REFUSE OULMET AMATEUR RIGHTS

National Body Notifies Star by Letter That He Is Still Professional

Boston, July 6.—Francis Oulmet, former amateur and open golf champion, left here for Chicago yesterday possessed of the knowledge that the executive committee of the United States Golf Association had refused his request for reinstatement as an amateur, he having received a letter to that effect from Secretary Howard F. Whitney. At the recent meeting of the executive committee at which Oulmet and J. H. Sullivan, Jr., appeared to present evidence as to why they should be reinstated, Mr. Whitney was among the absentees, although he was the one who set the date for the hearing. The other committee members were absent, but the committee was unanimous in the finding, which was forwarded to Oulmet in the form of a letter.

Letter For Oulmet "I am instructed by the executive committee of the United States Golf Association to inform you of the hearing given at your request in New York on June 8, 1917, and inasmuch as your statement presented at that time proved that you are still engaged in the sale of golf supplies, as you were at the time of your disqualification under Rule No. 5, Section 7, of the by-laws of the U. S. G. A., and you having presented no new facts or conditions which would alter this situation, it is the unanimous decision of the executive committee that your application for reinstatement as an amateur cannot be granted.

At the hearing in New York Oulmet told the committee members of various offers he had turned down, acceptance of which would have been to his financial betterment. He presented affidavits bearing on his duties while in the employ of Wright & Ditson and of the fact that he had never been a member of the committee that in the Oulmet & Sullivan store last year golf had figured as about two-thirds of the total business done, but that this year it would be no more than twenty per cent.

The committee intimated that if Oulmet and Sullivan would eliminate golf from their business they might be reinstated. Neither of the partners has any present intention of eliminating golf from their business and neither believes that it is any crime against amateurism to retain that branch of supplies.

WITNESS SEEKING PLAYERS Reading, July 6.—Manager George Witte, of the Reading New York State League club, has signed Don Brown, star pitcher of the disbanded Harrisburg nine in the league, and Holmes, Harrisburg's best catcher. Witte is also trying to get Barner, the Harrisburgers' lefthand pitcher. A shake-down of dead material in the Reading club is in prospect.

ALAN SEEGER

American—Member of the Foreign Legion—Killed in Action July 4, 1916

Somewhere in France where crosses lean Above so many graves to-day; Where faded flags place their screen, And summer winds kneel down to pray; You, who first ventured over-seas, To watch, at last, the light grow dim, God must have sent his gentlest breeze To bring your spirit back to Him.

Somewhere in France, dust unto dust, You wait beyond the Inn of Life, Where through lone nights the guarding crust Shuts out the clamor of the strife; But far above the crimson sod No barrier yokes the twilight's breath, When, from the Great White Throne of God You see the Legion cross the top.

A year ago to-day we knew The endless melody of song; You saw that summer skies were blue— That drifting summer days were long; You waited, while the twilight's breath Came crooning some old serenade, To hold your "rendezvous with Death At some disputed barricade."

To-day the Legion holds the line Unbroken by the driving mass, Where you have helped to write the sign In dripping blood "Not Pass"; And now beyond the far divide You see the Starry Flag advance Among the millions who have died For love of Liberty—and France.

The Eagle's wings at last are spread Above a never beaten shield, Where still among the deathless dead Your spectre haunts the cloistered field; And borne afar on summer's breath You read this message hurled through—"I had a rendezvous with Death—I did not fail that rendezvous!"

While Ty Cobb has come a vast number of games without missing a hit, we recall an even more astounding record. Some fifteen years ago, when Nap Lajoie was at his best, around .400, he went twelve games without making a hit. You read this message hurled through—"I had a rendezvous with Death—I did not fail that rendezvous!"

ARGUMENTS STARTING

It is easy enough to open an argument. And one of the easiest ways we have found is to announce that Leonard will murder Kilbane—or in turn to suggest that Kilbane will tear the heart out of Leonard. Both boxers have their backers in copious quantities. For the fact remains that so far as advance dope is concerned no two men were ever more evenly matched.

Both are choicest of cleverness, both are fast and both can hit. Kilbane outclassed Welsh almost as far as Leonard did, but Benny produced the K. O. which Johnny failed to show.

A short bout between this pair will be very close to a draw. At the best only a shade will exist, and this shade may fall either way.

YOU ANSWER IT

Kicking at umpires has cost ball players thousands of dollars in fines and innumerable days of suspension upon the bench when they were badly needed by their club.

On the other opinion, how many decisions have been changed by such protests?

Some one has advanced the argument that military drill has put the needed morale into the White Sox machine. If it is so, the South Side and Chicago's way will be bitterly against any form of peace for the next ten years.

Ruth is suspended. Then Penneck steps into Ruth's place and pitches a shut-out for a starter. The only way to demoralize or disintegrate that Red Sox array is to get 'em groups of ten or twelve at a haul. Otherwise it's a waste of time.

