

MURDER JURY LIST EXHAUSTED

Panel Runs Out When Only One More Is Needed For Christley Trial

The Criminal Court jury list was exhausted shortly before noon today when only one more juror was needed for the trial of John O. Christley, charged with murdering his wife last July.

Of the seventy-two in the panel, a number were excused subject to call. Those who were summoned to appear in court reconvened at 1:30 o'clock this afternoon. Should no juror be accepted, it may be necessary for the court to issue an order for a special venire.

Sixty-one men were called late yesterday afternoon and this morning for examination. Of this number sixteen were accepted. Jurors ten were refused peremptorily by District Attorney Stroup, sixteen peremptorily by the defense, thirteen for cause by the Commonwealth, and two for cause by the court.

Oppose Death Sentence The majority of the jurors refused by District Attorney Stroup were opposed to the death sentence as a penalty for murder in the first degree.

The eleven jurors who have been chosen are: Samuel P. Soles, thirty-fourth ward, city; David Frank Radel, Lykens township; Charles F. Motter, thirtieth ward, city; Nicholas Hench, fifth ward, city; Ira Gottschall, Wayne township; McClellan Koons, third ward, city; Walter Montgomery, fourth ward, city; Uriah A. Heck, Pennbrook; James M. Lehr, fifth ward, city; John Bergstrom, Middletown, and Augustus Lutz, fourth ward, city.

In a brief argument, this morning, it was decided to take the deposition of Mrs. Barbara Christley, at Edinboro City, near Pittsburgh. She is the mother of Christley, and is 74 years old. According to counsel she cannot come to court.

Richereek Convicted Frederick Richereek, charged with killing Ephraim Silberman, an old peddler, was convicted of murder in the first degree. Although a little paler than he had been during his trial the youth maintained his composure when the jury returned the verdict. A motion for a new trial will be made.

In Courtroom No. 2, before Judge Henry of Lebanon, the following cases were disposed of: Joseph Vance, animal possessor of dog, \$200 and costs; Roger Polston, larceny, jury out; Theodore Weller, assault and battery, not guilty, pay costs.

I. W. W. TO STRIKE Virginia, Minn., June 28.—Minnesota Industrial Workers of the World members are prepared to strike according to minutes of a meeting of the Metal Mine Workers' branch of the I. W. W., held on Secretary Dominic Silver, who has been held for the federal grand jury. They call for general strike "if our fellow workers are not released from the Bunker Hill jail." Fifty members of the organization are held there as alleged slackers.

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain How to Treat

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, bloating, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated and digestion is delayed and food sours, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digesters are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Benger's Maltinex and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bismarck is a diagnosis in powder or tablet form—never liquid or milk—is harmless to the stomach, inexpensive to take and is the most effective remedy for stomach purposes. It is used by thousands of people who find their meals with no more fear of indigestion. Geo. A. Gorgan.—Advertisement.
