Chance in Signal Corps

Officers of the signal corps unit now being recruited in Harrisburg this morning laid emphasis on the chances for promotion offered in the signal corps that is not offered in any other branch of the service. Promotions to commissioned officers and to noncommissioned men have been unusually rapid.

First Lieutenant R. Author

First Lieutenant R. Author, who has charge of the recruiting of the local battalion is himself an example of the rapid promotion in the signal corps. He has held the required 21 years but received his commission as a first lieutenant several months ago. Lieutenant Author, who served at the same time as a sergeant in the National Guard to be sent to the Mexican border. Prior to his going he was a sergeant in the National Guard, at one time teaching a large class of the intricacies of the wireless. While at the border he was a sergeant in the signal corps, and when the present trouble arose was one of the first to receive a commission and when raised to the rank of first lieutenant was among the youngest commissioned officers in the service.

If You Want Money

To Buy or Build a Home, a Business Property or a Rental Property.

To Enlarge, Improve or Repair Property you now own.

To Refund an existing Mortgage in order to Reduce Payments or obtain Additional Funds.

To Exchange a Straight Mortgage for a Reducing Mortgage that will get you out of debt.

To Obtain Funds for Personal Use, Investment or Any Purpose Whatever, by placing a New Mortgage.

YOU SHOULD CONSULT THE STATE CAPITAL SAVINGS and Loan Association

BECAUSE from them you can obtain a Loan upon a Monthly Payment Plan that will get you out of debt, which a Straight Mortgage will not do; it is like paying rent and a man who can pay rent can, under our plan, pay for a home; if you will pay rent to yourself instead of to the landlord you can get a home.

BECAUSE, if desired, as much as Half of the Loan can be carried upon Interest Payment Only, with Monthly Payment upon the Other Half, affording the advantage of a Reducing Mortgage upon a Moderate Monthly Payment.

BECAUSE Borrowers from this Association do not worry about renewals with their accompanying expense; under our Contract no renewals are required, the first expense (very low at that) is the only expense and no process may issue unless the Contract runs at least six months in default.

BECAUSE, under our Contract, Loans, in whole or in part, may be repaid upon thirty days' notice, or even without notice upon payment of one month's interest; thus owners of property mortgaged to this Association can sell it subject to our mortgage or clean off the mortgage if the purchaser so desires.

BECAUSE it is safe and advantageous to do business with as Old, as Large and as Successful a Concern as the State Capital Savings and Loan Association, which has been in business nearly Twenty Years; has Resources of nearly \$4,000,000.00; has Loaned \$10,750,000.00; has Helped 3,000 Families to Secure their Homes; and is Always Prepared to close Loans Promptly.

WE WILL HELP YOU if we can. Anyway, we shall be glad to have you come to our office, which is open daily from 8:30 to 5:30 and on Saturday nights from 7:00 to 8:30, and talk the matter over with us and get a copy of our HOW TO GET A HOME booklet.
