

H. D. JONES TO LEAVE TREASURY

Taxation Expert to Become Associated With William N. Trinkle Here

Harry D. Jones, corporation clerk in the State Treasury and long connected with the State government, has tendered his resignation to State Treasurer H. M. Kephart to take effect on July 15.

Mr. Jones will engage in the practice of law in this city with William N. Trinkle, former deputy attorney general and former counsel of the Public Service Commission. They will have offices at 204 Locust street and make a specialty of corporation, taxation and public service cases.

Mr. Jones is one of the best-known men on Capitol Hill and Ex-State Treasurer Robert K. Young highly recommended him to State Treasurer Kephart for retention. Mr. Kephart desired Mr. Jones to remain, but as he had changed plans made months ago to continue in the Treasury during the beginning of the new administration he resigned June 7 to take effect July 15.

Mr. Jones came here from Montrose, Susquehanna county, as a clerk in the auditor general's department under E. E. Hardenberg, December 1, 1901, and was advanced to assistant corporation clerk in June, 1902. He served in that capacity and as chief of the domestic corporation bureau under Auditor general Snyder and Young and was elected secretary of the Board of Public Grounds and Buildings in 1907, resigning in 1910. He was appointed assistant cashier of the Treasury June 1, 1910, serving during the term of State Treasurer Wright. Mr. Young appointed him as corporation clerk which office he has continued to hold.

Hiney Cases Up—The Public Service Commission will have arguments and hearings on but one day next week, Monday being devoted to such work while Tuesday will be given up to executive sessions. Several decisions are expected to be handed down. The Harrisburg Hiney cases, involving over sixty complaints, will be among the cases argued. Arrangements have also been made for a conference between the Wilkes-Barre City commissioners and the commission relative to grade crossings.

State "Exams"—A series of examinations for state permanent teachers certificates will be held in the State under supervision of the

BUILDING WORK TAKES BIG DROP

Hotel Permit Jumps Total to High Figures, but Other Operations Few

Barring the issuing of a permit for the new Penn-Harris Hotel, building operations took a big drop in this city for the month of June, compared with the work that was started last year in the same month. The total cost of structures now being erected is \$792,805, according to figures compiled to-day, but of this the permit for the new hotel is \$32,805 for small structures. Only one other fair sized operation was started. This was the improvement to the Kaufman store, which will cost \$10,000.

Last year permits issued were for operations which cost \$126,155. Contractors of the city claim the high cost of labor and materials will continue to affect building work for some time, but that more operations may be started after the first draft for the army.

Boy Is Charged With Robbing Aid Societies

The third robbery at the offices of the Associated Aid Society resulted this morning in the arrest of Walter Aoy, aged 16, 132 Liberty street. Police say the youthful offender confessed. Last night he is alleged to have entered the rooms and secured a dollar in street car tickets and destroyed as many things as possible. On two former occasions he is said to have entered the rooms and on both occasions secured street car tickets and other plunder. Detective Hyde Speece followed the case and made the arrests.

Department of Public Instruction during August. They will be followed by a series of special examinations later that month.

Terms Increased—Under the terms of the Powell bill approved late yesterday by the governor terms of commissioners of all first class townships will be increased to four years.

Now a Major—Commissioner John Price Jackson, of the State Department of Labor and Industry, has been appointed a major in the engineer section of the officers reserve corps of the United States army. Dr. Jackson was formerly dean of one of the schools of State College. He tendered his services in March.

BAKERS ASKED TO CO-OPERATE

Government Wants Them to Stop Taking Back Bread; Will Meet Here

Bakers of Dauphin and adjoining counties will meet Monday afternoon at the Columbus hotel to take action on eliminating the exchange of bread with retail dealers.

At present bread that is more than a day old is returned by the dealers when the fresh bread is brought to the stores. As part of the move to conserve the food supply the Commercial Economy Board of the United States has asked that measures be taken to prevent waste of bread, with the result that a notice of the meeting of the wholesale bakers was called by Bernard Schmidt, who has been appointed chairman.

The counties in this district are Snyder, Northumberland, Dauphin, Juniata, Perry, Cumberland, Adams and York. It is planned to have a member of the Dauphin County Public Safety Committee present.

The Pledge—The national board has asked that the meeting shall be held before July 4 and the exchange elimination shall be effective July 10. The pledge the bakers will be asked to sign follows: "Most heartily and voluntarily do I express my willingness to co-operate with our government in its conservation of food and in the elimination of wasteful practices in my business, and as an evidence of practical patriotism and devotion to our country's welfare, I pledge myself or my company to discontinue, on and after Tuesday, July 10, 1917, the practice of taking back unsold bread from retailers. And I do further pledge myself to give my loyal and unwavering support to all patriotic measures which may be ordered or recommended by the Council of National Defense or by the Food Administration during the period of the war."

"To these cardinal principles of true Americanism do I hereby pledge myself, affirming in the same spirit my allegiance to my flag and to the Republic for which it stands, and my belief in the cause of Freedom with Liberty and Justice for all."
