cannot possibly get their checks to the local collectors before noon to-morrow will kindly call up headquarters, or Treasurer George W. Reily, of the Harrisburg Trust Company, giving the amount of their contributions, so that these may be included in the grand total for the three days.

The city was redistricted at noon to-day and certain wards given each team.

1 Per Cent. for Red Cross

The regular semiannual dividend of the Allison Hill Trust Company was declared at a meeting yesterday. The amount of the dividend is 3 per cent., an increase of 1 per cent. of the last half year. The yearly dividend will be 6 per cent instead of 4 per cent. Officials of the company recommend that the extra 1 per cent. of the semiannual dividend be used to aid the Red Cross canvass for money.

Woman Thought She Would Die. Cured by Lydia E. Pinkham's Vegetable Compound

Ogdensburg, Wis.—"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I though of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound." — Mrs. Etta Dorion, Ogdensburg, Wis.

Physicians undoubtedly did their best, battled with this case steadily and could do no more, but often the most scientific treatment is surpassed by the medicinal properties of the good old fashioned roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.

If any complication exists it pays to write the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special free advice.—Adv.
