

SCORES OF MEN FROM CENTRAL PENNSYLVANIA ARE IN THESE GROUPS TRAINING FOR COMMISSIONS IN THE RESERVE CORPS OF THE ARMY

Among these young men—flower of the American people—are many residents of the city and surrounding counties who are training for commissions in Uncle Sam's army. If they survive the arduous work at Fort Niagara and gain their stripes they will be ordered to drill the great National Army, which will be called into service about September 1. With reading glass the faces of many Harrisburgers can be distinguished.

RAIN FAILS TO DAUNT WORKERS FOR FOOD ARMY

Continuing House-to-House Canvass With Splendid Results

According to reports received at the food conservation headquarters, 206 Walnut street, from ward chairmen from eight of the thirteen city wards at noon to-day, more than one thousand women had signed the food conservation pledges to eliminate waste from the household.

The rain in the last four days interfered somewhat with the registrars in their work of enrolling the thousands of women in the city and county.

In addition to the large number from the city one hundred and twenty cards have been received at the headquarters from the borough of Paxtang. It is expected that tomorrow more boroughs will report and the remainder of the city ward chairmen will also bring in their first results.

The number of cards received so far are as follows: Second ward, 128; Third ward, 133; Fourth ward, 207; Fifth ward, 63; Sixth ward, 14; Eighth ward, 20; Tenth ward, 223; Thirteenth ward, 198; Paxtang borough, 120. Total reported for first day, 1,106.

In a meeting of the committee was held this afternoon in the Y. W. C. A. to untangle difficulties which have arisen in the early part of the campaign.

Women Protest Use of Foodstuffs in Brewing Beer During War

Members of the Woman's Christian Temperance Union issued a statement from headquarters in this city to-day as being willing to assist the Government in the war but protesting use of foodstuffs in brewing beer.

The statement follows:

"We, the members of the Woman's Christian Temperance Union of Pennsylvania, gladly go on record as willing to assist the Government in every movement for food conservation, but we protest against the use of foodstuffs in the brewing of beer, which makes a waste of food greater than can be saved in many homes.

We further recommend that all women include a protest in their registration against the inconsistency of our Government in urging the women of our nation to extreme economy while it refuses to prohibit the waste of foodstuffs in brewing beer.

MRS. ELLA M. GEORGE, President. MRS. SYLVIA B. NORRISH, Corresponding Secretary.

Guard Takes Priceless Mirror to Observatory

Los Angeles.—Anonymous threats to destroy the almost priceless 100-inch mirror which has taken twelve years to make since the rough case was cast in St. Gobain, France, guards were placed in advance and to the rear of the motortruck that took the mirror on its dangerous journey to the observatory.

Fearful that a crank or enemy of science might attempt to shatter the huge mirror, which has taken twelve years to make since the rough case was cast in St. Gobain, France, guards were placed in advance and to the rear of the motortruck that took the mirror on its dangerous journey to the observatory.

No mishap marred the trip to the mountain top. The mirror will be installed in the Mount Wilson observatory within the next three months. Completion of the big telescope is expected to open up a new era of astronomy.

Germans Reconciled That Present Is No Time For Offensive Against Allies

Copenhagen, July 11.—Major Morah, military correspondent of the Deutsche Tages Zeitung, asks in a press article whether the moment has arrived for an offensive by Germany and concludes that for the present one is inadvisable. All Germany, he says, longs to hear the yell of the German armies in a big drive, but it is doubtful whether the necessary numerical superiority can be concentrated against any particular front to push an offensive through to real success.

Dr. Beck Says Hot Sun and Heat Weaken the Eyes

Tells How to Strengthen Eyesight 50% in One Week's Time in Many Instances

A Free Prescription You Can Have. Eye trouble is a common ailment. Do you wear glasses? Are you a victim of eye trouble? If so you will be glad to know that, according to Dr. Beck, there is real hope for you. He says that exposure to sun, smoke, dust or wind often produces eyestrain, and people living in warm climates should frequently bathe the eyes and be careful to protect them from extreme light. This prescription will prove of great value to many eye sufferers. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without my glasses and my eyes do not water any more. At night they would pain me dreadfully, now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seemed clear. I can even read fine print without glasses. It is believed that thousands who wear glasses can now discard them in a reasonable time and multitude more will be able to strengthen their eyes so as to be spared the trouble and expense of ever putting on glasses. Eye trouble of many descriptions may be wonderfully benefited by following the simple rules here is the prescription: Go to any active drug store and get a bottle of Don-Opto Tablets. Drop one in a glass of water and allow to dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time. NOTE—Another prominent physician to whom the above article was submitted said: "Don-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturers guarantee it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good drugist and is one of the few prescriptions I feel should be kept on hand for regular use in almost every family." It is sold in Harrisburg by Kennedy, Keller, Clark and others.
