King "8" Agency at Rex Garage and Supply Co. The King eight-cylinder car now has local representation with the Rex Garage and Supply Company at 1917 North Third street. This car has for years been known in the Harrisburg territory, having been on exhibition at the local shows. In October, 1914, after several years of building successful "Fours" the King Motor Car Company announced the world's first popular-priced eight-cylinder automobile and the second American car of that engine type. To-day the company claims more eight-cyclinder Kings in operation the world over than any other "Eight" save one. The Rex garage is one of the largest in this section of the State and equipped with every necessary service facility.

BOY SCOUTS ARE MANY TO ENTER SWALLOW ASKS

someone phones or visits the office to talk over the possibility of organising Scout work.

New Prospects

"There are at present five live prospects in Harrisburg and vicinity: The Derry Street United Brethren Church, St. Matthew's Church, Ridge Avenue M. E. Church, Wesley Union A. M. E. Church, where a colored troop of twenty-six boys is practically organized under the leadership of Dr. A. Lesile Marshall.

"Shiremanstown, which is in the vicinity of Harrisburg, is also a prospect.

"One of the early questions for the local council to take up will be the question of allowing Scout Troops in towns and villages near Harrisburg to affiliate with the local council. National headquarters permits such arrangement on a provisional plan, that should county councils or local councils later be organized in the various communities affiliated our jurisdiction automatically ceases.

"We have already received an application for affiliation from Scoutmaster Joseph Mason, of the Ann Street M. E. Church, Middletown, Pa.

"The general features of the work handled through this office, in my opinion, will be as follows:

"(1) To promote the Scout movement in general throughout the city.

"(2) To co-ordinate the existing Scout troops and suggest further extensions of the work.

improving, it was said, but building operations are being cut down because of the high price of materials. So far, however, this has not materially affected the prices of houses which are sold, the dealers report, but will eventually force them up.