AWARD PRIZES TO LOCAL SHOTS

FAULKNER GOES BACK Louisville, Ky., July 6.—Jack Faulkner, manager of the Indianapolis club of the American Association, announced yesterday that Pitcher Cy Falkenberg, who had been sent to the Athletics on trial, had been turned back because of failure to make good. He with Catcher Emil Huhn, purchased from Cincinnati, will report to the Indianapolis club at Toledo on Sunday.

MORNING GAME FOR SOLDIERS Chicago, July 6.—The Chicago Americans have arranged to play an exhibition game with the Athletics for the amusement of the student officers at Fort Sheridan, Ill., next Sunday morning. LEAGUE FUTURE UP TO OWNERS

Harrisburg Quits; Players Leave Board Bills Unpaid

Harrisburg players quit the game yesterday at Reading. They refused to go to Utica and play out the scheduled season until July 8 as agreed upon. President J. H. Farrell was notified and made the players free agents.

Cash at Elmira

Elmira has enough cash to keep the team going, no matter what happens, but there is a belief in that city that the money may be put to a better use than to throw it away in baseball without any return. Scranton is drawing fairly well, and Binghamton and Syracuse are keeping together because they have good men back of them who are willing to lose money.

President Tener Meets McGraw at Flagstaff

Brooklyn, July 6.—The Brooklyn team celebrated the raising of the National League's pennant here yesterday by beating New York, 6 to 3. There was a parade of the players of both teams, headed by a band, and President John E. Tener delivered an address.

Dauphin-Perry Notes

Dauphin is one of the most popular teams on the D-P circuit. Fans in towns that have been counted out of the league race are rooting hard for them to cut down the Newport team's lead.

DAUPHIN AFTER FLAG HONORS

Meet Newport Leaders Tomorrow; Victory Means Much For Lyter Crew

With the pennant race waxing closer, some interesting games are promised in the Dauphin-Perry circuit within the next two weeks, and the fur promises to fly. An army of fans is watching this closely-contested race and many of them will attend one or the other of the three games to-morrow.

The Dauphin team has twice been compelled to be satisfied with second place in the race for the pennant and fans are pulling hard for their favorites to land. Fans in practically all of the other towns of the circuit are pulling hard for Dauphin to win, for the Newport team is one of the least liked squads in the league.

The Halifax-Marysville game on the Seidel Park grounds at Marysville will be hard fought. The leadership of the second division is the prize that is sought in this series.

After dropping three straight games, Manager D. Steward Duncan has his Duncannon steelmakers ready to make a mighty effort to get back into the victory class at the expense of the lowly Millersburg Millers to-morrow.

Man--- Use Your Head!

Don't be satisfied to step into the nearest store and just say: "I want a straw hat." YOU'RE paying the bill. For goodness sake, when you buy a straw hat use your head! Fred B. Harry Straws are different—they're distinctive. That's true of any style.

WELLY'S CORNER

Harrisburg is no longer a part of the New York State League. This is no surprise. It is a mystery how the team kept together on \$75 a day.

An important conference to-night will be at New York between President Tener met yesterday. It was a case of shake hands and smile.

Manager T. B. Clouser, of the Belmont A. C. takes exceptions to the accusations made by the Engineers and Firemen team management, and stands by the umpire. According to reports Manager Clouser is right.

players on the circuit who wish to take up their long distance clubbing record. While over the regulation distance, numerous homers are secured on this field which would not go for the circuit on any of the other fields.

"Topsy" Hoar, the ex-Getterburg College athlete, broke into the Dauphin-Perry box scores as a hurler for the Dauphin squad against Newport Wednesday.

Ike McCord, who jumped the Hagerstown team of the Blue Ridge League to go with the Steelton team of the Bethlehem Steel Company League, made his appearance in the D-P on Wednesday as Duncannon's second-sacker.

Charles "Micky" Boyd has just made his appearance as an indicator man. He replaces Hershey. Boyd has had plenty of experience as a player and should make a good man for the circuit.

Zellers, the ex-Macon, Ga., player made his initial appearance in a Marysville uniform on Wednesday, when he held the Newport leaders

pires who favors his team. Victories won by Belmont have been earned. Belmont is one of the strongest cards in this city.

Rumors are afloat that Monty Cross will manage the Hagerstown team of the Blue Ridge League. He is now an umpire on the circuit. It is the belief that a southern leader will be signed up.

Fred Fulton again came out of a battle with honors last night. He handed Porky Flynn a jolt in the fourth round of a scheduled ten-round bout. Fulton is anxious to get enough fame to put him strong with fight fans as a real contender for championship honors.

Rosewood A. C. has quit the Allison Hill League. Last night the Galahads forfeited the game to Reading. It looks as if one of the best organizations in this city will go on the rocks.

Newport set a new record, one that will stand for a long time, last Wednesday, when he tallied twelve runs in a single inning against Marysville, when Pitcher Platt went aeroplaning and Davis failed to land the ship. Previous to that time Marysville had been leading. The final score was 13 to 9.
