Gypsies in Automobiles Make Call at Marysville

Marysville, Pa., July 11.—Marysville has been visited by bands of gypsies during the past several days. A group, traveling in six automobiles, bearing Ohio, Illinois and other western states' licenses, which passed through here westward yesterday was a source of trouble. While they made several attempts to secure loot, it is not believed that they left with any booty. They entered the home of John Hummel in South Main street, but neighbors noticed their entrance and forced them to return a gold watch and purse that they had stolen. Harry Reishley and John Weiser, encountered by the wanderers in P. M. Skivington's feed store, were other intended victims.
